**The Search for Negotiated Peace** David S. Patterson, 2012-09-10 The First World War was an epic event of huge proportions that lasted

over four years and involved the armies of more than twenty nations resulting in 30 million casualties including more than 8 million killed. Set against the backdrop of this massive carnage, *The Search for Negotiated Peace* is the gripping story of the events that moved high profile American and European citizens, particularly women, into the international peace movement. This small transatlantic network put forth proposals for changing the international system of negotiation. They supported non annexationist war aims and attempted to discredit nations' secret diplomacy, militarism and narrowly nationalistic practices. Instead, they wanted to develop a new diplomacy. David Patterson skillfully develops the interactions of many of the notable leaders of the movement, including Jane Addams, Aletta Jacobs and Rosika Schwimmer, into an absorbing narrative that brings together the various strands of women's history, international diplomatic history and peace history for the first time. *The Search for Negotiated Peace* is an essential read for anyone interested in the social history of World War I and the foundations of citizen activism today.

*The Parliamentary Debates* Great Britain. Parliament, 1902      *Memoranda* Liberal Unionist Association, 1902

**No Place For a Lady** Ann Harries, 2013-01-03 It is big and it is clever. Harries writes with verve and intelligence. *The Times* A fine piece of writing, subtle and never sentimental. *Daily Mail* A sweeping story of love and tragedy, it is packed with unforgettable characters. *Choice* A thrilling and sweeping novel from the award winning author of *Manly Pursuits*. The Boer War is razing South Africa to the ground. In the midst of these horrors are three women fighting for love, survival and justice: Sarah, an angelically beautiful nurse from England; Louise, her madcap friend and the dynamic campaigner; Emily Hobhouse. As their dramas unfold, so too does the history of the war, the events that turned what was intended to be a quick annexation of the Boers into a protracted, savage conflict. In this compelling novel, with its unforgettable characters, Ann Harries brings South Africa's colonial past vividly alive.

Victorian high society's most daring equestrienne finds love and an unexpected ally in her fight for independence in the strong arms of London's most sought after and devastatingly handsome half Indian tailor. Evelyn Maltravers understands exactly how little she's worth on the marriage mart. As an incurable bluestocking from a family tumbling swiftly toward ruin, she knows she'll never make a match in a ballroom. Her only hope is to distinguish herself by making the biggest splash in the one sphere she excels on: horseback. In haute couture. But to truly capture London's attention, she'll need a habit maker who's not afraid to take risks with his designs and with his heart. Half Indian tailor Ahmad Malik has always had a talent for making women beautiful, inching his way toward recognition by designing riding habits for Rotten Row's infamous Pretty Horsebreakers, but no one compares to Evelyn. Her unbridled spirit enchants him, awakening a depth of feeling he never thought possible. But pushing boundaries comes at a cost, and not everyone is pleased to welcome Evelyn and Ahmad into fashionable society. With obstacles spanning between them, the indomitable pair must decide which hurdles they can jump and what matters most: making their mark or following their hearts.
