The 1970s Scrapbook

Graeme Were, Jonathan C. H. King

The 1970s Scrapbook:

The 1970s Scrapbook, 2004 Full of pop punk and personalities The 1970s Scrapbook sways through this energetic era on platform shoes to the beat of glamrock and disco mania [Remember the 70s](#) Derek Tait, 2018-03-30 From Bohemian Rhapsody and David Bowie to Star Wars and Watergate the history of an unforgettable era that rocked and discoed the world The 1970s was one of the most exciting innovative and colorful decades of the twentieth century It was ten years of major events in music Freddie Mercury The Sex Pistols The Carpenters and Blondie film Jaws Dirty Harry The Godfather and Saturday Night Fever television The Mary Tyler Moore Show All in the Family Benny Hill and The Waltons and politics Richard Nixon Margaret Thatcher and Jane Fonda It was also a time of social change the women s movement and gay rights and unforgettable nutty trends orange shag carpets bell bottoms platform shoes and wing collared shirts From home life and fashions to entertainment sports headlining making crimes and pioneering new technologies Remember the 70s is a fabulous record of a chaotic pivotal loud and revolutionary era For those who lived through it and for those who just heard about it historian Derek Tait who came of age in it and has the photos to prove it offers fascinating insights truths and reflections into a dazzling pop culture turning point that resonates to this day [Outreach](#) Kate Theimer, 2014-05-22 Outreach Innovative Practices for Archives and Special Collections explores how archives of different sizes and types are reaching out to new potential users and increasing awareness of programs and collections The book features twelve case studies that demonstrate ideas that can be transferred into many other settings Some of the practices described in the case studies rely primarily on technology and the Web to interact with the public while others are centered on face to face activities The case studies featured are The Oregon Archives Crawl Engaging New Users and Advocates Moved by the Spirit Opportunistic Promotion of the Hamilton Family S ance Collection Working Within the Law Public Programming and Continuing Education Staying Connected Engaging Alumni and Students to Digitize the Carl Pappy Fehr Choral Music Collection Pin pointing Success Assessing the Value of Pinterest and History pin for Special Collections Outreach Creating a New Learning Center Designing a Space to Support Multiple Outreach Goals Wikipedia is made of people Revelations from Collaborating with the World s Most Popular Encyclopedia 21 Revolutions New Art from Old Objects Happy Accidents and Unintended Consequences How We Named Our Tribble Navigating Nightingale Creating an App Out of Archives DIY History Redesigning a Platform for a Transcription Crowdsourcing Initiative Taking Preservation to the People Educating the Public About Personal Digital Archiving All twelve case studies look at outreach as identifying the organization s intended audience building new ways of reaching them and helping the organization achieve its mission Each also reflects a philosophy of experimentation that is perhaps the most critical ingredient for any organization interested in developing its own innovative practices This volume will be useful to those working in archives and special collections as well as other cultural heritage organizations and provides ideas ranging from those that require long term planning and coordination to those that could be

immediately implemented It also provides students and educators in archives library and public history graduate programs a resource for understanding the variety of ways people conduct outreach in the field today and the kinds of strategies archivists are using to attract new users to collections

The Altered Book Scrapbook Susan Ure,2006 Presents step by step instructions for turning existing books into personal inspired scrapbooks that reflect different themes and meanings with tips for every stage of the process

Shopping as Comedy: A Victorian Scrapbook Alexis Easley,2024-05-09 This volume is a critical edition of a Victorian scrapbook composed of cuttings from advertising images from the 1880 s These images are arranged in hand drawn domestic spaces and embellished with watercolour details At the foot of each page is a handwritten running text written by an unknown Victorian author that provides a narrative to explain the accompanying images The album also includes four original short stories interspersed by twenty three vignettes which like advertisements in a magazine echo and reinforce themes in the surrounding content The album highlights issues of concern to women at the fin de si cle romance marriage shopping and house decoration The satirical commentary on late Victorian shopping and commodity culture provides a fascinating insight into the interests and responses of consumers during this period The volume will be of great interest to students and scholars of literary and advertising history

