Holy Face is without a doubt one of the world's most popular Catholic saints. Her relics draw great crowds and Catholics from the world over make pilgrimage en masse to places associated with her life. Saint Thérèse's vision of Catholicism was one of daily charity and prayer where Jesus was close and approachable, not one of ritual and a distant God that required intermediaries. As a Doctor of the Church, Saint Thérèse's writings have been the topic of discussion for many learned men and women throughout the century that has passed since her death. However, through her heartfelt style of writing and simple message, it has also touched a great number of lay Christians in ways no one could have foreseen during her lifetime.
