That Sweet and Savage Land Emma Drummond, 1992      *The wild man at home: or, Pictures of life in savage lands* James Greenwood (journalist.), 1878      **Stirring Scenes In Savage Lands** James Greenwood, 2023-09-03 Excerpt Stirring Scenes in Savage Lands An Account of the Manners Customs Habits and Recreations Peaceful and Warlike of the Uncivilised World At first sight it would seem hard to show a greater anomaly than an unthinking instinct obeying nation of savages consenting to be controlled and governed by a fellow barbarian equally unthinking and morally powerless and the said 2 anomaly is the more striking when the savage is viewed as the vulgar view him as a free born child of nature intolerant of rule and guided in all his behaviour by certain instinctive high souled sentiments and vast powers of mind that require only cultivation to fit their possessor for the achievement of all that ever was yet successfully attempted by man This however is very far from the fact Without doubt and as we have only to refer back to our own ancient barbarism to be convinced the germ of perfect manhood lies in every savage but like the ore of gold and iron the true metal lies deep and to free it from dross and make its lustre apparent is a process neither easy nor rapid Again like golden ore in which the precious deposit shows here and there with a sheen that undoubtedly reveals its presence does the savage s mind manifest its existence in fitful flashes and glimmerings that alas only reveal to him what a helpless wretch he is and what a terribly responsible thing is life with children and wife and all its other precious belongings and which in an instant may be spilt and vanish like a capsized gourd of water      **Savage Lands** Clare Clark, 2010-10-04 The author of *In the Full Light of the Sun* treats the founding of French Louisiana with her signature dark realism and beautiful handling of character Library Journal Praised by Hilary Mantel Amanda Foreman and the New York Times Book Review for her verve and intelligence and the originality of her imagination Clare Clark has become a rising star in historical fiction Elisabeth is among twenty three girls who set sail from France for the new colony of Louisiana to be married to strangers Although she has little hope for happiness in her new life she finds herself passionately in love with her new husband Jean Claude a charismatic and ruthlessly ambitious soldier But betrayal is as much a part of the new world as the old and when Elisabeth finds herself deceived by her husband she also finds herself bound to a poor cabin boy in a way she never anticipated Clark creates a world that is both incredibly real and incredibly dazzling And with the same compelling prose and vividly realized characters that won her widespread acclaim for *The Great Stink* and *The Nature of Monsters* she takes us deep into the heart of colonial French Louisiana It is well told and well paced with an easy narrative flow The story offers strong personalities and a complicated interesting plot stretching over a couple of decades set in an unfamiliar truly exotic place and era The Guardian Clark s vast store of historical and geographical detail enriches the portraits of her three vibrant characters whose destinies are inextricably and memorably bound Booklist

**Stirring Scenes in Savage Lands** James Greenwood, 1879      **Three Novelettes** Margaret Lake, 2014-02-06 Sweet Savage Charity Plymouth Colony 1621 Within months of stepping off the Mayflower Charity Williams buried her husband

Within hours she was told whom she would marry But Charity has other ideas Aided by the Wampanoag brave she meets in the forest she plans to defy the governor the council and the whole colony Of Love and War July 4 1943 John Jameson is home from the war The Fourth of July has always been his favorite holiday but now he finds himself alone on the boardwalk in his New Jersey home town It seems like everyone he knew is either off to war or working in the factories producing the armaments of war Along comes Julie to offer him a cold drink Happy to have someone to spend the day with especially one so young and beautiful he accepts her invitation for a backyard picnic He has no idea what is behind Julie s seemingly innocent invitation He has no idea that the afternoon will force him to face what he has lost and find his heart at last Only In My Dreams Delia Cummings isn t dissatisfied with her life She doesn t think she has a life to be dissatisfied with She works in a bakery decorating cakes and bagging up rolls and pastries Her husband Charlie as often as not falls asleep in front of the TV Her children are grown and married with not even a hint of a grandchild to give her purpose After nearly thirty years of marriage and little to show for it Delia is tired just plain tired And it is only in her dreams that she begins to find a reason to go on living
