

Agay-le-Rois

Another dream on the banks of the Indre, and a showcase
of architecture, which mingling towers do with each other,
the ramparts suggest an intricate cloth rather
than warfare. The architecture is merely fair sculpture
and the most has been
transformed into a small
lake. The central staircase shows
you up its long straight
flashes of steps with
intention to the hall.
By night a festival
of multicoloured
lights dances
across the façades.
