**Welcoming The Children** C. Truett Baker, 2010-09-23 The Christian Church has been welcoming the children in every generation since Jesus earthly life The early church and generations of Christians since would find expressions of care appropriate for their times to help needy families and dependent children This story is about how the Christian church with the major focus upon Arizona Baptist Children s Services ABCS has responded to the mandate of Jesus to welcome the children whose families have been crippled or absent To tell that story the writer has chosen to go back in time to create a context of historical examples What ABCS and other Christians are doing in the Year of Our Lord 2010 is little different than the experience of how the church responded to the needs of children in the first fifth or eighteenth centuries Only the methods have changed The methods have evolved from foster family care to specialized services for children and families These state of the art modern methods of care are described in detail This should be helpful and informative to social workers and others who work with troubled families and children in out of home care in a faith based context
