Slavery in the West Guy Nixon (Redcorn), 2011-05-05 The history of the West from the Natives' perspective and the world-wide forces affecting them are rarely found in our history books. For the tribes in the West, the history before the 1840s is poorly understood and when taken out of context seems to make no sense to the casual reader. In particular, the history of the Natives in Northern California seems to be completely overlooked. These people had a turbulent history prior to the Gold Rush of 1849 and while run over in the flood of immigration, their history continued. This fascinating part of our Nation's history and the context in which it occurred is the heart of this work.

**One Batter One Pitch** Michael Connelly, 2008-12-09 The novel *One Batter One Pitch* is a sequel to *An Informal Boston Education*, which chronicled the chaotic, frenetic, and hilarious career, social and romantic missteps of quirky, wisecracking ballplayer weightlifting and beer drinking young Boston CPA Rocky Collins until, with the help of a good woman and promising new job, he finally gets his life under control. But now, he's approaching middle age, frustrated with limiting age-related physical issues and feeling increasingly out of tune with the culture and worst of all, the changing competitive landscape facing the company. He's been successful for twenty years, but it has become an insurmountable problem. He's working too hard and long with disappointing results and worrying that despite his rewarding family life and a solid circle of old friends, he's going to end up a failed, essentially numerical man. But his unrelenting drive and determination, intelligence and wit, along with the unwavering empathetic support of his equally hard-working wife, finally have him hooking up with a couple of charismatic

successful Boston venture capitalists who not only appreciate his talent and work ethic but also his imagination and combative Boston Irish humor He gets his career back on track by helping them turn around a couple of mid size manufacturing companies while also helping found a new independent baseball league with some very unique rules equipment and playing fields designing The Penultimate Boston Sports Bar and helping a black Boston area youth minister build a Life Training and Development Center      **Oasis** Josiah C.