William S. Burroughs Cutting Up the Century Joan Hawkins,Alex Wermer-Colan,2019-05-17 This definitive book on Burroughs decades long cut up project and its relevance to the American twentieth century including previously unpublished works William S Burroughs s Nova Trilogy The Soft Machine Nova Express and The Ticket That Exploded remains the best known of his textual cut up creations but he committed more than a decade of his life to searching out multimedia for use in works of collage By cutting up folding in and splicing together newspapers magazines letters book reviews classical literature audio recordings photographs and films Burroughs created an eclectic and wide ranging countercultural archive This collection includes previously unpublished work by Burroughs such as cut ups of work written by his son cut ups of critical responses to his own work collages on the Vietnam War and the Watergate scandal excerpts from his dream journals and some of the few diary entries that Burroughs wrote about his wife Joan William S Burroughs Cutting Up the Century also features original essays interviews and discussions by established Burroughs scholars respected artists and people who encountered Burroughs The essays consider Burroughs from a range of perspectives literary studies media studies popular culture gender studies post colonialism history and geography A landmark in scholarship Choice

The Kinks Carey Fleiner,2017-03-01 Emerging from the same British music boom that birthed the Beatles and the Rolling Stones Dave and Ray Davies s band the Kinks became one of England s most influential groups Remembered best for such singles as You Really Got Me Lola and Sunny Afternoon the Kinks produced 24 studio albums between 1964 and 1996 The Kinks prolific and varied catalog have made them both a mirror of and a counterfoil to nearly five decades of British and American culture The Kinks A Thoroughly English Phenomenon examines the music and performance of this quintessentially English band and shows how aspects of everyday life such as

work play buying a house driving a car drinking tea getting drunk and getting laid affected and shaped their creative output Through an investigation of their music lyrics and image Carey Fleiner shows how the Kinks reflected both the ordinary and the absurd sometimes confronting topics with anger and sometimes with self deprecating humor The Kinks follows the band s trajectory more or less chronologically and explores themes such as growing up in post war Britain the packaging and exploitation of the British Invasion bands satire and self consciousness sexuality and gender bending social and political pessimism the comforts of family and the effects of fame and fandom Fleiner s investigation into the influences on and impact of the Kinks music takes readers on an engaging adventure through the musical culture of the 60s 70s and 80s revealing how the Kinks created an undeniable sound and image that still attracts new followers today

Canadian Carnival Freaks and the Extraordinary Body, 1900-1970s Jane Nicholas,2018-05-04 In 1973 a five year old girl known as Pookie was exhibited as The Monkey Girl at the Canadian National Exhibition Pookie was the last of a number of children exhibited as freaks in twentieth century Canada Jane Nicholas takes us on a search for answers about how and why the freak show persisted into the 1970s In Canadian Carnival Freaks and the Extraordinary Body 1900 1970s Nicholas offers a sophisticated analysis of the place of the freak show in twentieth century culture Freak shows survived and thrived because of their flexible business model government support and by mobilizing cultural and medical ideas of the body and normalcy This book is the first full length study of the freak show in Canada and is a significant contribution to our understanding of the history of Canadian popular culture attitudes toward children and the social construction of able bodiness Based on an impressive research foundation the book will be of particular interest to anyone interested in the history of disability the history of childhood and the history of consumer culture

Rethinking the American Environmental Movement post-1945 Ellen Spears,2019-06-28 Rethinking the American Environmental Movement post 1945 turns a fresh interpretive lens on the past drawing on a wide range of new histories of environmental activism to analyze the actions of those who created the movement and those who tried to thwart them Concentrating on the decades since World War II environmental

historian Ellen Griffith Spears explores environmentalism as a field of movements rooted in broader social justice activism. Noting major legislative accomplishments, strengths and contributions as well as the divisions within the ranks, the book reveals how new scientific developments, the nuclear threat and pollution as well as changes in urban living spurred activism among diverse populations. The book outlines the key precursors, events, participants and strategies of the environmental movement and contextualizes the story in the dramatic trajectory of U.S. history after World War II. The result is a synthesis of American environmental politics that one reader called both ambitious in its scope and concise in its presentation. This book provides a succinct overview of the American environmental movement and is the perfect introduction for students or scholars seeking to understand one of the largest social movements of the twentieth century up through the robust climate movement of today.

