Thats What A Friend Is:

That's What a Friend Is P. K. Hallinan, 1981-12 Describes friendship in rhymed text and illustrations *That's what a Friend is*, 1975 A story in rhyme in which a small boy describes the joys of having a friend **Aristotle on Friendship** Geoffrey Percival, 2015-04-09 Originally published in 1940 this book contains an expanded English translation of Books 8 and 9 of Aristotle's *Nicomachean Ethics* These two books are devoted to a discussion on the nature of friendship and the role it played in Greek life and Percival supplies an introduction with a background to the subject of ancient friendship prior to Aristotle's formulation This book will be of value to anyone with an interest in ancient friendship or the philosophy of Aristotle *The Collected Dialogues of Plato* Plato, 1961-10-01 The Platonic Forms of the Platonic dialogues Rebecca Newberger Goldstein author of *Plato at the Googleplex* A landmark one volume edition of the complete Plato in classic translations This is a classic one volume edition of all the writings of Plato generally considered to be authentic The editors Edith Hamilton and Huntington Cairns chose the contents from the work of the best modern British and American translators The volume contains prefatory notes to each dialogue by Hamilton an introductory essay on Plato's philosophy and writings by Cairns and a comprehensive index with cross references to assist the reader with the philosophical vocabulary of the different translators **The Anthropology of Friendship** Sandra Bell, Simon Coleman, 2020-08-20 Friendship is usually seen as a vital part of most people's lives in the West From our friends we hope to derive emotional support advice and material help in times of need In this pioneering book basic assumptions about friendship are examined from a cross cultural point of view Is friendship only a western conception or is it possible to identify friends in such places as Papua New Guinea Kenya China and Brazil In seeking to answer this question contributors also explore what friendship means closer to home from the bar to the office and address the following Are friendships voluntary Should friends be distinguished sharply from relatives Do work and friendship mix Does friendship support or subvert the social order How is friendship shaped by the nature of the person gender and the relationship between private and public life How is friendship affected when morality is compromised by self interest This book represents one of the few major attempts to deal with friendship from a comparative perspective In achieving this aim it demonstrates the culture bound nature of many assumptions concerning one of the most basic building blocks of western social relationships More importantly it signposts the future of social relations in many parts of the world where older social bonds based on kinship or proximity are being challenged by flexible ties forged when people move within local national and increasingly global networks of social relations **Petrarch and St. Augustine** Alexander Lee, 2012-03-02 Despite the high regard in which Francesco Petrarca 1304-74 held St Augustine scholars have been inclined to view Augustine's impact on the content of Petrarch's thought rather lightly Wedded to the ancient classics and prioritising literary imitation over intellectual coherence Petrarch is commonly thought to have made inconsistent use of St Augustine's works Adopting an entirely fresh approach however this book argues that Augustine's early writings consistently provided

Petrarch with the conceptual foundations of his approach to moral questions and with a model for integrating classical precepts into a coherent Christian framework As a result this book offers a challenging re interpretation of Petrarch s humanism and offers a provocative new interpretation of his role in the development of Italian humanism **Mark Twain and Male Friendship** Peter Messent,2009-10-30 This book explores male friendship in America in the late nineteenth and early twentieth centuries through Mark Twain and the relationships he had with William Dean Howells Joseph Twichell and Henry H Rogers **Multireligious Reflections on Friendship** Laura Duhan-Kaplan,Anne-Marie Ellithorpe,Hussam S.
