who rejected the Church reforms of the mid seventeenth century and shunned contact with the Orthodox Church and that the point of bride theft where the bride was often a willing party often married secretly at night by an Orthodox priest acting illegally was to absolve the bride and her parents of the responsibility for engaging in a formal Orthodox ritual which Old Believers regarded as sinful The book also considers how bride theft originated much earlier in Russia and was a continuing tradition in some places and how all this fitted into the Russian peasant economy Throughout the book provides rich details of particular bride theft cases of Russian peasant life and of Russian folklore in particular bridal laments *Bought for the Harem* Anne Herries,2010-05-19 Thrown into a frightening and unfamiliar world after her capture by corsairs Lady Harriet Sefton Jones thinks help has arrived in the form of dashing Lord Kasim But it s out of the frying pan and into the fire Kasim may once have been an English nobleman but there is nothing noble about his intentions to purchase Harriet for his master the caliph s pleasure Harriet must resign herself to a life of enslavement But Kasim has a plan of his own charmed by Harriet s spirit and beauty he s determined to claim her for himself I Never Performed a Nude Wedding Naomi Cherny,Miriam Boucher,2000-05-29 book description Cherny has performed hundreds of ceremonies in the past 15 years Readers may find their own weddings described in this book In addition to the interesting and unusual weddings included the author gives advice on such subjects as allowing the photographer to take pictures during the ceremony determining the best age for children to participate in the procession deciding what to do when there is a death in the family shortly before the wedding date and dealing with feuding in laws Anyone who has ever been married in the past is married now contemplates marriage in the future or has ever attended a wedding will enjoy reading this book *Fugitive Countess* Anne Herries,2010-02-19 Young widow Marietta de Montcrief is fleeing for her life with the accusation of murder and witchcraft hanging over her head Innocent of any crime she must protect the birthright of her infant son It s not the first time dashing knight Anton of Gifford has rescued Marietta But gone is the carefree youth who first stirred her senses With their enemies closing in Anton will save Marietta only this time he won t lose his head or his heart over the fugitive countess The War on Sex Chad Denton,2014-11-19 From earliest times sex has fascinated and repulsed society in equal measure In an effort to untangle Western society s complex relationship with the realities of sex this provocative volume explores the ways in which governments religious leaders and cultures in Europe tried to regulate sex and sexuality throughout history From the sacred texts of ancient Israel to the slums of 19th century Britain this book explores political legal and cultural controls on consensual sex and the individuals and movements that resisted them Topics range from prostitution and homosexuality to marriage contraception and abortion While traditional narrative holds that Europe alternated between sexual freedom and oppression through the Victorian age this work reveals that the real story of how sex was regulated and how people defied regulation is not so clear cut **The Lore of Old Elfland** Linda Raedisch,2019-11-08 Folktales Stories Recipes and Crafts from the Lands of Elves and Faeries Stories of the elven tribes have been told throughout history and for some people in the
