That Uncertain Feeling:

That Uncertain Feeling Kingsley Amis, 2013-04-04 In *That Uncertain Feeling* by Kingsley Amis competition is stiff for the position of sub librarian in Aberdarcy Library For John Lewis the situation is complicated by the attentions of daunting and desirable village socialite Elizabeth Gruffyd Williams who is married to a member of the local Council Pursuing an affair with her whilst keeping his job prospects alive is John s predicament as he finds himself running down Welsh country lanes at midnight in a wig and dress resisting the advances of local drunks and suffering the long speeches of a nut faced clergyman At times tenderly satirical and at times riotously slap stick Amis sends up an array of rural stereotypes in this story about a man who doesn t know what he wants Kingsley Amis s 1922-95 works take a humorous yet highly critical look at British society especially in the period following the end of World War II Born in London Amis explored his disillusionment in novels such as *That Uncertain Feeling* 1955 His other works include *The Green Man* 1970 *Stanley and the Women* 1984 and *The Old Devils* 1986 which won the Booker Prize Amis also wrote poetry criticism and short stories *Understanding Kingsley Amis* Merritt Moseley, 1993 [The Life of Kingsley Amis](#) Zachary Leader, 2011-05-30 Kingsley Amis was not only the finest comic novelist of his generation but also a dominant figure in post World War II British writing as a novelist poet critic and polemicist Zachary Leader s definitive authorized biography conjures in vivid detail the life of one of the most controversial figures of twentieth century literature renowned for his blistering intelligence savage wit and belligerent fierceness of opinion In *The Life of Kingsley Amis* Leader the acclaimed editor of *The Letters of Kingsley Amis* draws not only on published and unpublished works and correspondence but also on interviews with a wide range of Amis s friends relatives fellow writers students and colleagues many of whom have never spoken publicly before The result is a compulsively readable account of Amis s childhood school days and life as a student at Oxford teacher critic political and cultural commentator professional author husband father and lover Neither evading nor sensationalizing the more salacious aspects of Amis s life Leader explores the writer s phobias self doubts and ambitions the controversies in which he was embroiled and the role that drink played in a life bedeviled by erotic entanglements domestic turbulence and personal disaster Here is the biography that its subject deserves Like Amis himself it is incisive and unsentimental deeply appreciative of aesthetic achievement and a great source of amusing anecdotes Dazzling for its thoroughness psychological acuity and elegant style *The Life of Kingsley Amis* is exemplary literary biography at its very best [Discover UK Shoegaze and Dream Pop](#) Vernon Joynson, 2023-10-20 *Discover UK Shoegaze and Dream Pop* is an excellent comprehensive guide to the development of both genres in the UK It includes detailed discographies personnel details biographies analysis of their music and where applicable rarity ratings for all the 80s and 90s acts featured You ll recognise some names but several less well known acts are included too There s also a detailed postscript section on the re emergence of Shoegaze and Dream Pop in the UK in the 21st century and the bands involved in it This book is the latest in a quartet of books Vernon has written about UK music commencing with the *Two*

King, 2015-09-15 The first comprehensive study of a gifted but largely overlooked American writer Joy Davidman 1915-1960 is probably best known today as the woman that C. S. Lewis married in the last decade of his life But she was also an accomplished writer in her own right an award winning poet and a prolific book theater and film reviewer during the late 1930s and early 1940s *Yet One More Spring* is the first comprehensive critical study of Joy Davidman's poetry nonfiction and fiction Don King studies her body of work including both published and unpublished works chronologically tracing her development as a writer and revealing Davidman's literary influence on C. S. Lewis King also shows how Davidman's work reflects her religious and intellectual journey from secular Judaism to atheism to Communism to Christianity Drawing as it does on a cache of previously unknown manuscripts of Davidman's work *Yet One More Spring* brings to light the work of a very gifted but largely overlooked American writer **The Complete Index to Literary Sources in Film** Alan

