Boel Westin, 2024-04-30 An in depth perceptive account of the unconventional life of the Moomins beloved creator now available in the United States Tove Jansson achieved fame as the creator of the Moomins beloved by generations of readers around the world Remarkably the Moomins were only part of the prodigious creative output of this Finnish Swedish writer and artist Jansson's work also includes short stories and five novels for adults as well as paintings murals and book illustrations In this acclaimed biography Boel Westin relies on numerous conversations with Jansson and unprecedented access to her journals letters and personal archives to present an engrossing and comprehensive review of the life and world

of Scandinavia's best loved author As Westin's meticulous research makes clear Jansson's artistic and literary works reflected what was most important to her the love of family and nature and the desire to pursue her art Guided by her personal motto Love and work Jansson seized both with uncompromising joy And while her romantic relationships with men proved unfulfilling she found those with women especially with her longtime partner the artist Tuulikki Pietil both grounding and inspiring Westin weaves together the many threads of Jansson's rich complex life an education interrupted to help her family the bleak war years and her emergence as a painter the decades of Moominmania across books newspaper comic strips merchandise and adaptations her later fictions including her popular *The Summer Book* and her time with Pietil on the solitary island of Klovharu Tove Jansson *Life Art Words* offers fans and admirers around the world the most complete portrait of the writer Philip Pullman described as a genius a woman of profound wisdom and great artistry *500 Walks with Writers, Artists and Musicians* Katherine Stathers, 2021-03-16 Explore the diverse cultural and historical legacy of the world's greatest writers artists and composers on foot This unique trans continental culture trip around the world presents a series of inspiring walks treks and hikes that vary between easy one hour strolls half day trails and multi day expeditions for people who love a walking holiday and are looking for a more immersive experience The book includes walks in easy to reach countryside areas national parks the wild and the great cities of the world From an urban Street Art Walking Tour of East London to a traverse through the Georgian melting pot city of Tbilisi to a literary themed Millennium Tour of Stieg Larsson's Stockholm Discover the World in 500 Walks with Writers Artists Musicians has all the inspiration and information you need to plan your next walking adventure **Crossing Textual Boundaries in International Children's Literature** Lance Weldy, 2011-01-18 As the first part of the title indicates my interest in looking at intertextuality and transformation still maintains a prominent place throughout this book as well If we believe that no text is an island then we will understand that the relationships between and within texts across the years become a fascinating place for academic inquiry I included the word boundaries into the title because we never get tired of voicing our opinions about texts which traverse relegated boundaries such as genre or medium Not only am I interested in discussing what these changes across boundaries mean socially historically and culturally but also what they mean geographically which accounts for the second part of my title I am very excited that this book will be placing even more emphasis on children's literature in an international scene than my first book did in the sense that I have added more scholars on an international level I hesitate to list the nationalities of all of the contributors here because quite a few have themselves crossed international boundaries in different ways by either studying abroad or finding permanent residency in foreign countries Nevertheless the writers have lived extensively in or identify as being from Australia Canada England Finland Germany Greece Iceland Ireland Israel Norway Spain Sweden Turkey the United States of America and Wales Introduction **Keywords for Children's Literature, Second Edition** Philip Nel, Lissa Paul, Nina Christensen, 2021-01-12 Introduces key terms global concepts debates and histories for Children's

they describe her immersion in art studies and her ascension to fame with the Moomins They speak frankly of friendship and love loneliness and solidarity and also of politics art literature and society They summon a particular place and time reflected through a mind finely attuned to her culture her world and her own nature all clearly put into biographical and historical context by the volume's editors both longtime friends of Tove Jansson and in the end draw a complex intimate self portrait of one of the world's most beloved authors      How Picturebooks Work Maria Nikolajeva, Carole Scott, 2013-02-01 How
