*The Acts and Monuments of John Foxe* John Foxe, 1837      Life Long Juan Diaz, 2014-04-14 In this book I am writing about all the illegal and wrong things that I did from the year 1986 that I was 16 years old forward I talk about the time I spent in prison which was from 1989 until 2005 just for the reader to see the inside of how people in prison live and do I also wrote about the time after prison that I got involved in Medicare scamming and it is an insight on how people were thinking at that time and how they were doing it Everything I am writing in this book is to give the reader an insight of how everything was done and it's all true      **The Devil'S Disciple** Frank J. Strobels, 2013-03-21 When author Frank Strobels returned from Vietnam he felt as if he had used up a great deal of his personal life force during that year He worked very hard that year physically mentally and emotionally and experienced almost every feeling known to man at a very high intensity *The Devil's Disciple* Different Sides of War presents a compilation of his experiences in Vietnam exploring this intensity and recalling the speed with which events moved during his time there Strobels missions during wartime were not for the faint of heart His experiences helped him to understand that war has an impact beyond just the fighting involved There are people young and old affected by war They lived in the villages that he visited as part of his tour of duty In some of his experiences he talks about the children he met in the villages of Vietnam and their love for American bubble gum Using hand signals and an occasional interpreter he was able to communicate with some of the children and older people in the villages learning about them and about their lives In *The Devil's Disciple* Strobels shares his personal experiences during one of the most challenging wars the United States has fought      Funny True Stories And Some That Are Serious Buy\$ c.a. lindsay, 2014-11-04 A life long writer's story told with satire historical information 1950s present and poignant vignettes Jokes about government mismanagement and ineptitude along with the author's successful political position where she shut down a local city commission are told The book includes humorous art and descriptions of changing technology      **The Canadian Magazine** J.
