etchings as well as 1 500 books journals and other sources about French artists that he acquired for himself Paintings by Cabanel Corot and Daubigny prints by Whistler Manet and Cassatt and portfolios of information about hundreds of French artists filled his apartment and spilled into the adjacent flat of his mistress Based primarily on Lucas s notes and diaries as well as thousands of other archival documents A Paris Life A Baltimore Treasure is a richly illustrated portrayal of Lucas s fascinating life as an agent connoisseur and collector of French mid nineteenth century art And as revealed in the book following Lucas s death his enormous collection continued to have a vibrant life of its own when in 1990 Baltimore s Maryland Institute proposed to auction or otherwise sell the collection It rose from obscurity reached new glory as an irreplaceable cultural treasure and became the subject of an epic battle fought in and out of court that captivated public attention and enflamed the passions of art lovers and museum officials across the nation Mazaroff has thoughtfully recreated the legacy of one of America s best documented late nineteenth century French art collections Doreen Bolger Director Emeritus The Baltimore Museum of Art
