**Speaking to the Heart** April S Yarber, 2019-11-12 Where do we get food to nourish our souls Gods living word the Holy Bible is our daily bread If we want to be spiritually healthy we should read and soak up his words They are His living words and also provide us protection As we read and put on His whole armor before heading out each day we armor up helping to keep us spiritually prepared for whatever the day holds Has God ever put something on your heart something that you know you should be doing For me although I m finished with this devotional this is the beginning of my new life s journey of letting his words in verses and text from the bible pour into my spirit There is really something to the power found within his words I have experienced a new peace in my life so thankful am I for this journey Spending time with the Lord and reading through verses and writing each day has made a difference in my life and I can say I m better for it I hope whoever you are if this finds its way to you it will help create in you a thirst for our Father our Savior our Lord Jesus Christ And I pray whenever he speaks whatever he speaks to your heart that you would be able to hear his words with clarity and walk on his paths of truth for your life Every good and perfect gift comes from the Lord

Secrets Of The People Whisperer Perry Wood, 2008-09-04 In 1990 Perry Wood shelved his music career to breed break in and train horses All my work with horses he says has been about exploring deeper communication learning to understand and influence

another being for the mutual benefit of both parties As time went on I realised that more communication was happening below the surface than people normally noticed I started to apply these observations to the people who came to me to learn at which point it was suggested that what I was doing with the horses and people would be transformational if it was brought into corporations He was right it is What I bring to this work is not only my learning from years of horse whispering and people training but also the non judgemental spiritual essence of unconditional love that is present in everything In Secrets of the People Whisperer Perry Wood shows with unique simplicity how to listen to yourself how to listen to others and once you ve mastered these skills how to set goals and turn your life into a stunning success story      **The Heart Could Never**

**Speak** George Pattison,2013-06-25 The book offers an interpretation of a posthumously published poem by Edwin Muir 1887 1959 beginning The heart could never speak But that the Word was spoken The poem is read as summing up Muir s lifelong struggle with fundamental questions about the meaning of existence questions often developed in dialogue with such figures as Nietzsche Hlderlin and Kafka These references allow us to bring Muir into conversation with modern existentialist philosophy and theology and Muir s poetic thought is seen as both illuminating and as illuminated by such existentialist thinkers as Heidegger Bultmann Kierkegaard and Berdyaev Themes such as death time love the nature of language and the alienation brought about by technological mass society and the threat of nuclear catastrophe are central to the poem s subject matter and are dealt with by Muir in such a way as to make possible a Christian version of existentialist thought The perennial nature of such questions in modern society makes the poem as relevant to contemporary issues in religious thought today as when it was written For all its simplicity it is the argument of the book that it makes an abiding contribution to human self understanding      *Speaking from the Heart* Ken Durham,1986      **Speaking to the Heart from Flicker to**
