That You Might Have Life Studies In John's Gospel And The Epistles Of John:

Studies in John's Epistles George Findlay, 2024-06-23 Foreword by Cyril J Barber Findlay describes in practical terms how Christians can enter into and remain in the blessings of rest and fellowship **The Gospel of John** Francis Moloney, 2005-06-01 Recognized as an innovative interpreter of the Gospel of John for decades Francis J Moloney has approached the sacred literature in a way that attends both to the details of the text and to the several contexts that gave life to the original story This text and context approach continues to enrich the reading and interpretation of the Gospel in today's world Gospel of John Text and Context gathers Francis Moloney's key studies on John's Gospel written over the course of his career The three sections of the work comprise studies of Johannine history theology and research exegetical studies ranging across all parts of the Johannine narrative and an exploration of how the Fourth Gospel came to be understood as sacred Scripture Life-study of the Epistles of John and Jude Witness Lee, 2023-09-27 John's writings are complementary to the entire divine revelation This means that the writings of John complete the Bible His Gospel completes the Gospels his Epistles complete the Epistles and his Revelation completes the whole Bible In the Life study of the Epistles of John Witness Lee emphasizes the outstanding matters in these Epistles in relation to the economy of God Some of these matters include the divine life and its fellowship the anointing the divine birth and the divine seed the walk in truth and in love and the encouragement of the fellow workers in the truth In the Life study of Jude Witness Lee shows from Jude's Epistle the genuine contending for the faith and the believers living in the Triune God issuing in their full enjoyment of Him **A Theology of John's Gospel and Letters** Andreas J. Kostenberger, 2015-04-28 A Theology of John's Gospel and Letters introduces the first volume in the BTNT series Building on many years of research and study in Johannine literature Andreas Kostenberger not only furnishes an exhaustive theology of John's Gospel and letters but also provides a detailed study of major themes and relates them to the Synoptic Gospels and other New Testament books Readers will gain an in depth and holistic grasp of Johannine theology in the larger context of the Bible D A Carson Trinity Evangelical Divinity School says about Kostenberger's volume that for the comprehensiveness of its coverage in the field of Johannine theology Gospel and Letters there is nothing to compare to this work I Howard Marshall University of Aberdeen writes This book is a first in many ways the first volume that sets the pattern for the quality and style of the new Biblical Theology of the New Testament series published by Zondervan the first major volume to be devoted specifically to the theology of John's Gospel and Letters at a high academic level and the first volume to do so on the basis that here we have an interpretation of John's theology composed by an eyewitness of the life and passion of Jesus The Biblical Theology of the New Testament Series The Biblical Theology of the New Testament BTNT series provides upper college and seminary level textbooks for students of New Testament theology interpretation and exegesis Pastors and discerning theology readers alike will also benefit from this series Written at the highest level of academic excellence by recognized experts in the field the BTNT series not only offers a comprehensive

exploration of the theology of every book of the New Testament including introductory issues and major themes but also shows how each book relates to the broad picture of New Testament theology 1-3 John Thomas Andrew Bennett, 2021-04-15 The letters from John written to churches at the end of the first century CE possess meaningful theological insight for Christians today in a sense they were written for us Working from this standpoint Thomas Andrew Bennett keeps historical speculation to a minimum and delves into the theological depths of 1 3 John in this commentary He begins by providing a new translation of the text from the Greek along with verse by verse exegesis and then moves into an extended reflection on a litany of relevant theological topics including questions of trinitarianism creation faith atonement eschatology salvation the nature of divine and human love and the composition of the church In these pages readers challenged by Johannine metaphors walking in the light children of God etc will find clarity and pastors will find detailed guidance for teaching and preaching Bennett's scholarship is critical but confessional academic but accessible and above all rooted in a faithful reverence that seeks not to read 1 3 John as a detached outsider to the text but as the author's fellow believer so that the text's theological concerns can be spoken to once again in a fresh and compelling way **Introduction to Biblical Studies** James E. Smith, Ph.D, 2012-09-07 An introduction to the basic tools and vocabulary for biblical research together with a chronological overview of the entire Bible Designed as an introductory course for Freshmen in Bible college Research assignments included *The Publishers' Trade List Annual* ,1985 **The Stem Cell Epistles** Michael A. Buratovich, 2013-08-20 Human embryos it has been said have no muscles nerves digestive system feet hands face or brain they have nothing to distinguish them as a human being and if one of them died no one would mourn as they would for one of us Consequently early human embryos are being dismembered in laboratories around the world to produce embryonic stem cells which we are told are the tools that will lead to the next quantum leap in medicine Should Christians support such small sacrifices for something that might potentially relieve the suffering of millions or should we vigorously oppose it Developmental biologist and professor of biochemistry Michael Buratovich was asked such a question among others by his students This book contains his measured answers and provides support from the scientific literature to substantiate his claims He shows that embryonic stem cells are unnecessary since the renaissance in regenerative medicine is occurring largely without them Furthermore he sets forth the scientific and historic case that the embryo is the youngest and most vulnerable member of humanity and that ones such as these are precisely those whom the Christian church worked to protect in the past and should champion in the present **That You Might Believe - Study on the Gospel of John** Robert L. Deffinbaugh, 2002 There are certain books of the Bible that just seem to stand out and the Gospel of John is surely one such book It is frequently the first book of the Bible we encourage non Christians to read in the hope that its message will lead them to faith in Christ After all that is the purpose of the book See John 20 31 For Christians the Gospel of John is a source of much truth about our Lord and the Gospel But it is much more than that It is an opportunity for us to follow Him as

we read and to identify with the disciples as their knowledge of Him continues to expand It is our opportunity to get to know the heart of the Savior and to fellowship with Him through His Word If men of old found their hearts set on fire as they listened to Him teach in person Luke 24 32 so we will find our hearts warmed as we seek to listen to Him through this Gospel I challenge you to join me in making the Gospel of John the subject of your study May God use it to help you see and serve Jesus Christ as the Lamb of God who takes away the sin of the world John 1 29

