*Koinonia and the Quest for an Ecumenical Ecclesiology* Lorelei F. Fuchs, 2008 The word koinonia has gained prominence in recent ecumenical discussions In this original and substantial work Lorelei Fuchs proposes the theological idea of koinonia commonly translated as communion or fellowship as the key to moving fractured churches toward a future unity Fuchs challenges churches to move beyond mere dialogue and to apply ecumenical insights at the local level She begins by relating the exegetical meaning of koinonia to its ecumenical meaning tracing the place of koinonia both within the churches and between the churches She then examines the concept of koinonia in the extensive and fruitful dialogues that have taken place between Lutherans Anglicans and Roman Catholics finally articulating a symbolic competence for communiality that provides a rich and workable way forward for church unity at all levels Encompassing the latest in ecumenical thought Koinonia and the Quest for an Ecumenical Ecclesiology provides a broad thoughtful framework for realizing Christ's prayer that all may be one so that the world may believe

Quainton, 2014-12-20 This short collection of essays contains the occasional reflections of a Christian raised in both the Roman and Anglican traditions They were given at the Tuesday morning Eucharist at St Albans Episcopal parish in Washington D C As part of that gathering members take turns to share their thoughts on the readings of the day the significance of the liturgical season or the challenges of the secular world around us These reflections do not pretend to be either theologically profound or traditionally orthodox Rather they are the personal reflections of the author a self proclaimed Roaming Catholic whose familial and spiritual journey has joyfully passed through both the Roman and Anglican traditions

Cummings, 2015-01-14 Many feel that work for Christian unity or ecumenism is not especially urgent or important in the complexities of our contemporary world So many different issues demand the attention of committed Christians for example responding to global crises in which people are suffering developing strong moral stands on a variety of moral problems and challenges etc Such issues must remain of major importance to Christians However Christians form the one Body of Christ If that Body continues to remain divided and fragmented lacking in unity concord and harmony then Christian witness will be singularly diminished This book attempts to

demonstrate the importance of Christian unity ecumenism by looking at important contributions of individual theologians and important texts events mainly of the twentieth century The use of this book may help theologians and pastors urge forward the practice of ecumenism so that in God s time divided Christians may all be one      **Johannine Studies 1975-2017**