Historical Research, Creative Writing, and the Past Kevin A. Morrison, Pálvi Rantala, 2023-07-12

Although historical research undertaken in different disciplines often requires speculation and imagination, it remains relatively rare for scholars to foreground these processes explicitly as a knowing method. *Historical Research, Creative Writing and the Past* brings together researchers in a wide array of disciplines including literary studies and history, ethnography, design, film and sound studies who employ imagination, creativity or fiction in their own historical scholarship or who analyze the use of imagination, creativity or fiction to make historical claims by others. This volume is organized into four topical sections related to representations of the past: textual and conceptual approaches, material and emotional approaches, speculative and experiential approaches, and embodied methodologies, and covers a variety of temporal periods and geographical contexts. Reflecting on the methodological, theoretical and ethical underpinnings of writing history creatively or speculatively, the essays situate themselves within current debates over epistemology and interdisciplinarity. They yield new insights into historical research methods including archival investigations and source criticisms while offering readers tangible examples of how to do history differently.

The Laughing Librarian Jeanette C. Smith, 2014-01-10

Despite the stodgy stereotypes, libraries and librarians themselves can be quite funny. The spectrum of library humor from sources inside and outside the profession ranges from the subtle wit of the *New Yorker* to the satire of *Mad*. This examination of American library humor over the past 200 years covers a wide range of topics and spans the continuum between light and dark, from parodies to portrayals of libraries and their staffs as objects of fear. It illuminates different types of librarians: the collector, the organization person, the keeper, the change agent, and explores stereotypes like the shushing little old lady with a bun, the male scholar librarian, the library superhero and the anti-stereotype of the sexy librarian. Profiles of the most prominent library humorists round out this lively study.

The NFL in the 1970s Joe Zagorski, 2016-07-19

The 1970 merger between the American Football League and the National Football League laid the foundation for a stronger brand of gridiron competition, providing a new level of excitement for fans. This book examines each year of the NFL's pivotal decade in detail, covering the great names, great rivalries and great games as well as the key changes in both strategy and rules. Along the way

the author explains how pro football developed into a near religious American tradition *Encyclopedia of Women's Folklore and Folklife* Pauline Greenhill, Liz Locke, Theresa A. Vaughan, 2008-12-08 From the stone age to the cyber age women and men have experienced the world differently Out of a cosmos of goddesses and she devils earth mothers and madonnas witches and queens saints and whores a vast body of women s folklore has come into bloom International in scope and drawing on more than 130 expert contributors this encyclopedia reviews the myths traditions and beliefs central to women s daily lives More than 260 alphabetically arranged entries cover the lore of women across time space and life Students of history religion and spirituality healing and traditional medicine literature and world cultures will value this encyclopedia as an indispensable guide to women s folklore In addition there are entries on women s folklore and folklife in 15 regions of the world such as the Caribbean Central Asia the Middle East and Western Europe Entries provide cross references and cite works for further reading and the encyclopedia closes with a selected bibliography of print and electronic resources Students learning about history world cultures religion and spirituality healing and traditional medicine and literature will welcome this companion to the daily life of women across time and continents Originals Jeanette R. Lynton, 2009 Title on accompanying CD ROM Originals card confidence program template CD **Wishes** Jeanette R. Lynton, 2010-05 Paper crafting trendsetter and best selling author of Cherish Scrapbook Layouts Made Beautifully Simple Jeanette R Lynton carries on the art of handmade heartfelt personal correspondence with Wishes Fall in Love with Cardmaking The stunning companion to Originals Handcrafted Cards Made Easy this book contains 109 patterns portrayed in more than 200 greeting cards invitations and announcements touching on themes and occasions such as Mother s Day Father s Day Christmas Hanukkah New Year s Halloween congratulations gratitude celebration and just because Wishes includes Jeanette s innovative Card Workshops which show you how to make up to 16 cards using just a few sheets of paper Plus you ll find dozens of Jeanette s tips and techniques for creating the eye catching details that make each handmade card extra special Jeanette R Lynton founder and CEO of Close To My Heart one of the largest direct selling paper crafting and scrapbooking companies in the industry has frequently spearheaded trends in the burgeoning paper crafting scrapbooking arena Jeanette s many contributions have made paper crafts more fun and accessible than ever before and her creative influence continues to bring a vibrant breath of beauty to the art of preserving memories and honoring relationships She lives near Salt Lake City *Michigan Memories* , 2005 MUYBRIDGE: THE EYE IN MOTION Stephen Barber, 2013-10-27 All contemporary visual culture can be traced directly back to the work of Eadweard Muybridge 1830 1904 whose prolific and inspirational experiments in moving image photography animation and projection shattered the boundaries of how images and human bodies are perceived Muybridge s work had a pivotal twentieth century influence on artists such as Francis Bacon but that work s impact is only now being fully experienced in the era of digital culture Muybridge s work is powered by an extreme obsessionality excess and itinerancy that enabled him to negate all preconceptions and to re conceptualise

