That Great Lucifer Margaret Irwin, 1969 *That Great Lucifer* Margaret Irwin, 1962 *That Great Lucifer. A Portrait of Sir Walter Raleigh, Etc. [With Portraits.]* Margaret Emma Faith IRWIN, 1962 Walter Raleigh's "History of the World" and the Historical Culture of the Late Renaissance Nicholas Popper, 2012-10-30 Imprisoned in the Tower of London after the death of Queen Elizabeth in 1603 Sir Walter Raleigh spent seven years producing his massive History of the World Created with the aid of a library of more than five hundred books that he was allowed to keep in his quarters this incredible work of English vernacular would become a best seller with nearly twenty editions abridgments and continuations issued in the years that followed Nicholas Popper uses Raleigh's History as a touchstone in this lively exploration of the culture of history writing and historical thinking in the late Renaissance From Popper we learn why early modern Europeans ascribed heightened value to the study of the past and how scholars and statesmen began to see historical expertise as not just a foundation for political practice and theory but as a means of advancing their power in the courts and councils of contemporary Europe The rise of historical scholarship during this period encouraged the circulation of its methods to other disciplines transforming Europe's intellectual and political regimes More than a mere study of Raleigh's History of the World Popper's book reveals how the methods that historians devised to illuminate the past structured the dynamics of early modernity in Europe and England **The Life of Sir Walter Raleigh** Edward Edwards, 1868 **The Two Walter Raleighs** Fred B. Tromly, 2018-12-10 Sir Walter Raleigh's biographers have given little attention to his tragic relationship with his son Wat Walter They began in proud identification each seeing himself in the other But after the father's political downfall and imprisonment for treason he lost his authority in the family and the son began to reject paternal advice and his studies and to engage in violent quarrels and duels Often the father used his influence to rescue his son from his rash acts Things came to a head after Wat was sued by a young woman for violent assault and imprisoned The aged Raleigh had been freed from the Tower to lead an expedition to Guiana and as recently discovered documents reveal he delivered his son from the law by commissioning him as a captain on his flagship ominously named the Destiny In a shared tragedy Wat was killed in a skirmish and the grieving Raleigh returned to England broken in spirit and ready for the execution that awaited him **Sir Walter Raleigh** Ruth Padel, 2010-08-19 In this series a contemporary poet selects and introduces a poet of the past By their choice of poems and by the personal and critical reactions they express in their prefaces the editors offer insights into their own work as well as providing an accessible and passionate introduction to some of the greatest poets of our literature Sir Walter Raleigh poet scholar soldier and explorer travel writer historian and favourite courtier of Queen Elizabeth I was born in Devon around 1552 knighted in 1584 imprisoned twice in the Tower of London where he wrote his History of the World and executed in 1618 Many famous poems attributed to him like The Passionate Man's Pilgrimage may not actually be his But like the many poems written to him by the Queen and others they testify to what Raleigh stood for in the Elizabethan age as a

poet and a man **Who Killed Sir Walter Raleigh?** Richard Dale,2011-07-31 For 400 years the true story behind Sir Walter Raleigh's downfall his conviction for high treason and his eventual beheading has been shrouded in mystery Was he deliberately set up by the brilliant but untrustworthy Sir Robert Cecil Why did his friend Lord Cobham denounce him at his trial And how could this towering figure of the Elizabethan age be accused of conspiring with his old enemy Spain to overthrow the king In *Who Killed Sir Walter Raleigh* Richard Dale draws on his legal background to unravel the extraordinary plots and intrigues that marked the last months of Elizabeth's reign and the first weeks of James's succession In the bitter struggle for position wealth and royal favour only the most ruthless and devious could hope to win but would the dwarfish hunchbacked Cecil eventually prevail over the swashbuckling Raleigh And in the eyes of posterity who was the real victor

Literary and visual Raleigh Christopher Armitage,2016-05-16 This collection of essays by scholars from Great Britain the United States Canada and Taiwan covers a wide range of topics about Raleigh's diversified career and achievements Some of the essays shed light on less familiar facets such as Raleigh as a father and as he is represented in paintings statues and in movies others re-examine him as poet historian as a controversial figure in Ireland during Elizabeth's reign and look at his complex relationship with and patronage of Edmund Spenser A recurrent topic is the Hatfield Manuscript in Raleigh's handwriting which contains his long unfinished poem *The Ocean to Cynthia* usually considered a lament about his rejection by Queen Elizabeth after she learned of his secret marriage to one of her ladies in waiting The book is appropriate for students of Elizabethan Jacobean history and literature Among the contributors are well-known scholars of Raleigh and his era including James Nohrenberg Anna Beer Thomas Herron Alden Vaughan and Andrew Hiscock [The Biography Book](#) Daniel S.
