**Michael Johnston**

## **Texts And Their Contexts Papers From The Early Society:**

**Texts and their contexts** John Scattergood,1997      *Reading Practice* Melissa Reynolds,2024-08-19 Through portraits of readers and their responses to texts *Reading Practice* reconstructs the contours of the knowledge economy that shaped medicine and science in early modern England *Reading Practice* tells the story of how ordinary people grew comfortable learning from commonplace manuscripts and printed books such as almanacs medical recipe collections and herbals From the turn of the fifteenth century to the close of the sixteenth century these were the books English people read when they wanted to attend to their health or understand their place in the universe Before then these works had largely been the purview of those who could read Latin Around 1400 however medical and scientific texts became available in Middle English while manuscripts became less expensive These vernacular manuscripts invited their readers into a very old and learned conversation Hippocrates and Galen weren't distant authorities whose word was law they were trusted guides whose advice could be excerpted rearranged recombined and even altered to suit a manuscript compiler's needs This conversation continued even after the printing press arrived in England in 1476 Printers mined manuscripts for medical and scientific texts that they would publish throughout the sixteenth century though the pressures of a commercial printing market encouraged printers to package these old texts in new ways Without the weight of authority conditioning their reactions and responses to very old knowledge and with so many editions of practical books to choose from English readers grew into confident critics and purveyors of natural knowledge in their own right Melissa Reynolds reconstructs shifting attitudes toward medicine and science over two centuries of seismic change within English culture attending especially to the effects of the Reformation on attitudes toward nature and the human body Her study shows how readers learned to be discerning and selective consumers of knowledge gradually through everyday interactions with utilitarian books      *A Companion to the Middle English Lyric* Thomas Gibson Duncan,2005 Aims to provide both background information on and assessments of the lyric This work includes features of formal and thematic importance they are rhyme scheme stanzaic form the carol genre love poetry in the manner of the troubadour poets and devotional poems focusing on the love and suffering and compassion of Christ and the Virgin Mary      **The Rhetoric of the Page** Laurie Maguire,2020-11-03 This wide ranging and entertaining book explores blank space from incunabula to Google books Blanks are a paradox simultaneously nothing and something gesturing to what was once there or might be there They are also a creative opportunity for readers as well as writers readers respond to what is not there and writers come to anticipate that response Thus blank space develops literary and ludic applications Each chapter focuses on one typographical form of what is not there on the page physical gaps Chapter One marks of incompleteness such as c Chapter Two and the asterisk as a stand in for things that cannot be said Chapter Three By looking at the early modern page as a visual unit as well as a verbal unit this volume shows how the relationship between textual layout and textual content is as productive for writers as it is for readers Mise en page influences readers in the same

way that rhetoric influences readers It is thus possible to speak of the rhetoric of the page

**Franciscan Organisation in the Mendicant Context** Michael J. P. Robson, Jens Röhrkasten, 2010 Emanating from the tradition of the Italian hermit communities the Franciscans developed organisational structures already early in their history allowing them to offer pastoral care on a wide scale This process of transition led firstly to constitutional structures as defined in the order's early legislation but it also occurred within relationship networks at different levels in the context of Church and papacy within the different European regions and before the background of the emerging Canon Law The term organisation has been given a wide definition in the articles published in this volume They offer a survey of general issues related to the structuring and running of religious orders as well as a number of case studies Comparisons with other mendicant orders offer an analysis of the issues in a wider context

**The Middle English Book** Michael Johnston, 2023-07-25 The monograph series Oxford Studies in Medieval Literature and Culture showcases the plurilingual and multicultural quality of medieval literature and actively seeks to promote research that not only focuses on the array of subjects medievalists now pursue in literature theology and philosophy in social political jurisprudential and intellectual history the history of art and the history of science but also that combines these subjects productively It offers innovative studies on topics that may include but are not limited to manuscript and book history languages and literatures of the global Middle Ages race and the post colonial the digital humanities media and performance music medicine the history of affect and the emotions the literature and practices of devotion the theory and history of gender and sexuality ecocriticism and the environment theories of aesthetics medievalism The Middle English Book addresses a series of questions about the copying and circulation of literature in late medieval England How do we make sense of the variety of manuscripts surviving from this period Who copied and disseminated these diverse manuscripts Who read the literary texts that they transmit And what was the relationship between those copying literature and those reading it To answer these questions this book examines 202 literary manuscripts from the period 1350 to 1500 First this study suggests that most surviving manuscripts fall into four categories depending on the proximity and relationship of that manuscript's scribes and readers But beyond proposing these new categories this book also looks at the history of writing practices and demonstrates the ubiquity of bureaucracies within late medieval England As a result The Middle English Book argues that literary production was a decentered affair one that took place within these numerous modest yet complex bureaucracies But this book also argues that because literary production arose in such scattered bureaucracies manuscripts were local products produced within the cultural and economic milieu of their users Manuscripts thus form a fundamentally different sort of cultural artefact than the printed books with which we are familiar a form of centralized urbanized and commercialized textual production that was just over the historical horizon in late medieval England

Marketing English Books, 1476-1550 Alexandra da Costa, 2020-11-04 The monograph series Oxford Studies in Medieval Literature and Culture showcases the plurilingual and multicultural quality of medieval literature and actively

seeks to promote research that not only focuses on the array of subjects medievalists now pursue in literature theology and philosophy in social political jurisprudential and intellectual history the history of art and the history of science but also that combines these subjects productively It offers innovative studies on topics that may include but are not limited to manuscript and book history languages and literatures of the global Middle Ages race and the post colonial the digital humanities media and performance music medicine the history of affect and the emotions the literature and practices of devotion the theory and history of gender and sexuality ecocriticism and the environment theories of aesthetics medievalism *Marketing English Books* is about how the earliest printers moulded demand and created new markets Until the advent of print the sale of books had been primarily a bespoke trade but printers faced a new sales challenge how to sell hundreds of identical books to individuals who had many other demands on their purses This book contends that this forced printers to think carefully about marketing and potential demand for even if they sold through a middleman as most did that wholesaler bookseller or chapman needed to be convinced the books would attract customers *Marketing English Books* sets out therefore to show how markets for a wide range of texts were cultivated by English printers between 1476 and 1550 within a wider European context devotional tracts forbidden evangelical books romances gests and bawdy tales news pilgrimage guides souvenirs and advertisements and household advice Through close analysis of paratexts including title pages prefaces tables of contents envoys colophons and images the book reveals the cultural impact of printers in this often overlooked period It argues that while print and manuscript continued alongside each other developments in the marketing of printed texts began to change what readers read and the place of reading in their lives on a larger scale and at a faster pace than had occurred before shaping their expectations tastes and even their practices and beliefs *From Lawmen to Plowmen* Stephen Yeager, A

**New Companion to English Renaissance Literature and Culture** Michael Hattaway, 2010-02-12 In this revised and greatly expanded edition of the Companion 80 scholars come together to offer an original and far reaching assessment of English Renaissance literature and culture A new edition of the best selling Companion to English Renaissance Literature revised and updated with 22 new essays and 19 new illustrations Contributions from some 80 scholars including Judith H Anderson Patrick Collinson Alison Findlay Germaine Greer Malcolm Jones Arthur Kinney James Knowles Arthur Marotti Robert Miola and Greg Walker Unrivalled in scope and its exploration of unfamiliar literary and cultural territories the Companion offers new readings of both literary and non literary texts Features essays discussing material culture sectarian writing the history of the body theatre both in and outside the playhouses law gardens and ecology in early modern England Orientates the beginning student while providing advanced students and faculty with new directions for their research All of the essays from the first edition along with their recommendations for further reading have been reworked or updated

Annotated Chaucer bibliography Mark Allen, Stephanie Amsel, 2015-11-01 An extremely thorough expertly compiled and crisply annotated comprehensive bibliography of Chaucer scholarship between 1997 and 2010 **Journal of the Early**

**Book Society for the Study of Manuscripts and Printing History** Early Book Society,1999      **The First English Bible** Mary Dove,2007-11-29 In the first study of the Wycliffite Bible for nearly a century Mary Dove takes the reader through every step of the conception design and execution of the first English Bible Wyclif s work initiated a tradition of scholarly stylish and thoughtful biblical translation and remains a major cultural landmark      **Sixteenth-Century Readers, Fifteenth-Century Books** Margaret Connolly,2019-01-17 This innovative study investigates the reception of medieval manuscripts over a long century 1470 1585 spanning the reigns of Edward IV to Elizabeth I Members of the Tudor gentry family who owned these manuscripts had properties in Willesden and professional affiliations in London These men marked the leaves of their books with signs of use allowing their engagement with the texts contained there to be reconstructed Through detailed research Margaret Connolly reveals the various uses of these old books as a repository for family records as a place to preserve other texts of a favourite or important nature as a source of practical information for the household and as a professional manual for the practising lawyer Investigation of these family owned books reveals an unexpectedly strong interest in works of the past and the continuing intellectual and domestic importance of medieval manuscripts in an age of print      **A Companion to Middle English Prose** Anthony Stockwell Garfield Edwards,2004 The essays in this volume provide an up to date and authoritative guide to the major prose Middle English authors and genres Each chapter is written by a leading authority on the subject and offers a succinct account of all relevant literary history and cultural factors that need to be considered together with bibliographical references Authors examined include the writers of the *Ancrene Wisse* the Katherine Group and the *Wohunge* Group Richard Rolle Walter Hilton Nicholas Love Julian of Norwich Margery Kempe Sir John Mandeville John Trevisa Reginald Pecock and John Fortescue Genres discussed include romances saints lives letters sermon literature historical prose anonymous devotional writings Wycliffite prose and various forms of technical writing The final chapter examines the treatment of Middle English prose in the first age of print Contributors BELLA MILLETT RALPH HANNA III AD PUTTER KANTI K GHOSH BARRY A WINDEATT A C SPEARING IAN HIGGINS A S G EDWARDS VINCENT GILLESPIE HELEN L SPENCER ALFRED HIATT FIONA SOMERSET HELEN COOPER GEORGE KEISER OLIVER S PICKERING JAMES SIMPSON RICHARD BEADLE ALEXANDRA GILLESPIE      *Norms and Conventions in the History of English* Birte Bös,Claudia Claridge,2019-06-15 This volume explores changing norms and conventions in the English language as displayed in a broad range of historical data from more than five centuries The contributions discuss the interplay of sociocultural conditions specific discourse traditions and structural aspects of language paying special attention to the communities where norms and conventions are displayed and shaped in verbal interaction The volume is enriched by systematic terminological clarifications interdisciplinary approaches and the introduction of new methods like network analysis and advanced analytical tools and forms of visualisation into the diachronic investigation of historical texts      **The Dynamics of the Medieval Manuscript** Karen Pratt,Bart Besamusca,Matthias Meyer,Ad Putter,2017-07-17 This collection of

