That Cowboy From Burro Creek:

That Cowboy from Burro Creek Grace Neal,1992 **The Trails of John Lovelace** Patrick H. Boles,2014-10-11 The old ranch hand sitting at the campfire in Burro Creek s canyon talked of finding a fire ring with several running irons scattered around it He remarked that he had heard that old Johnny Loveless had been pretty handy with a running iron That was the first I had heard of Johnny Loveless It was late October 1984 and it was my first trip to Burro Creek as part of my job working with ranchers to manage rangeland in that part of Arizona Afterwards on the various ranches in that part of north central Arizona I would frequently hear other stories about this cowboy who had become a folk hero I soon set out to find the man behind the stories and to sort out the stories that were true from those that had been told in jest during the man s lifetime but were now also being retold as true John Lovelace was born in Texas in 1894 and as a boy jumped aboard a train to find adventure By 1931 his trail had led him to Burro Creek Canyon and there he remained until a stroke in the late 1950s forced him to leave During that time his neighbors on various sides of his Burro Creek Ranch came and went but John Lovelace stayed It wasn t just a ranch to him it was home This book gathers the stories about John Lovelace separates truth from fiction and in the process discovers the real person behind them while getting to know his country **Arizona Herstory** Dee Strickland Johnson,2003 Accounts of Arizona history and lore related in verse COWBOY Homecoming Nikki Malone,2024-05-28 Heartache Heros And an unexpected homecoming In the quiet sun kissed pine woods of East Texas he was known simply as Jack Cahill the rugged cowboy with dreams of becoming a Hollywood star Now his dreams have come true He should be happy but regret leaves a bitter taste when he realizes that the bright lights he sought pale in comparison to the one woman his heart can t let go The trouble was she d turned down his proposal and ordered him out of town Cassie Cooper is hanging on by a thread Her widowed father has dementia her twin brothers are a handful and she s running their bankrupt ranch solo until her older brother comes home from deployment overseas And to top that off Hollywood Cowboy Jack Cahill is coming home for a visit She should have told him about Drew when she d first found out she was expecting but she didn t want him to come home because of the baby She wanted him to stay because of her Cassie and Jack must confront the choices they made and the love that never truly faded Cassie s hidden secret has become a ticking time bomb and as the truth unravels they must grapple with the consequences of their actions all those years ago Can they rewrite their story turning unanswered questions into lasting promises or is it too late to turn back time **Cyprus Bagdad Copper Corporation Proposed Tailings and Waste Rock Storage Areas** ,1995 Livestock Management in the American Southwest Roy Jemison,Carol Raish,2000 Grazing land use history and grazing systems of the southwest Range ecosystems Economic social and cultural aspects of livestock production and management Research and information needs and conclusions *Placer Gold Deposits of Arizona* Maureen G.
