The City of God: A translation into English by John Healey Saint Augustine (of Hippo), 1909 God on Broadway Charles A. Gillespie, 2025-11-18 What has Broadway to do with Jerusalem God on Broadway explores the theological questions cracked open by commercial theatre It shows how the Great White Way that apex of tourist consumerism and a synonym for the business of spectacle can be a place for theophany and critical reflection on religion God is ready to be part of the show God takes the stage as the clowning Jesus Christ of Godspell and in the comedian of An Act of God God seems to overhear Tevye's soliloquy prayers from the balcony God gets invoked in Backstage traditions and superstitions in the booming voice of a director calling cues with a god mic and in the mystifying rules about a Scottish King's name Broadway has a God waiting in the wings Broadway shows operate in wider culture as a secular catechist They instruct us about God outside the walls of an institutional church God on Broadway sits out in the house where an audience of paying customers and strangers transform into co players and shows how God is revealed in the small choices of a playwright and in the flashy song and dance numbers of musicals Looking for God on Broadway is a way of doing theology a method for interpreting and talking about God for and with a mixed public and inclusive audience A commercial theology performs on Broadway This book invites theatre lovers and theologians to play along **For God, and the King. Paul and the Citizen Body Janelle Peters ,2025-02-17 In this study Janelle Peters argues Paul's construction of an individual body and communal body in 1 Corinthians serves as an alternative to Roman and Greek models of citizenship She situates the athletics and veiling of 1 Corinthians within ancient authority and citizenship which prioritized having control over one's body and head Contrary to scholarly assumptions that these citizenship indicators would have restricted the previous freedom of all women in order to present conformity with Roman norms the author contends that the elements of bodily control Paul imposes on the Christian body construct a new citizen body that appeals to Roman and Greek notions of

prestige in order to transform the experience of the Christian both in the present world and in the heavenly politeuma Unlike civic honors within Roman and Greek secular polities this citizen body is accessible to all regardless of social status
