**The Abduction** Billy St. John,1999      **THE ABDUCTION** Darrell Brantley,2025-03-11 The Abduction is the true story of a mother's quest to rescue her child from a parental kidnapping told from the point of view of one of the lawyers who represented her in the legal battle to regain custody Unfortunately the legal system proved ineffective in preventing the kidnapping and grossly deficient in mitigating the harmful effects of the abduction on the child Interwoven with many of the challenges facing the legal political system in a post truth era the story ends in a tragedy that should have been foreseen and possibly prevented and illuminates the devastating consequences of the systemic failures that produced such an unacceptable outcome This account of a mother's protracted battle with the legal system submits the need to rethink the legal analysis of and response to cases in which domestic violence and parental alienation are alleged including the proper role of judges hearing officers lawyers guardians ad litem counselors social workers and child support agencies in these difficult cases      **Theodore Boone: The Abduction** John Grisham,2011-11-10 Book 2 in the thrilling young mystery series from internationally bestselling author John Grisham When we last saw Theo Boone he ensured that justice was served by uncovering evidence that kept a guilty man off of the streets Hot off this high profile murder trial thirteen year old Theo is still dispensing legal advice to friends and teachers But just when it seems as if his life has calmed down and gone back to the status quo a new legal mystery comes to town and this time it's personal      *Knights of Emerald 07 : The Abduction* Anne Robillard,2017-03-24T00:00:00-04:00 Book 7 The Abduction A tragic loss shakes the Castle of Emerald setting off unexpected events Wellan inherits a powerful jewel while discovering Onyx has taken another human form Meanwhile his eldest Knights receive enchanted wristbands and lead patrols as Asbeth prepares to strike Despite Kira's powers the insect soldiers abduct a warrior to turn him into a deadly weapon Determined to stop the Emperor Wellan and a new ally launch the Knights most dangerous rescue mission yet Will they succeed      **The Abduction of Anne O'Donel** Paul B McNulty,2014-06-02 Eighteenth century Irish heiress ANNE O DONEL has attracted two suitors the elderly lawyer TIMOTHY BRECKNOCK and the dashing JASPER MARTIN Although she is in love with Jasper her father JUDGE O DONEL will not agree to the match When he decides that Anne must marry Brecknock she rebels and becomes secretly engaged to Jasper In an attempt to discredit him in Anne's eyes Brecknock accuses Jasper of philandering and when this does not succeed he orchestrates an attempt on Jasper's life Frustrated by his failure to woo Anne Brecknock lures her out of her house late at night using a letter forged with Jasper's signature Expecting to meet her lover Anne is abducted by four masked horsemen and taken to a remote island on Lough Conn She is held prisoner by the Mitchell family who are under threat of eviction should she escape Brecknock visits Anne on the island still believing he can persuade her to marry him He appeals to her intellect introducing her to the world of letters through stories of romance politics Evangelicalism and alchemy Believing that Jasper will find her Anne plays a dangerous game trying to convince Brecknock that his suit may have some hope while delaying her agreement

to marry him Despite Jasper s ceaseless searching time is running out for her Brecknock s increasingly irrational behaviour drives her to plan an escape from the island When this fails she persuades Mitchell s daughter SALLY to take a message to Jasper Incensed by her attempts to frustrate him Brecknock is determined to have Anne willingly or not Having finally rejected his proposal of marriage she prepares to fight for her virtue and perhaps her life The Abduction, Or, The Adventures of Major Sarney ,1825 **The Abduction; Or, The Adventures of Major Sarney. **The Hague Child Abduction Convention** Rhona Schuz,2014-07-18 International child abduction is one of the most emotionally charged and fascinating areas of family law practice The 1980 Hague Convention on the Civil Aspects of International Child Abduction was the response of the international community to the increase in the phenomenon of parental child abduction However behind the widely acclaimed success of this Convention which has now been ratified by more than 90 states lie personal tragedies academic controversy and diplomatic tensions The continuing steady flow of case law from the various Member States has resulted in the emergence of different approaches to the interpretation of key concepts in the Convention In addition over the years other global and regional legal instruments and the recommendations of the Special Commissions have had an impact on the implementation of the Convention This book brings together all these strands and provides an up to date clear and highly readable discussion of the international operation of the Abduction Convention together with in depth critical academic analysis in light of the objectives of the Convention and other relevant legal norms such as the 1989 UN Convention on the Rights of the Child Throughout the book examples are brought from case law in many jurisdictions and reference is made to relevant legal and social science literature and empirical research Over the past decade increasing focus has been placed on what might be seen as procedural issues such as separate representation for children undertakings judicial liaison and mediation The book analyses the significance of these developments and the extent to which they can help resolve the continuing tension between some of the objectives of the Convention and the interests of individual children This book will be essential reading for judges practitioners researchers students policy makers and others who are seeking a critical and informed analysis of the latest developments in international abduction law and practice From the Foreword by Brenda Hale Justice of the Supreme Court of the United Kingdom This book is as far as I am aware the first scholarly monograph to study the interpretation and application of the Convention across the whole legal space which it occupies and to critically assess these in light of the object and purposes of

the Convention and other relevant legal norms Cases are drawn from many jurisdictions to discuss how different countries interpret the Convention and links are made with relevant statistical social and psychological research in a thoughtful discussion of the significance of such material both to judicial decision making and to policy development a study which deserves to be read by anyone with an interest in the modern phenomenon of international child abduction whether judge practitioner policy maker parent researcher or scholar There is plenty for us all to think about
