 and there is an Old Science There is an Old Traditional form of Religion and there is a New form of Spirituality There is
 Quantum Physics the New Science Epigenetics the New Biology an Old Psychology and a New Psychology Spiritual or
 Transpersonal Psychology Each of these New forms tell us of a world very different from that in which we have presumed to
 live There are realms of reality and impacts on our genes bodies and behaviors never before understood The messages that
 emerge in the Old and in the New are very different There is an Old Traditional Jesus that is tied to dogma rules rituals
 notions of separation and exoteric practices that neglect and distort the true message of Jesus There is a New Jesus who is
 the Original Jesus that you find in his esoteric inner messages like the Jesus you find in A Course In Miracles This is a Jesus
 whose focus is on the heart and the psychology of human nature the human mind and on human behavior His true message
 was on what is within and it is one of transformation and awakening to our Transcendent Self our true inner nature People
 who have Spiritually Transformative Experiences discover that their bodies or their personalities are not who they are They
 discover the essence of what it was that Jesus was teaching Some of his teachings about our true inner nature or
 Transcendent Self include the following Our Source is a Loving Essence You are a powerful spiritual being living in a physical
 body You and your Consciousness are immortal and eternal There is a realm of reality beyond the material universe All that is