New Studies in Textual Interplay B. J. Oropeza, Craig A. Evans, Paul T. Sloan, 2020-10-15 This volume features a body of work selected by Craig A Evans B J Oropeza and Paul T Sloan designed to examine just what is meant by intertextuality including metalepsis and the controversial and exciting approach known as mimesis Beginning with an introduction from Oropeza that orients readers in a complex and evolving field the contributors first establish the growing research surrounding the discipline before examining important texts and themes in the New Testament Gospels and epistles Throughout these essays critically evaluate new proposals relating to intertextuality and the function of ancient Scripture in the writings that eventually came to comprise the New Testament With points of analysis ranging from multidimensional recontextualization and ancient Midrash in the age of intertextuality to Luke s Christology and multivalent biblical images this volume amasses cutting edge research on intertextuality and biblical exegesis

100 Stand-Alone Bible Studies Penelope Wilcock, 2013-03-25 These studies provide a bridge for people to find their place in the Bible story Designed to be used individually they can also be followed thematically with twenty five studies on Bible characters twenty lessons from the life of Jesus five studies from the Law and Prophets and more Each double page spread has a Bible passage supporting commentary a series of questions and a prayer Have fun with these outlines writes Pen Wilcock May your home be a place of friendship somewhere people can learn to love the Lord Jesus a safe place to become more self aware and awake to the beauty and the vulnerability of their fellow pilgrims

Thiselton on Hermeneutics Anthony C. Thiselton, 2006 Hermeneutics is an interdisciplinary study of how we interpret texts especially biblical texts in the light of theories of understanding in philosophy meaning in literary theory and of theology This volume brings together the seminal thought of a leading contemporary pioneer in this field Thiselton s The Two Horizons was a classic on how horizons of biblical texts engage creatively with the horizons of the modern world The author s later New Horizons in Hermeneutics explored still more deeply the transforming capacities of biblical texts while his massive commentary on 1 Corinthians interpreted an epistle This volume collects many of Anthony Thiselton s more notable writings from some seven books and 70 articles to which he adds his own re appraisals of earlier work It uniquely expounds the thought of a major contemporary British theologian through his own words and includes his own critical assessments

Studies in the Life of Christ Rory C. Foster,Rupert Clinton Foster,1995 This work offers a comprehensive study in the life of Christ from book preface *Life-Study of 1, 2, & 3 John, Jude* Witness Lee,2003 *Topical Bible Studies* David Lendway,2019-08-19 This book is Volume I of three volumes containing a collection of Bible topics allowing the reader to easily identify and with little or no effort commit to memory exactly what God expects of them from within His written Word Although this will not necessarily bring about the reader s ability to remember precisely where each of these topics appears in the Bible s book chapter and verse it will after reading enough of these topics make their daily Bible reading much easier and so much more enjoyable due to their new found understanding The reader will also discover when studying topic by topic they will remember the subject matter much better than when these particular subjects flew by them at lightning speed while reading along in their Bible These self contained Bible studies work for everyone It doesn t matter where one stands in their faith or how much they know about the Bible these studies will work For those who are well rooted in the Word these studies will work for them as a review those who own an average understanding of God s Word will be able to use these studies not only as a review but also for learning something that God has said and they had previously missed Those who know very little about the Word of God will be able to learn a great deal from these topical studies since they are self contained and require no explanation because all commentary is backed up with book chapter and verse from the inspired Word of God Those who know nothing about the Word and are seeking to learn about God the Father God the Son God the Holy Spirit their salvation and the existence of this spiritual world they have heard so much about will now be able to learn straight from His Word right in the comfort of their living room whatever it is they want to know **Studies in the Deeper Life** E. W. Kenyon,2025-07-15 This outstanding Bible study course by legendary teacher E W Kenyon was written to lead Christians into a deeper walk with the Master Profound scriptural truths are presented in a simple and easy to understand manner As it

takes you through the pages of the Bible you will begin to see who you are in Christ what He has done for you and your standing before God the Father An ideal study for both groups or individuals Kenneth Forbes: or, Fourteen Ways of Studying the Bible. ... Sixth edition [With plates.] Kenneth FORBES, 1869 *Jousting with John* Adele Reinhartz, 2024-12-30

The Gospel of John is a book that tantalizes and disturbs in equal measure Its sublime imagery makes spirits soar Its positive portrayal of women such as the Samaritan woman the Bethany sisters and Mary Magdalene tickle the imagination when it comes to the roles of women in the early church Its disparagement of the Jews however reverberates through the long history of anti Judaism and antisemitism to this very day Adele Reinhartz has been one of the foremost interpreters of the Gospel of John for the past thirty years and more This volume contains a selection of her essays on the Fourth Gospel originally published from 1991 to 2020 The collection focuses on four major themes Essays on Gender consider the Gospel's portrayal of female characters its christological use of female imagery and the possibility of reading social history into or out of the Fourth Gospel Essays on the Jews explore the representation of the ioudaioi and respond to approaches employed by scholars to address the fraught question of anti Judaism The section on Method includes essays that apply different approaches such as trauma theory postcolonial theory and literary and rhetorical criticism to issues in Johannine studies The final section on Ethics considers ethics from two perspectives the ethical stance s that a reader brings to her reading of John and the question of whether the Gospel portrays Jesus as an ethical actor
