Speaking Two Languages:

Life with Two Languages François Grosjean, 1982 Many people consider bilinguals to be exceptional yet almost half the world's population speaks more than one language Bilingualism is found in every country of the world in every class of society in all age groups Life with Two Languages is the first book to provide a complete and authoritative look at the nature of the bilingual experience François Grosjean himself a bilingual covers the topic from each of its many angles in order to provide a balanced introduction to this fascinating phenomenon Grosjean discusses the political and social situations that arise when languages come into contact and the policies nations have established toward their linguistic minorities in the domains of education and governance Of particular interest is his detailed account of the psychological and social factors that lead a bilingual to choose one of her languages when speaking to another bilingual or to use both languages in the fascinating phenomenon of code switching The author explains how children become bilingual as quickly as they become monolingual describes the organization of languages in the bilingual brain and examines the legacy of bilingualism on language as exemplified in word borrowings Above all Life with Two Languages puts the emphasis on the bilingual person In a series of first hand reports scattered throughout the book bilinguals tell what it is like to live with two languages and describe the educational and social experiences they have undergone Written in a clear and informative style Life with Two Languages will appeal to professionals and students in linguistics education sociology and psychology as well as to the more casually curious

Speaking Two Languages Allen J. Frantzen, 1991-01-01 This book is designed for the medievalist interested in contemporary criticism but cautious about its limits The volume's essays are not designed to offer rereadings of familiar texts but to address the problems of articulating tradition and contemporary theory Each contributor interprets critical methods as consciously chosen and spoken languages and explores the consequences of combining a traditional and a contemporary method and hence speaking two languages Each essay includes a critical bibliographical note pointing to further reading in the languages it employs

SYSTEMATIC

INSTRUCTION IN READING FOR SPANISH-SPEAKING STUDENTS Elva Duran, 2013-04-01 Students whose first language is not English are the fastest growing group in public schools in all regions of the United States Almost 10 million children between the ages of five and 17 live in the homes and communities in which a language other than English is spoken and presently most schools in the U S are under educating many English learners The achievement of Hispanic students needs to improve dramatically over the next five years and this book describes the cornerstone elements for bringing about this change The initial chapter introduces direct instruction to be used with reading and literacy programs Chapters 2 and 3 provide excellent review of the literature in language development and address developing language instruction listening and speaking with Spanish speaking students and offers what a comprehensive language development program should look like Chapter 4 reviews academic language and literacy instruction while the next addresses the components of instruction in Spanish Chapter 6 offers lesson plan suggestions for Spanish speaking students while the following two sections discuss components that transfer and do not transfer in Spanish to English reading instruction

Chapter 9 reviews English language development and provides lesson plans for implementing SDAIE programs Finally Chapter 10 discusses two way bilingual immersion and shares actual classroom schedules and lessons This unique text will help in the preparation of primary grade teachers throughout the U S so that they may be successful with Hispanic students entering the public schools with little or no English background It will also be a useful tool for school districts staff development in addressing school improvement goals for increasing the achievement of Hispanic students Speaking Two Languages is a Gift Ruth F. Fielding,2009 **Multilingualism in the Australian Suburbs** Ruth Fielding,2015-04-25 This book introduces a framework for examining bilingual identity and presents the cases of seven individual children from a study of young students bilingual identities in an Australian primary school The new Bilingual Identity Negotiation Framework brings together three elements that influence bilingual identity development sociocultural connection investment and interaction The cases comprise individual stories about seven young bilingual students and are complemented by some more general investigations of bilingual identity from a whole class of students at the school The framework is explained and supported using the students stories and offers readers a new concept for examining and thinking about bilingual identity This book builds upon past and current theories of identity and bilingualism and expands on these to identify three interlinking elements within bilingual identity The book highlights the need for greater dialogue between different sectors of research and education relating to languages and bilingualism It adds to the increasing call for collaborative work from the different fields interested in language learning and teaching such as TESOL bilingualism and language education Through the development of the framework and the students stories in this study this book shows how multilingual children in one school in Australia developed their identities in association with their home and school languages This provides readers with a model for examining bilingual identity in their own contexts or a theoretical construct to consider in their thinking on bilingualism language and identity Family Language Policy in the Polish Diaspora Piotr Romanowski,2021-04-06 This book explores language practices beliefs and management across a group of Polish immigrant families in Australia drawing on these case studies as a lens through which to unpack dynamics of Family Language Policy FLP and their implications for future research on FLP The volume begins by outlining the historical context of Polish immigration in Australia charting two key waves of Polish migration in the 20th century and the subsequent unfolding of issues around language and culture maintenance in these families This discussion paves the way for exploring key themes of language socialization language ideologies and heritage language maintenance and the affordances of FLP research in elucidating these dynamics at work in the lived experiences of a group of Polish immigrant families in Melbourne The book highlights the importance of a triangulated approach integrating qualitative and quantitative methods in offering nuanced insights into parental approaches and children s experiences of a bilingual upbringing and the wider impact of FLP on transnational families Opening up avenues for future research on Family Language Policy and a better understanding of the language practices of specific

communities in a globalised world this book will be of interest to scholars in multilingualism sociolinguistics and applied linguistics

Working with Children Experiencing Speech and Language Disorders in a Bilingual Context Sean Pert, 2022-12-20 The complexity of speech and language disorders can be daunting in a monolingual context When working with a bilingual child assessment and intervention may appear to be even more complicated In this book Sean Pert provides the reader with the tools needed to overcome this perception and develop skills in working in a language that they don't share with the client By adopting a home language first approach the book discusses how to identify diversity from disorder introduce effective approaches in line with the best clinical practice work successfully alongside interpreters make assessments and plan interventions set goals for therapy At the heart of the text is the therapist creating essential partnerships with parents and truly valuing the bilingualism culture and identity of the child This leads to better outcomes not only in speech language and communication but also in self esteem mental health social participation and educational and employment success The book concludes with a handy toolkit of resources including quizzes case studies and printable extras making it the perfect resource for both experienced and newly qualified practitioners with bilingual and multilingual children in their care

Growing Up with Two Languages Una Cunningham, 2011-05-25 The lives of many families involve contact with more than one language and culture on a daily basis Growing Up with Two Languages is aimed at the many parents and professionals who feel uncertain about the best way to go about helping children gain maximum benefit from the multilingual situation This best selling guide is illustrated by glimpses of life from interviews with fifty families from all around the world The trials and rewards of life with two languages and cultures are discussed in detail and followed by practical advice on how to support the child's linguistic development Features of this third edition include a dedicated website with new and updated Internet resources a new chapter giving the perspective of adults who have themselves grown up with more than one language a new chapter presenting research into bilingual language acquisition with information about further reading new and updated first hand advice and examples throughout Una Cunningham is an Associate Professor in Modern Languages at Stockholm University Sweden She and her husband Staffan Andersson have raised their four children to speak English and Swedish in Sweden