from zero the dynamics of corporeal and urban forms Above all Muybridge envisioned the origins of cinema by creating a moving image projector the Zoopraxiscope for his sequences of human and animal movement and by constructing the first identifiably cinematic space for his images projection to spectators In this innovative and ground breaking book based on extensive primary research into Muybridge s personal archive and projection devices Stephen Barber analyses his work principally through the extraordinary medium of Muybridge s own Scrapbook a multi dimensional and unprecedented memory book created in the final years of his life which illuminates both the preoccupations behind his role in cinema s origins and his work s seminal prefiguring of the digital world

Vacationland William Philpott, 2013-08-30 Winner of the Western Writers of America 2014 Spur Award for Best Western Nonfiction Contemporary Mention the Colorado high country today and vacation imagery springs immediately to mind mountain scenery camping hiking skiing and world renowned resorts like Aspen and Vail But not so long ago the high country was isolated and little visited Vacationland tells the story of the region s dramatic transformation in the decades after World War II when a loose coalition of tourist boosters fashioned alluring images of nature in the high country and a multitude of local state and federal actors built the infrastructure for high volume tourism ski mountains stocked trout streams motels resort villages and highway improvements that culminated in an entirely new corridor through the Rockies Interstate 70 Vacationland is more than just the tale of one tourist region It is a case study of how the consumerism of the postwar years rearranged landscapes and revolutionized American environmental attitudes Postwar tourists pioneered new ways of relating to nature forging surprisingly strong personal connections to their landscapes of leisure and in many cases reinventing their lifestyles and identities to make vacationland their permanent home They sparked not just a population boom in popular tourist destinations like Colorado but also a new kind of environmental politics as they demanded protection for the aesthetic and recreational qualities of place that promoters had sold them Those demands energized the American environmental movement but also gave it blind spots that still plague it today Peopled with colorful characters richly evocative of the Rocky Mountain landscape Vacationland forces us to consider how profoundly tourism changed Colorado and America and to grapple with both the potential and the problems of our familiar ways of relating to environment nature and place

Defining Print Culture for Youth Anne Lundin, Wayne A. Wiegand, 2003-05-30 Sponsored by the Center for the History of Print Culture in Modern America this volume features a selection of ten papers compiled from the Center s second national conference accompanied by a detailed introduction Presented by scholars from diverse backgrounds the essays center on the emerging interdisciplinary field of print culture They examine children s literature and related print materials from a cultural perspective and discuss the influence of ideological political and material factors on the reader Moreover the authors join a cultural debate over the nature of childhood in specific historical periods
