The Abbot And The Dwarf Tales Of Wisdom From The Desert:

The Abbot and the Dwarf Derek Webster,1992-01-01 *The Wisdom of the Desert* ,1970 The Wisdom of the Desert was one of Thomas Merton s favorites among his own books surely because he had hoped to spend his last years as a hermit

Selected Works of D.T. Suzuki, Volume III Daisetsu Teitaro Suzuki,2016-08-02 Daisetsu Teitaro Suzuki was a key figure in the introduction of Buddhism to the non Asian world Many outside Japan encountered Buddhism for the first time through his writings and teaching and for nearly a century his work and legacy have contributed to the ongoing religious and cultural interchange between Japan and the rest of the world particularly the United States and Europe This third volume of Selected Works of D T Suzuki brings together a diverse collection of Suzuki s letters essays and lectures about non Buddhist religions and his thoughts on their relation to Buddhism as well as his reflections on the nature of religion itself Some of these writings have been translated into English for the first time in this volume As a long term resident of the United States a world traveler and a voracious consumer of information about all forms of religion Suzuki was one of the foremost Japanese mediators of Eastern and Western religious cultures for nearly seven decades An introduction by Jeff Wilson and Tomoe Moriya analyzes Suzuki s frequent encounters with texts and practitioners of many religions considers how events in Suzuki s lifetime affected his interpretations of Christianity Shinto and other traditions and demonstrates that his legacy as a scholar extends well beyond Buddhism Whitaker's Books in Print ,1998 Books In Print 2004-2005 Ed Bowker Staff,Staff

Bowker, Ed,2004 *The British National Bibliography* Arthur James Wells,1993 **Books in Print** ,1994 *Subject Guide to Children's Books in Print 1997* Bowker Editorial Staff,R R Bowker Publishing,1996-09 *Make Peace before the Sun Goes Down* Roger Lipsey,2015-05-19 A fascinating account of Thomas Merton s conflicted relationship with his abbot Dom James Fox by an esteemed modern Merton scholar In the 1950s and 60s Thomas Merton a monk of the Trappist monastery of Gethsemani in Kentucky published a string of books that are among the most influential spiritual books of the twentieth century including the mega best seller *The Seven Storey Mountain* He was something of a rock star for a cloistered monk and from his monastic cell he enjoyed a wide and lively correspondence with people from the worlds of religion literature and politics During that period he also explored and wrote extensively on Buddhism Sufism art and social action The man to whom he owed obedience in the cloistered life was a much more traditional Catholic his abbot Dom James Fox To say that these two men had a conflicted relationship would be an understatement but the tension their differences in orientation brought actually led to creative results on both sides and to a kind of hard won respect and love Roger Lipsey s portrait of this unusual relationship is compelling and moving it shows Merton in the years his imagination was taking him far beyond the walls of the monastery and eventually literally to Asia Living Celibacy Gerdenio Sonny Manuel,Gerdenio M. Manuel,2012 *Living Celibacy* presents five pathways toward promoting the psychosexual health of Catholic priests 1 Live close to God and one s deepest desires 2 Develop broad and deep interpersonal relationships and communities of support 3

Ask for love nurture others and negotiate separation 4 Cope with stress and recognize destructive patterns of behavior 5 Celebrate the holy The pathways are not a theology of celibacy nor do they explain why one chooses a celibate lifestyle Rather they describe how chastity is experienced and enacted what some of the opportunities and struggles might be and how the experience of celibacy can enrich priestly life and ministry Sensible thoughtful sane informed by real life examples and well grounded in both Catholic spirituality and contemporary psychology Living Celibacy will prove a valuable resource to all priests who seek to be loving celibate men Too often books on this important aspect of priestly life neglect the psychological dimensions of the celibacy view it only from a sacrificial point of view or rely on an overly abstract theology But as a longtime priest and professional psychologist Sonny Manuel brings a perspective on the celibate life that offers insights both spiritual and practical This is an ideal book for anyone from 4 first year seminarian to an experienced priest Book jacket
