About the Book Seems like sometimes a feller has ta write bout stuff that coulda been mighta been shoulda been probably didn t happen but would be funny if it did happen So that s what the tall tales in this book are all about Ya see it all started out while attending New Mexico State University from 1962 through 1965 I spent quite a bit of time with a fellow agriculture student named Baxter Black I reminisce on the times Bax and I sat together in the Ag Building caf and told tall tales and made up nonsense yarns In 1965 I graduated and went on to pursue a Master of Science of Agriculture degree and Bax left for Colorado State University to pursue a Veterinary Medicine degree Baxter later left veterinary practice and made a career writing tall tales and cowboy poetry One of his major writings was an article named On the Edge of Common Sense which appeared in many newspapers and agricultural publications Eventually I worked for USDA and wrote a similar article called Over the Edge for the agency I believe both of these articles were inspired by the many times we sat at the Ag Building caf and spun these humorous stories I kept all the stories I wrote and after many years of pressure from friends and family to publish these stories of the adventures of me n Ol Joe I finally agreed So here to share with you is a collection of these humorous tall tales about two bumbling old cowboys and the not much brighter ranch owner who somehow went OVER THE EDGE About the Author Born in 1943 Mark Finley lived in San Angelo TX until 1958 when his family moved to New Mexico Through high school and college at New Mexico State University he worked part time on ranches and competed in and clowning rodeos to earn his way through college After earning both Bachelor and Master of Science Degrees in Agriculture he worked as a feedlot cowboy in Red Rock AZ then managed ranches in Southeastern New Mexico before beginning an Agricultural Management Specialist career with USDA He later earned two appraisal accreditations with the American Society of Farm Managers and Rural Appraisers and became a USDA Chief Appraiser for Arizona and Hawaii After retiring from USDA he opened his own appraisal business specializing in farms ranches and commercial ag properties In 2022 he retired from appraising and began composing Cowboy Poetry and Humorous Cowboy Stories He makes his home with his wife Maggie in Willcox Arizona *Planet Cat* Sandra Choron, Harry Choron, Arden Moore, 2007 Presents more than four hundred lists on various information on cats including cat breeds training and behavior as well as such topics as famous cats in history cat food recipes and gifts for pampered cats **Screen World Presents the Encyclopedia of Hollywood Film Actors: From the silent era to 1965** Barry Monush, 2003 Applause Books For decades Screen World has been the film professional s as well as the film buff s favorite and indispensable annual screen resource full of all the necessary statistics and facts Now Screen World editor Barry Monush has compiled another comprehensive work for every film lover s library In the first of two volumes this book chronicles the careers of every significant film actor from the earliest silent screen stars

Chaplin Pickford Fairbanks to the mid 1960s when the old studio and star systems came crashing down Each listing includes a brief biography photos from the famed Screen World archives with many rare shots vital statistics a comprehensive filmography and an informed entertaining assessment of each actor s contributions good or bad In addition to every major player Monush includes the legions of unjustly neglected troupers of yesteryear The result is a rarity an invaluable reference tool that s as much fun to read as a scandal sheet It pulsates with all the scandal glamour oddity and glory that was the lifeblood of its subjects Contains over 1 000 photos *Walt Disney Presents That Darn Cat* Mildred J. Gordon, Gordon Gordon, 1965 **New York Magazine** , 1997-03-03 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *Everybody's Talkin'* Barry Monush, 2009 The movies of the 1960s ran the gamut from glossy studio product to a less linear and less inhibited style of filmmaking It was the decade during which censorship codes were demolished and the studio contract system fell apart Every genre was strongly represented from domestic dramas to spectacles musicals soap operas and westerns Some of the most diverse daring colourful outrageous and enduring of all motion pictures were released from 1965 to 1969 Screen World editor Barry Monush tells the reader why his top selections stood out among the other releases of those five years The text is accompanied by illustrations of movie ads tie in book covers soundtrack albums sheet music and other oddities In addition each film s entry includes a plot synopsis the opening date the studio and a creative staff and cast listing From *The Sound of Music* to *Alfie* In the Heat of the Night to *The Lion in Winter* Bob Carol Ted Alice to *Planet of the Apes* *Easy Rider* and *Midnight Cowboy* here is a pop culture feast for film buffs and all fans of that interesting point in time that was the late 1960s **Walt Disney, from Reader to Storyteller** Kathy Merlock Jackson, Mark I. West, 2014-12-12 Walt Disney best known as a filmmaker had perhaps a greater skill as a reader While many would have regarded Felix Salten s *Bambi* and Carlo Collodi s *Pinocchio* as too somber for family oriented films he saw their possibilities He appealed to his audience by selecting but then transforming familiar stories Many of the tales he chose to adapt to film became some of the most read books in America Although much published research has addressed his adaptation process often criticizing his films for being too saccharine or not true to their literary sources little has been written on him as a reader what he read what he liked his reading experiences and the books that influenced him This collection of 15 fresh essays and one classic addresses Disney as a reader and shows how his responses to literature fueled his success Essays discuss the books he read the ones he adapted to film and the ways in which he demonstrated his narrative ability Exploring his literary connections to films nature documentaries theme park creations and overall creative vision the contributors provide insight into Walt Disney s relationships with authors his animation staff and his audience

Forbidden Animation Karl F. Cohen, 2013-10-18 Tweety Bird was colored yellow because censors felt the original pink made the bird look nude Betty Boop's dress was lengthened so that her garter didn't show And in recent years a segment of Mighty Mouse was dropped after protest groups claimed the mouse was actually sniffing cocaine not flower petals These changes and many others like them have been demanded by official censors or organized groups before the cartoons could be shown in theaters or on television How the slightly risqué gags in some silent cartoons were replaced by rigid standards in the sound film era is the first misadventure covered in this history of censorship in the animation industry The perpetuation of racial stereotypes in many early cartoons is examined as are the studios' efforts to stop producing such animation This is followed by a look at many of the uncensored cartoons such as Lenny Bruce's Thank You Mask Man and Ralph Bakshi's Fritz the Cat The censorship of television cartoons is next covered from the changes made in theatrical releases shown on television to the different standards that apply to small screen animation The final chapter discusses the many animators who were blacklisted from the industry in the 1950s for alleged sympathies to the Communist Party **New York Magazine**, 1997-02-24 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea
