The Care & Feeding of Volunteers Bill Wittich, 2000. The Care Feeding of Volunteers has evolved from a series of successful seminars attended by thousands of people across the United States and into Europe. In these sessions, Bill has presented unorthodox ways of working with volunteers. They have attempted to change the paradigm of how America thinks about managing volunteers. In this book, Bill will challenge you to consider applying many of the leadership strategies that are working in corporate America to your nonprofit arena. The Care Feeding of Volunteers will show you how to find and attract today's volunteers into your organization. It's a new millennium and tomorrow's volunteers will not respond to yesterday's management thinking but will be looking for an agency that respects their energy, passion, and talents. Events

Management Glenn Bowdin, Johnny Allen, Rob Harris, Ian McDonnell, William O'Toole, 2012-05-23. Events Management is the must-have introductory text providing a complete A-Z of the principles and practices of planning, managing, and staging events. The book introduces the concepts of event planning and management, presents the study of events management within an academic environment, discusses the key components for staging an event, covering the whole process from creation to evaluation, examines the events industry within its broader business context, covering impacts and event tourism, provides an effective guide for producers of events, contains learning objectives and review questions to consolidate learning. Each chapter features a real-life case study to illustrate key concepts and place theory in a practical context, as well as preparing students to tackle any challenges they may face in managing events. Examples include the Beijing Olympic Games, Google Zeitgeist Conference, International Confex, Edinburgh International Festival, Ideal Home Show, and Glastonbury Festival. Carefully constructed to maximise learning, the text provides the reader with a systematic guide to organizing successful events, examining areas such as staging, logistics, marketing, human resource management, control, and budgeting, risk management, impacts, evaluation, and reporting. Fully revised and updated content including new chapters on sustainable development and events perspectives on events and expanded content on marketing, legal issues, risk, and health and safety management.
