Crowe, 2012-05-04 Detailed scholarly study examines the ideas that developed between 1750 and 1900 regarding the existence of intelligent extraterrestrial life including those of Kant Herschel Voltaire Lowell many others 16 illustrations The Abode of Life Lee Correy, Miller, 1984 **The Two Outcasts Of Eden** Kingsley Chinedum Obi, 2016-01-01 The story begins the age before the beginning of anything when everything was nothing when there was no heaven or earth time or space there was no God as there was nothing to rule It was the age when the Being called God was all alone but engorged with the Food He ate the Food which consisted of both Evil and Good of Light and Darkness The SUPREME BEING exists all alone before the beginning but is engorged with Food which He eventually separates into beings the Gods of Light first of whom is named YO through whom comes his betrothed a she man named EL SHEKINAH and zillions of other beings of light The same Food separates into His faecal waste which becomes Death through whom comes another set of beings the Gods of Darkness starting with LEVIATHAN all of whom are today called demons all of whom are later quartered in the large intestine of creation bathed in darkness called The EARTH awaiting the day of their defecation just like faeces that they are El Shekinah is given Earth to govern indeed a betrothal period but in matrices of cobwebs of events he becomes corrupt a corruption instigated by the Gods of Darkness a means by which they adopt him as their son And in a huge dose of rage for being spited by Yo El Shekinah leads the very first war of Darkness against Light which results into the destruction of the first Earth with its humans animals and vegetation which necessitates its recreation by Yo And so the praxis that the Biblical Adam named ISHI in this story is not the first man recreated and is not the one made in the image and likeness of the Gods is then explored This motif brews with the evidence that the White races are the first to be recreated they are the ones made in the image and likeness of the Gods attributes that are steeped in the ability to have everything in dominion the capacity to create things that are both useful and lethal and the propensity to multiply They are created by Yo but humanized by the great two Gods Yo the leader of Light and El Shekinah the evidence of which is seen today in the double helix of man's DNA structure being two serpents coiled upon a spine Ishi the Biblical Aadam is then formed as a baby but humanized all alone by Yo who instructs him to be the one to teach true righteousness and true worship to the Whites the rulers so they can rule in righteous royalty Ishi is given a she man which is named ISHA who is to be helpmeet to him and not a wife but he eventually makes her his wife El Shekinah enters into a sexual union with Isha while promising her a worldwide rulership and the resultant pregnancy becomes the biblical Cain who is named ODACHI Eventually Isha herself in keeping to the mandate given her by El Shekinah seduces Ishi into having sex with her in order to corrupt him and in order also to be a ruler sitting upon all men as she is promised by El Shekinah As an aftermath of sex with Isha Ishi is made to hear the consequences of his

action and is shown a vision in which he sees El Shekinah emblazoned in the night sky with arms outstretched and two legs joined together a quintessential Cross which depicts sun and moon worship the enigmatic symbol of false worship birthed in all religions through which El Shekinah deceives the whole world into false righteousness and false worship During this exposition he is also made aware of the falsehood that shall descend upon man such as the baking of truth and falsehood as Scripture in all religions people worshipping El Shekinah thinking they are worshipping God in all religions the virgin birth deception the false Jerusalem and false Israel deception the falsehood of one man being made to die for the sin of the whole world and so many others The story then cascades to its end with Yo allowing El Shekinah the lordship of Earth from thence till the end when Darkness just like Faeces becomes expelled a certainty also made known to Ishi by one of the sons of God

Life-study of John Witness Lee,2023-09-26 Although the language of the Gospel of John is simple this book is deep and profound In this life study Witness Lee shows that the Bible is a book of life and building and that the Gospel of John also is focused on life and building The Gospel of John reveals that in Christ the Word of God is life that He came that man may have life and that He Himself is life Furthermore this Gospel shows that Christ is the bread of life that He has the water of life that He gives life to man and that He even lives in man as life The Gospel of John also unfolds the divine building In 1 14 we see that Christ in the flesh was the tabernacle for God s habitation among men on earth In 2 19 21 Christ s human body was also the temple of God on earth Through His death His body in the flesh was destroyed and in His resurrection He raised up His mystical body the church to be the enlarged temple of God This is God s building in the universe Furthermore this Gospel reveals that the believers are to be built up to be the Father s house the dwelling place of the Triune God This is adequately and fully disclosed in John 14 According to that chapter all the believers will be built together as God s eternal habitation with many abodes Thus as the Lord s last prayer in John 17 indicates all His believers must be built up into one The first section of the Gospel of John composed of the first 13 chapters is on the coming of the Lord Jesus to bring God into man and to declare God to man The second section composed of the last eight chapters is on the Lord s going in death and coming back in resurrection to bring man into God and to abide in and with man for God s building
