That We May Join Earth And Heaven:

The Preacher in Print. Second Series. The Golden Lectures ... 1853-56 Henry Melvill, 1854 **The Conclusion of the New Testament (6)** Witness Lee, In the Lord's recovery during the past five hundred years the church's knowledge of the Lord and His truth has been continually progressing This monumental and classical work by Brother Witness Lee builds upon and is a further development of all that the Lord has revealed to His church in the past centuries It is filled with the revelation concerning the processed Triune God the living Christ the life giving Spirit the experience of life and the definition and practice of the church In this set Brother Lee has kept three basic principles that should rule and govern every believer in their interpretation development and expounding of the truths contained in the Scriptures The first principle is that of the Triune God dispensing Himself into His chosen and redeemed people the second principle is that we should interpret develop and expound the truths contained in the Bible with Christ for the church and the third governing principle is Christ the Spirit life and the church No other study or exposition of the New Testament conveys the life nourishment or ushers the reader into the divine revelation of God's holy Word according to His New Testament economy as this one does *The Ministry of the Word, Vol. 26, No. 4: Chapters Five through Eight of Romans - the Kernel of the Bible (2)* Various Authors, 2022-05-30 This issue of The Ministry of the Word contains Messages 9 through 16 given during the fall 2021 term of the full time training in Anaheim California as the continuation of the general subject Chapters Five through Eight of Romans the Kernel of the Bible The sixteen messages in this term focus on Romans 5 and 6 while future messages will focus on Romans 7 and 8 The eight messages of the April 2022 issue draw from Witness Lee's understanding of Romans 5 and 6 in his earlier ministry The eight messages of this issue present a further understanding of Romans 5 and 6 based on the latter part of his ministry in which Brother Lee emphasized the matters of being saved in life and reigning in life 5 10 17 In life indicates that both being saved and reigning are related to the organic aspect of God's complete salvation which is the fulfillment of God's salvation through the life of Christ for the believers to be transformed and to grow and mature in the life of God Brother Lee thus began to speak about God's salvation in life in a brand new way especially in view of the great diamond of God's eternal economy In his earlier ministry Brother Lee spoke about our being saved in life from particular items such as worldliness Satan sin and death In the latter part of his ministry he saw that organic salvation is our deification a process that includes regeneration feeding sanctification renewing transformation building conformation and glorification and that results in our becoming God in life and nature but not in the Godhead The goal of organic salvation is the building the corporate expression of the Triune God in Christ through the church the mingling of God with man and the enlargement and expansion of God The secret of all the experiences of God's organic salvation and the building of God is the Spirit with our spirit that is the consummated Spirit being and working together with the believers created and regenerated spirit Romans further reveals that the believers need to reign in life over all things for the Body life cf 8 17 29 12 5 By experiencing grace upon grace the believers reign in life not

only over sin death and Satan but even over all things To reign in life is to conquer subdue and rule over Satan the world sin the flesh ourselves and all the environmental circumstances and to subdue all kinds of insubordination The issue of our reigning in life living under the ruling of the divine life is the real and practical Body life expressed in the church life 16 1 4 5 16 The Announcements section at the end of this issue contains a list of upcoming conferences and trainings hosted by Living Stream Ministry and a website link for information related to similar events in Europe

government of God It is Christ who enables us to take God's governmental dealings administered through sufferings As we live the Christian life under the government of God we experience the pneumatic Christ as the Shepherd of our souls who oversees our inward condition caring for the situation of our inner being our mind emotion and will and our problems needs and wounds restoring our soul and giving rest to our soul so that we may have the full enjoyment of Him In Message 14 we see that Christ as the faithful Witness of God the testimony and expression of God is for the testimony of Jesus the church as the corporate expression of the Triune God As such the church is the reproduction of the testimony and expression of God in Christ The testimony of Jesus is the seven golden lampstands The golden lampstand symbolizes the Triune God the Father as the substance is embodied in the Son the Son as the embodiment is expressed through the Spirit the Spirit is fully realized and expressed as the churches and the churches are the testimony of Jesus Hence the seven golden lampstands are the enlarged corporate expression of the Triune God In Message 15 we see that Christ is the Lamb whom the firstfruits the living overcomers follow The firstfruits are the earliest among God's crop to reach maturity and will be raptured to the house of God in Zion for God's satisfaction and enjoyment In order for us to follow the Lamb and go on to maturity to become the firstfruits we must walk with God by faith to escape death and obtain the testimony of being well pleasing to God In Message 16 we see the Lamb God on the throne within the holy city The throne of God and of the Lamb is the center of the New Jerusalem Out of the throne of the Lamb God flows the river of water of life When we are under Christ's kingship headship lordship and authority we enjoy the river of water of life and the tree of life The highest point in our spiritual experience is having a clear sky with God's throne above it to reach this point means that we allow God to have the preeminence in everything and are completely submissive to His authority and administration In Message 17 we see the ultimate revelation of Jesus Christ and the vision of the enthroned Christ as the Administrator in God's universal government As those who seek to know Christ and experience Him we have not only Christ but also the revelation of Jesus Christ The book of Revelation unveils a vision of the enthroned Christ as the Administrator in God's universal government Christ is the center of God's administration according to God's eternal economy In His economy God administers the universe to fulfill His purpose The unveiling of God's universal administration shows that the will the purpose of God in His creation is to have an eternal habitation the New Jerusalem for His satisfaction and expression The Lord Jesus has been enthroned to execute God's governmental administration in the universe The Announcements section at the end of this issue contains a list of upcoming conferences and trainings hosted by Living Stream Ministry and a website link for information related to similar events in Europe