Goble, 2011-09-08 No detailed description available for *The Complete Index to Literary Sources in Film* **New Approaches to Ernst Lubitsch** Brigitte Peucker, Ido Lewit, 2025-10-01 This exciting collection of unpublished essays on Ernst Lubitsch addresses multiple gaps in scholarly and critical engagement with the director His understudied early German films shed light on Jewish culture on the relation of comedy to gender and the influence of theatre on his filmmaking The popular historical epics brought Lubitsch an invitation to Hollywood in 1922 There Lubitsch helped develop the film musical and notably contributed to the genre of Hollywood romantic comedy The well known scholars film historians archivists and theorists whose essays appear in this volume expand our knowledge of the set designers actors directors and members of the emigré community who contributed to Lubitsch's vibrant films An emphasis on the role of material objects opens up a new dimension of critical engagement with the director Light is shed on neglected films and the antifascist dimension of his oeuvre brings his political stance clearly to light As these essays make clear Lubitsch's cinema is elusive and deserving of our close attention *Galileo, the Jesuits, and the Medieval Aristotle* William A. Wallace, 2024-10-28 The conventional opposition

of scholastic Aristotelianism and humanistic science has been increasingly questioned in recent years and in these articles William Wallace aims to demonstrate that a progressive Aristotelianism in fact provided the foundation for Galileo's scientific discoveries. The first series of articles supply much of the documentary evidence that has led the author to the sources for Galileo's early notebooks: they show how Galileo, while teaching or preparing to teach at Pisa, actually appropriated much of his material from Jesuit lectures given at the Collegio Romano in 1598-90. The next articles then trace a number of key elements in Galileo's later work, mainly relating to logical methodology and natural philosophy, back to sources in medieval Aristotelian thought, notably in the writings of Albert the Great and Thomas Aquinas. La mise en opposition conventionnelle entre l'aristotélisme scolastique et la science humaniste a été de plus en plus remise en question durant les dernières années. Tout au long de ces articles, William Wallace tente de démontrer que l'aristotélisme progressif a en fait pourvu le fondement des découvertes scientifiques de Galilée. Le premier groupe d'articles fournit la plupart des preuves documentaires qui ont mené l'auteur aux sources des premiers cahiers de notes de Galilée; on y voit comment celui-ci, alors qu'il enseignait ou s'appropriait pour enseigner, s'est en fait approprié une quantité de données issues de cours magistraux consécutifs qui avaient été donnés au Collegio Romano entre 1588 et 90. Les études suivantes retracent leur tour un certain nombre d'éléments clés des travaux ultérieurs de Galilée se rapportant plus particulièrement à la méthodologie logique et à la philosophie naturelle jusqu'à leurs sources dans la pensée aristotélicienne du Moyen Âge, notamment dans les écrits d'Albert le Grand et de Thomas d'Aquin.

An Historical Syntax of the English Language F.Th. Visser, 2023-05-08 Frederik Theodor Visser's *An Historical Syntax of the English Language*, published in four massive volumes between 1963 and 1973, is certainly one of the cornerstones of research in English linguistics. Visser's achievements can hardly be overestimated. Before the advent of modern corpus linguistics, he compiled a remarkable wealth of detailed philological data from all periods of English and combined this with current grammatical analyses of his time. This has made this publication an indispensable resource for anyone investigating the history of English syntax. This reproduction of Visser's volumes is more than welcome and timely, as the volumes have been out of print for quite some time and were sometimes a little bit difficult to navigate. Having a searchable and easy-to-use online version, although maybe not perfect, available now means a revival for scholarship that celebrates its fiftieth birthday without losing any of its relevance.

