**Finding Jesus in His Prayers** Dr. H. Stephen Shoemaker, 2011-07-01. In this brief but substantive examination of the prayers Jesus prayed, Stephen Shoemaker offers helpful applications of Jesus' prayers as both a way to better understand Jesus and as a way to use his prayers as a model for our own prayer lives. The book addresses our twin hungers for spirituality and for a deeper grasp of who Jesus was. The author takes seriously the way Jesus prayed and how his prayers open a window to our own experience of God. Included are discussions of the Lord's Prayer (Matt 6:9-13), the Prayer of Thanksgiving amid Life's Reversals (Matt 11:25-26), the Gethsemane Prayer (Mark 14:36), the Prayers from the Cross (Luke 23:34, Matt 27:46, Luke 23:46) and prayers from John's Gospel (11:41-42, 12:27, 17:11). The author stays close to the text of the prayers, sometimes including his own translations but explores their meaning in our lives. He uses Abba rather than the English translation Father in order to bring the reader closer to Jesus as he spoke the words of each prayer. A study guide is included to assist leaders in using the book with small groups. Jesus' prayers are a challenge and a scandal to the ways our culture wants to pray. His spirituality found in his prayers is a profound guide to the soul and a remedy to a culture in search of a soul.

**Running Dogs and Rose's Children** Eric George de Jong. Running Dogs and Rose's Children tell the story of how Eric and wife Jenny are plunged into parenthood after adopting three

siblings aged eleven five and one after their mother died of cancer The new family set about starting over building a family life together from scratch in their rambling farmhouse outside Harare Zimbabwe Their story was on course for a happily ever after ending until their lives and the lives of those around them were destroyed by Robert Mugabe s war of terror unleashed on white farmers and opposition party members launching an era of economic social and political turmoil which eventually saw the family fleeing the country for fear of being killed Eric s fierce love of his country and his principles saw him immersing himself in the dangerous opposition politics of the day where elections were rigged and fellow party members were tortured and murdered Somehow Eric de Jong s irrepressible sense of humour bubbles throughout this absorbing honest and deeply personal account of a growing family of love entrepreneurial success and failure mental illness political exile and the distressing and often absurd collapse of a beautiful African country and stoicism of its people     **Children's**
