Saverio,2011-04-01 Writing has taken over my life in a good way My thoughts continually are geared towards my next song Sometimes I get a few lines in my head when I am driving and I have to pull over the car and write them down No matter where I am I get the urge to write I could be talking to a neighbor or be in the middle of mass at church and a word or phrase will pop into my head and whoa a new song is born More than anything I love love love the peace of mind songwriting allows me to have Most of my lyrics take me 15 to 30 minutes to write There was a time when I was writing 6 8 lyrics in a day Sometimes I would sit there and stare at my pencil asking why did you stop I swear at times the pencil kept moving like I wasn't even thinking of what to write This is my first edition I hope to continue with future editions as I am still writing new songs everyday Someday I hope to put my lyrics to my own music and I recently started taking piano lessons Hey we all know life is a learning process a learning curve we need to experience the turns with the ride I wish you all success with this book and look forward to seeing some of you with me when it comes to award times **Teenage Shooters**

Travis Barrett,2008-06 Teenage Shooters is about Freddy Louche s world Who is Freddy Louche If you asked him he would tell you that he is an all American teenage loser who lives in a neighborhood populated by gangbangers and bullies He hates school because the classes are boring and many of the students are intimidators But there are three things Freddy loves his skateboard his video games and his father His skateboard is a Serial Killer which sports an image of Charles Manson In a strange way Freddy never feels alone when he is riding Manson who is also his protector at least until that fateful night when Freddy s life begins to rapidly unravel Resident Evil is Freddy s favorite video games because in the world of survival horror he can defend himself against the zombies and other monsters that remind him of the cretin bullies who hang out in the corridors of his school and the thugs that roam the streets of his city a city that is in many ways like Raccoon City which was also an all American city until the walking dead and other beasties took control of its streets Freddy s father is the one adult Freddy can always depend upon Unfortunately Mr Louche like the school authorities and the police cannot protect his son from the thugs and bullies who constantly harass him Thus a time finally comes when Freddy and his loser friends must take on their tormentors **Anna Florence**

Critical Praxis Research Tricia M. Kress,2011-08-17 Critical Praxis Research CPR is a teacher research methodology designed to bridge the divide between practitioner and scholar drawing together many strands to explain the research process not just as something teacher researchers do but as a fundamental part of who teacher researchers are Emphasizing the researcher over the method CPR embraces and amplifies the skills and passions teachers naturally bring to their research endeavours Emerging from the tradition of critical pedagogy Critical Praxis Research Breathing New Life into Research Methods for Teachers transcends longstanding debates over quantitative vs qualitative and scholar vs practitioner research The text examines the histories and current applications of common methodologies and re conceptualizes the ways that these methodologies can be used to enhance teachers identities as practitioners and researchers It also provides a critical examination of the role of Institutional Review Boards and explores the complexity and ethics of data collection data analysis and writing Through guiding questions and writing prompts the author encourages readers to think through the process of design and conducting CPR The text is theoretically rich but written in an accessible style infused with metaphor irony and humour Critical Praxis Research Breathing New Life into Research Methods for Teachers is both instructive and uplifting sending the message that research is difficult but also joyful like life itself **A False Idol**
