

The Abdication

Thomas Rutherford

The Abdication:

The Abdication Ruth Wolff,2002 **The Crown in Crisis** Alexander Larman,2025-08-22 The thrilling and definitive account of the Abdication Crisis of 1936 On December 10 1936 King Edward VIII brought a great international drama to a close when he abdicated renouncing the throne of the United Kingdom for himself and his heirs The reason he gave when addressing his subjects was that he could not fulfill his duties without the woman he loved the notorious American divorcee Wallis Simpson by his side His actions scandalized the establishment who were desperate to avoid an international embarrassment at a time when war seemed imminent That the King was rumored to have Nazi sympathies only strengthened their determination that he should be forced off the throne by any means necessary Alexander Larman's *The Crown in Crisis* will treat readers to a new thrilling view of this legendary story Informed by revelatory archival material never before seen as well as by interviews with many of Edward's and Wallis's close friends Larman creates an hour by hour day by day suspenseful narrative that brings readers up to the point where the microphone is turned on and the king speaks to his subjects As well as focusing on King Edward and Mrs Simpson Larman looks closely at the roles played by those that stood against him Prime minister Stanley Baldwin his private secretary Alec Hardinge and the Archbishop of Canterbury Cosmo Lang Larman also takes the full measure of those who supported him the great politician Winston Churchill Machiavellian newspaper owner Lord Beaverbrook and the brilliant lawyer Walter Monckton For the first time in a book about the abdication readers will read an in depth account of the assassination attempt on Edward's life and its consequences a first person chronicle of Wallis Simpson's scandalous divorce proceedings information from the Royal Archives about the government's worries about Edward's relationship with Nazi high command Ribbentrop and a boots on the ground view of how the British people saw Edward as they watched the drama unfold You won't be able to put down *The Crown in Crisis* a full panorama of the people and the times surrounding Edward and the woman he loved *The Fall of Tsarism* Semion Lyandres,2013-02-07 Reveals to the world for the first time a unique and hitherto undiscovered selection of interviews with leading participants in the February Revolution of 1917 representing the most significant contemporary testimony on the overthrow of Europe's last old regime **The Windsor Dynasty 1910 to the Present** Matthew Glencross,Judith Rowbotham,Michael D. Kandiah,2016-12-01 This book explores the recreation and subsequent development of the British Monarchy during the twentieth century Contributors examine the phenomenon of modern monarchy through an exploration of the establishment and the continuing impact of the Windsor dynasty both within Britain and the wider world to interrogate the reasons for its survival into the twenty first century The successes and failures of the dynasty and the implications of these for its long term survival are assessed from the perspectives of constitutional political diplomatic and socio cultural history Emphasis is placed on the use of symbols and tradition and their reinvention and public reactions to their employment by the Windsors including the evidence provided by opinion polls Starting with George V and including darker

times such as the challenge of the abdication of Edward VIII this collection considers how far this reign was a key transition in how the British royal family has perceived itself and its role through examination of the repackaging for mass consumption via the media of a range of state occasions from coronations to funerals as well as modernization of its relations with the military

Power and the Palace Valentine Low, 2025-09-11 Lively peppered with entertaining lines One of Low's skills as a journalist is an ability to sift through mountains of archive material and pick out the gems Telegraph Covering 200 years of royal history from Queen Victoria to King Charles and looking forward to the future reign of King William Power and the Palace is the gossip laden and highly revelatory account of the relationship between the sovereign and the prime minister the real story behind The Crown Power and the Palace lifts the lid on the mysterious power nexus at the heart of the British state the secretive and little understood relationship between the monarchy and the government In vivid page turning prose Valentine Low takes us behind the scenes of the weekly audience to uncover the ever changing dynamic between sovereign and prime minister from the romance and flattery that bound Victoria and Benjamin Disraeli to the personal and political gulf that separated Elizabeth II from Margaret Thatcher He reveals how the monarchy has gradually ceded political power over the past two hundred years while behind closed doors fighting to keep its finances secure ensuring the long term survival of the institution But it has not all been smooth sailing and the book includes moments of dramatic tension when the relationship threatened to unravel Based on nearly 100 interviews with senior politicians top civil servants royal aides and constitutional experts Power and the Palace rewrites our understanding of the political power of the monarchy

The Secret Son of Wallis Simpson Selina Molteno, 2022-09-02 This is the story of Joss de Wail who believed he was or at a huge stretch might have been the secret son of Wallis Simpson and King Edward VIII

The Manager's Pro and Con Sir John Saint Leger, 1710

The Parliamentary Debates (official Report). Great Britain. Parliament. House of Commons, 1917

On the Front Line of Life Stephen Leacock, 2004-11 In the last years of his life Leacock wrote informal essays blending humour with a conversational style about topics like education literature economics Canada's place in the world and the joys and sorrows of his life These passionate personal essays convey the message that only the human spirit can bring social justice peace and progress These essays reveal a personal Leacock conveying the message that only the human spirit can bring social justice peace and progress

The House of Windsor Andrew Roberts, 2000 Each of these lavishly illustrated books serves up a brief and manageable portion of the Fraser edited and much touted Lives of the Kings and Queens of England A set of six jewels for Fraser's crown