essays examines the various dynamic processes by which texts are preserved transmitted and modified in medieval multi text codices focusing on the meanings generated by new contexts and the possible reader experiences provoked by novel configurations and material presentation Containing essays on text collections from many different European countries and in a wide range of medieval languages this volume sheds new light on common trends and regional differences in the history of book production and reading practices

**Robert Thornton and His Books** Susanna Fein, Michael Robert Johnston, 2014 Essays examining the compiler and contents of two of the most important and significant extant late medieval manuscript collections

*Instructional Writing in English* Matti Peikola, Janne Skaffari, Sanna-Kaisa Tanskanen, 2009 The history of English writing is to a considerable extent the history of instructional writing in English This volume is the first collection of papers to focus on instructional writing throughout the history of the language Spanning a millennium of English texts the materials studied represent procedural and behavioural discourse in a variety of genres The primary texts from AElfric's homilies to medieval cooking recipes to seventeenth century American conduct literature to present day language textbooks display a variety of linguistic devices typical of instruction The materials nonetheless differ with respect to the explicitness of their instructive purpose Bringing together a broad range of instructional writing from the Old Middle and Modern English periods this collection celebrates the sixtieth birthday of Risto Hiltunen who has successfully combined discourse linguistic approaches with the history of English in his research and inspired the colleagues and former students contributing to this volume

**The Wycliffite Bible: Origin, History and Interpretation**, 2016-09-27 The Wycliffite Bible Origin History and Interpretation brings together contributions by leading scholars on different aspects of the first complete translation of the Bible into English produced at the end of the 14th century by the followers of the Oxford theologian John Wyclif Though learned and accurate the translation was condemned and banned within twenty five years of its appearance In spite of this it became the most widely disseminated medieval English work that profoundly influenced the development of vernacular theology religious writing contemporary and later literature and the English language Its comprehensive study is long overdue and the current collection offers new perspectives and research on this the most learned and widely evidenced of the European translations of the Vulgate Contributors are Jeremy Catto Lynda Dennison Kantik Ghosh Ralph Hanna Anne Hudson Maureen Jurkowski Michael Kuczynski Ian Christopher Levy James Morey Nigel Morgan Stephen Morrison Mark Rankin Delbert Russell Michael Sargent Jakub Sichalek Elizabeth Solopova and Annie Sutherland

How the Page Matters Bonnie Mak, 2011-01-01 From handwritten texts to online books the page has been a standard interface for transmitting knowledge for over two millennia It is also a dynamic device readily transformed to suit the needs of contemporary readers In *How the Page Matters* Bonnie Mak explores how changing technology has affected the reception of visual and written information Mak examines the fifteenth century Latin text *Controversia de nobilitate* in three forms as a manuscript a printed work and a digital edition Transcending boundaries of time and language *How the Page Matters* connects technology with

tradition using innovative new media theories While historicizing contemporary digital culture and asking how on screen combinations of image and text affect the way conveyed information is understood Mak s elegant analysis proves both the timeliness of studying interface design and the persistence of the page as a communication mechanism

### **Texts And Their Contexts Papers From The Early Society Introduction**

In today's digital age, the availability of Texts And Their Contexts Papers From The Early Society books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Texts And Their Contexts Papers From The Early Society books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Texts And Their Contexts Papers From The Early Society books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Texts And Their Contexts Papers From The Early Society versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Texts And Their Contexts Papers From The Early Society books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Texts And Their Contexts Papers From The Early Society books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Texts And Their Contexts Papers From The Early Society books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and

technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Texts And Their Contexts Papers From The Early Society books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Texts And Their Contexts Papers From The Early Society books and manuals for download and embark on your journey of knowledge?

### **FAQs About Texts And Their Contexts Papers From The Early Society Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