Nietzsche in Hollywood Matthew Rukgaber, 2022-09-01 *Nietzsche in Hollywood* offers a compelling and startling history of Hollywood film in which the German philosopher Friedrich Nietzsche and his idea of the *Übermensch* looms large. Though Nietzsche's philosophy was attacked as egoistic and a sociopathic version of Darwinism in films from the 1910s, it undergoes a series of cinematic and philosophical transformations in the 1920s and 1930s under the eye and pen of some of the most significant names in early Hollywood, including Erich von Stroheim, Josef von Sternberg, Ben Hecht, Howard Hawks, and Ernst Lubitsch. In addition to establishing historical connections between Nietzsche's philosophy and these filmmakers, the book provides philosophical readings of many Hollywood films through the

lens of the Nietzschean ideas of perspectivism and the critique of morality Offering a new history of classic Hollywood films as well as a new approach to film philosophy Nietzsche in Hollywood reveals a reading of the philosopher in American culture that has largely been ignored **Paradoxes from A to Z** Head of German Dictionaries Michael Clark, Michael Clark, 2007-04-13 This updated second edition is the essential guide to paradoxes and takes the reader on a lively tour of puzzles that have taxed thinkers from Zeno to Galileo and Lewis Carroll to Bertrand Russell Michael Clark uncovers an array of conundrums such as Achilles and the Tortoise Theseus Ship and the Prisoners Dilemma taking in subjects as diverse as knowledge ethics science art and politics Clark discusses each paradox in non technical terms considering its significance and looking at likely solutions Including a full glossary Paradoxes from A to Z is a refreshing alternative to traditional philosophical introductions **Ernst Lubitsch** Scott Eyman, 2015-04-21 Highly recommended Library Journal The only full length biography of legendary film director Ernst Lubitsch the director of such Hollywood classics as Trouble in Paradise Ninotchka and The Shop Around the Corner In this groundbreaking biography of Ernst Lubitsch undeniably one of the most important and influential film directors and artists of all time critic and biographer Scott Eyman author of the critically acclaimed New York Times bestseller John Wayne examines not just the films Lubitsch created but explores as well the life of the man a life full of both great successes and overwhelming insecurities The result is a fascinating look at a man and an era Hollywood s Golden Age Born in Berlin and transported to Hollywood in the 1920s with the help of Mary Pickford Lubitsch brought with him a level of sophistication and subtlety previously unknown to American movie audiences He was quickly established as a director of unique quality and distinction He captivated audiences with his unique touch creating a world of fantasy in which men are tall and handsome unlike Lubitsch himself and humorously adept at getting women into bed and where all the women are beautiful and charming and capable of giving as well as receiving love He revived the flagging career of Marlene Dietrich and in Ninotchka created Greta Garbo s most successful film When movie buffs speak of the Lubitsch touch they refer to a sense of style and taste humor and humanity that defined the films of one of Hollywood s all time great directors In the history of the medium no one has ever quite equaled his unique talent Written with the cooperation of an extraordinary ensemble of eyewitnesses and unprecedented access to the files of Paramount Pictures this is an enthralling biography as rich and diverse as its subject sure to please film buffs of all types especially those who champion Lubitsch as one of the greatest filmmakers ever **Englishness Revisited** Floriane Reviron-Piégay, 2020-10-27 What is Englishness Is there such a thing as a national temperament is there a character or an identity which can be claimed to be specifically English This collection of articles seeks to answer these questions by offering a kaleidoscopic vision of Englishness since the eighteenth century a vision that acknowledges stereotypes while at the same time challenging them Englishness is defined in contrast to Britishness the Celtic fringe Scotland in particular Europe and the Continent at large The effects of the Empire and of its loss are examined together with other socio economic factors such as the two World Wars

de industrialization and the different waves of immigration Through a careful analysis of the arts literature philosophy historiography cultural and political studies produced in England and on the Continent over the last three centuries a composite image of Englishness emerges somewhere between centre and periphery tradition and innovation transience and timelessness rurality and urbanity commitment and isolation Englishness is thus revealed as a protean concept one which whether it is a historical or political construct a genuine emanation of a national desire or a simulacrum retains its fascination and this volume offers keys to understanding its diverse expressions **Martin Amis** Richard
