## **Speaking For Ourselves Voices Of Biblical Women:**

*Speaking for Ourselves* Katerina Katsarka Whitley, 1998-11 Provocative dramatic monologues allow Biblical women to tell their own stories as the author puts herself in the shoes of the Virgin Mary Miriam Mary Magdalene Elizabeth the Syrophoenician or Canaanite woman Lydia Ruth Gomer Michal Tamar and Peter's wife **Biblical Women's Voices in Early Modern England** Michele Osherow, 2016-12-14 Biblical Women's Voices in Early Modern England documents the extent to which portrayals of women writers rulers and leaders in the Hebrew Bible scripted the lives of women in early modern England Attending to a broad range of writing by Protestant men and women including John Donne Mary Sidney John Milton Rachel Speght and Aemilia Lanyer the author investigates how the cultural requirement for feminine silence informs early modern readings of biblical women's stories and furthermore how these biblical characters were used to counteract cultural constraints on women's speech Bringing to bear a commanding knowledge of Hebrew Scripture Michele Osherow presents a series of case studies on biblical heroines juxtaposing Old Testament stories with early modern writers and texts The case studies include an investigation of references to Miriam in Lady Mary Sidney's psalm translations an unpacking of comparisons between Deborah and Elizabeth I and importantly a consideration of the feminization of King David through analysis of his appropriation as a model for early modern women in writings by both male and female authors In deciphering the abundance of biblical characters citations and allusions in early modern texts Osherow simultaneously demonstrates how biblical stories of powerful women challenged the Renaissance notion that women should be silent and explores the complexities and contradictions surrounding early modern women their speech and their power Lady Parts Kathryn D. Blanchard, Jane S. Webster, 2012-11-13 How might women in the Bible tell their stories if they were prompted to do so by Eve Ensler's controversial play *The Vagina Monologues* This collection imagines some answers to that question The monologues herein are written by a variety of authors including scholars undergraduates clergy and laywomen the content of the narratives reflects this variety being at times faithful or irreverent tragic or even funny All seek to give twenty first century voices to women in canonical texts including the Hebrew Bible Deuterocanonical books and New Testament who are often speechless nameless or otherwise marginalized Not for the faint of heart these monologues not only end the silences but also add flesh and bone to characters whose experiences have too easily been justified metaphorized or altogether ignored By naming the torn places in these women's stories this volume invites readers to encounter both the biblical characters and their contemporary interpreters with an attitude of compassionate listening Our hope is that such compassionate listening may contribute not only to more just readings of sacred texts but also to the mission of Eve Ensler and *V Day* to end global violence against women and girls *The Living Church*, 1998 *Light to the Darkness* Katerina Katsarka Whitley, 2008-08-01 *Light to the Darkness* is a fresh interpretation of the well loved Advent tradition of Lessons and Carols Replacing the usual scriptural readings from the old and new testaments will be first person dramatic monologues

based on these and other passages of scripture Special emphasis will be given to the role of the prophets not only in pointing the way to the Messiah and in offering guidance to the Hebrew people but in offering very contemporary guidance in the 21st century With a reading for each day of Advent churches can choose pieces for their own services of Lessons and Carols while individuals can use the book for their own private devotions Suggestions for music for these services will also be included these will encompass a broad range music to accommodate parishes musical needs and abilities

*Voices and Books in the English Renaissance* Jennifer Richards,2019-10-24 *Voices and Books in the English Renaissance* offers a new history of reading that focuses on the oral reader and the voice or performance aware silent reader rather than the historical reader who is invariably male silent and alone It recovers the vocality of education for boys and girls in Renaissance England and

the importance of training in pronunciation delivery for oral aural literary culture. It offers the first attempt to recover the voice and tones of voice especially from textual sources. It explores what happens when we bring voice to text how vocal tone realizes or changes textual meaning and how the literary writers of the past tried to represent their own and others voices as well as manage and exploit their readers voices. The volume offers fresh readings of key Tudor authors who anticipated oral readers including Anne Askew William Baldwin and Thomas Nashe. It rethinks what a printed book can be by searching the printed page for vocal cues and exploring the neglected role of the voice in the printing process. Renaissance printed books have often been misheard and a preoccupation with their materiality has led to a focus on them as objects. However Renaissance printed books are alive with possible voices but we will not understand this while we focus on the silent reader.

**Speak to Me, Lord, I'm Listening** Betsy Tacchella, 2014-06-09 Throughout the Bible God spoke to people but does He still speak to us today. Through personal stories in *Speak to Me Lord I'm Listening* you will gain fresh insight into how God communicates with us. Come along and hear how God spoke to me the day a fire threatened our home and again when we endured a mudslide. Enjoy His sense of humor as He spoke in the midst of a disastrous camping trip. Be encouraged by how He provided specific Scripture in the face of important decisions and wisdom regarding a sticky relationship. Experience the amazing words of hope and counsel He gave us regarding our son's college education. Share in the unique words of comfort and support God gave me during my mother's trial with Alzheimer's. Again when my husband had a stroke it was God's personal direction that led to a miraculous event. Through stories interspersed with biblical insights you will find that our journey through life with Jesus is more than us talking to Him. It is also God speaking words of encouragement comfort and direction through Scripture prayer people circumstances dreams visions and His creation. Join me as we embark on an adventure of discovering and recognizing God's voice. Let's listen and delight in hearing Him speak. My sheep hear My voice and I know them and they follow Me. John 10:27

**Slavery-Free Communities** Dan Pratt, 2021-07-30 Modern Slavery and Human Trafficking (MSHT) are global crimes impacting local communities. Vulnerable people are exploited through labour sex and forced criminality. Churches and Communities are increasingly encountering these victims and survivors and consequently need to develop more effective engagement. The book will highlight that Churches and Communities are in a unique position to partner towards slavery-free communities. Beginning with the narratives of survivors who experienced three different forms of MSHT including labour exploitation sexual exploitation and domestic exploitation the book then shows how practitioners and theologians respond to these narratives through exploring theologies of suffering ecology missiology restorative justice trinitarian theology and liberation theology. Offering faith responses from organisations such as The Salvation Army The Clewer Initiative BMS World Mission and Rene Cassinhe the volume also includes a final resource section with prayers and liturgy for survivors and victims as well as for church and community responses. The book includes a forward by the Rt Hon Theresa May MP and an opening prayer by the Most Revd Justin Welby. [The Publishers Weekly](#)
