Finding Christ Through Social Media: Year One #A365DayJourney to Learning How to Walk with God
#TruthwithGrace Lea Michelle Johnson,2017-03-16 A nonfiction daily devotional with a twist This is a story of a stay at home mother who was forgetting how to put God first in her day This led to much struggle as God should be number one but in going with the busy ways of the world it s far too easy to forget how to see God in each new day Lea Michelle s journey shows that walking with God is not something that is learned overnight It takes great practice to learn how to be in the world but not of it It takes a good solid year 365 days to build a lifelong routine of knowing how to make Christ a part of your day each and every day It takes a year to discover how to never lose sight that the Holy Spirit gives us our daily bread and walks

stadium Gashi's storytelling prowess shines through as he vividly depicts the emotional struggles of a young boy growing up in the face of adversity. The narrative spans the years from 1979 to 1991, detailing the protagonist's travels to various cities in the former Yugoslavia including Sarajevo, Zenica, Dubrovnik, Sibenik, Split, Zadar, Rijeka, and Ljubljana. The heart of *The Invited Guest* rests on universal themes that resonate with readers of all ages and backgrounds. Gashi skillfully weaves a story that explores the dichotomy of light and darkness in life, delivering a powerful message about the human spirit's ability to endure and overcome challenges. Despite the protagonist's mother's initial reluctance to see her son leave home, Adem Gashi's narrative portrays the young boy's growth and independence, challenging society's expectations and norms. The book encourages readers to reflect on the complexities of life, love, victory, and loss, fostering a deeper understanding of the human experience. *The Invited Guest* is now available on major online platforms including Amazon and Barnes & Noble, inviting readers to start a touching journey through the pages of this extraordinary novel based on a true story. Adem Gashi brings us a part of the life of his generation in the early nineties of the last century, when the youth of Kosovo experienced drama and persecution. The space of life's paths stretches from Pristina and closes in Vienna. The book is a pleasure to read not only for the abundant information and the emotions it prompts but also because it reflects a world that comes and goes because of globalization, first and then for many other reasons in different periods that we don't undertake to unfold here. When I was leaving Kosovo, I said to myself: My dear homeland, I found you with many wounds. I'm leaving you full of pain. I'm taking a piece of the pain with me; maybe the wound will be easier for you, my dear Kosovo. In the homeland, even the snow is warm, but in the foreign soil, even the sun's rays freeze. The character of the real Albanian unfolds on every page of the book and emerges through the actions and thoughts of the characters. Therefore, the author emphasizes that some qualities are most appreciated in a person. Let us not merely exist to satisfy our physical needs, neglecting the enrichment of our inner selves. Don't make people regret knowing you, but make them regret losing you. Let's become encouraging people, not critics, to point out the good and remove the tears from the eyes of others. Under no circumstances should we cause a tear to flow from someone's eye. We can only be happier when we have one less tear in this life and one more smile in the world. People can never change the truth, but the truth can always change people. The world is full of good people, and if you can't find one of them, then be one of those so that someone will find you.
