The 537 Am Destiny The Time Has Come:

Death Alice A. Bailey, 1985 With widespread publicity concerning the near death experience many people are now searching for a deeper understanding of death and the process of dying Esoteric teachings on the subtle bodies and their interrelationship have much to offer to those pondering on and researching the mystery of death Resurrection is the keynote of nature death is not Death is only the ante chamber of resurrection *The Mind of the Market* Michael Shermer, 2007-12-26 Bestselling author Michael Shermer explains how evolution shaped the modern economy and why people are so irrational about money How did we make the leap from ancient hunter gatherers to modern consumers and traders Why do people get so emotional and irrational about bottom line financial and business decisions Is the capitalist marketplace a sort of Darwinian organism evolved through natural selection as the fittest way to satisfy our needs In this eye opening exploration author and psychologist Michael Shermer uncovers the evolutionary roots of our economic behavior Drawing on the new field of neuroeconomics Shermer investigates what brain scans reveal about bargaining snap purchases and establishing trust in business He scrutinizes experiments in behavioral economics to understand why people hang on to losing stocks why negotiations disintegrate into tit for tat disputes and why money does not make us happy He brings together astonishing findings from psychology biology and other sciences to describe how our tribal ancestry makes us suckers for brands why researchers believe cooperation unleashes biochemicals similar to those released during sex why free trade promises to build alliances between nations and how even capuchin monkeys get indignant if they don't get a fair reward for their work Prophets and Kings—Illustrated Ellen G.
