

# The Aborigines

**Bain Attwood**

## **The Aborigines:**

**The Making of the Aborigines** Bain Attwood, 2020-07-31 Before 1788 the peoples of this continent did not consider themselves Aboriginal. They only became Aborigines in the wake of the British invasion. In this startling and original study Bain Attwood reveals how relationships between black Australians and European colonisers determined the hearts and minds of the indigenous peoples, making them anew as Aborigines. In examining the period after the killing times, this young historian provides new perspectives on racial ideology, government policy, and the rule of law. In examining European domination, he unravels the patterns of associations which were woven between European and Aborigine and shows the complex meanings and significance these relationships held for both groups. In this book, the dispossessed are not cast as merely passive victims; they appear as real characters, men and women who adapted to European colonisation in accordance with their own historical and cultural experience. Out of this exchange, the colonised created a new consciousness and began to forge a common identity for themselves. A story of cultural change and continuity, both poignant and disturbing in its telling, this important book is sure to provoke controversy about what it means to be Aboriginal. This intelligent and impeccably researched book seeks to advance our understanding of the story of white Aboriginal contact. It will be required reading for anyone working in the field.

Henry Reynolds: Colonisation is both destructive and creative of peoples. Recent historians have revealed the extensive destruction of black Australians and their cultures. But now Bain Attwood, in this finely crafted and highly original series of case studies, plots the complex human relations and historical forces that re-made these indigenous people into the Aborigines.

Richard Broome: *The Aborigines of Australia* Richard R.N. Sadleir, 2023-07-10 In *The Aborigines of Australia*, Richard R. N. Sadleir presents a meticulously researched exploration of the diverse cultures, languages, and historical narratives of Australia's Indigenous peoples. Written in an academic yet accessible style, the book effectively weaves together anthropological insights and historical accounts, contextualizing the profound impacts of colonization and cultural dislocation on Aboriginal societies. Sadleir's work stands as a critical contribution to the discourse on Indigenous rights and identity, set against the backdrop of Australia's socio-political landscape and postcolonial studies, calling for a reevaluation of misconceptions surrounding Aboriginal history and culture.

Richard R. N. Sadleir: an acclaimed anthropologist and historian draws from a rich background of engagement with Indigenous communities and academic institutions. His experiences in Australia, coupled with a commitment to social justice and cultural preservation, inform his deep understanding of the complex realities faced by Aboriginal people. His scholarly pursuits reveal not only a passion for Indigenous histories but also a relentless quest to amplify marginalized voices within historical narratives. This book is an indispensable resource for anyone seeking to deepen their understanding of Australia's Indigenous heritage. Scholars, students, and general readers alike will find Sadleir's insights not only enlightening but vital to fostering an appreciation for the resilience and richness of Aboriginal cultures.

**The Aborigines of Sakhalin** Werner Winter, Richard A.

Rhodes,2018-07-12 Volume 1 The Aborigines of Sakhalin contains translations into English of the Polish Russian and Japanese material on for example the history folklore economic life shamanism sexual life medical anthropology and the bear festival which has been published between 1898 and 1936 mainly in local journals which are hardly accessible today English French and German articles appear in the original language      *Notes on the Aborigines of New South Wales* R. H. Mathews,2021-04-11 R H Mathews *Notes on the Aborigines of New South Wales* is a seminal ethnographic work that captures the rich tapestry of Indigenous Australian cultures during the late 19th century Through meticulous observations and firsthand accounts Mathews explores the intricate social structures rituals and beliefs of the Aboriginal peoples presenting a blend of descriptive narrative and analytical insight He employs a scientific yet accessible literary style that reflects the period s burgeoning interest in anthropology and the natural sciences marking an essential contribution to the understanding of Indigenous identities against the backdrop of colonial encroachment As an early ethnographer and advocate for Aboriginal rights Mathews personal history deeply informed his work Born in 1850 he was notably engaged with Native Australian communities and was fervently interested in preserving their languages and traditions His commitment to documenting their ways of life emerged from a broader context of social activism as he sought to counteract the destructive forces of colonization that threatened to erase Indigenous cultures *Notes on the Aborigines of New South Wales* is not just a repository of knowledge it is a clarion call for recognition and respect towards Australia s First Peoples It is highly recommended for scholars students of anthropology and anyone interested in the complex narratives of Indigenous Australia Reading Mathews work provides invaluable insight into the resilience and richness of Aboriginal cultures affirming their significance in both historical and contemporary contexts      *The Aborigines of Tasmania* H. Ling Roth,2025-07-07 Reprint of the original first published in 1899 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage      **The Aborigines of Victoria: with Notes Relating to the Habits of the Natives of Other Parts of Australia and Tasmania** ,1878      **The Aborigines of Victoria and Riverina** Peter Beveridge,2021-04-11 In *The Aborigines of Victoria and Riverina* Peter Beveridge offers a comprehensive exploration of the Indigenous peoples of southeastern Australia The work is characterized by its meticulous research and ethnographic detail combining firsthand observations with historical analysis to illuminate the cultural practices social structures and spiritual beliefs of the Aborigines Employing a descriptive yet scholarly literary style Beveridge deftly situates the narrative within the broader context of colonial Australia addressing the impacts of European settlement on Indigenous communities and highlighting the resilience of their cultural identity amidst drastic changes Peter Beveridge an influential figure in early Australian anthropology drew upon his extensive fieldwork and personal experiences within Aboriginal communities to craft this seminal text His background in natural history and a deep appreciation for Indigenous cultures are evident throughout the

book as he strives to provide an authentic voice to the often misrepresented peoples of Victoria and Riverina Beveridge's passion for preserving and documenting Indigenous heritage can be seen as a response to the urgent need for a more nuanced understanding of Aboriginal life during the era of European expansion This book is essential for anyone seeking to deepen their understanding of Indigenous Australian cultures and histories Beveridge's rigorous scholarship invites readers to engage with the complexities of Aboriginal life in Victoria and Riverina making it a valuable resource for scholars students and general readers interested in anthropology history and Indigenous studies

**The Aborigines Protection Society**  
Henry Richard Fox Bourne, 1899 **The Report of the Aborigines' Committee of the Meeting for Sufferings, Read at the Yearly Meeting, 1840: with the Address to Lord J. Russell, on His Becoming Secretary for the Colonies; that to Friends Settling in New Colonies ... Published by Direction of the Meeting for Sufferings, 1840** **The Aboriginal People, Parliament and "protection" in New South Wales, 1856-1916** Anna Doukakis, 2006 This lecture describes

South Africa's current attempts to accommodate traditional leadership within the new constitution and system of government

*The Aboriginal Story of Burke and Wills* Ian Clark, Fred Cahir, 2013-07-22 The Aboriginal Story of Burke and Wills is the first major study of Aboriginal associations with the Burke and Wills expedition of 1860-61 A main theme of the book is the contrast between the skills perceptions and knowledge of the Indigenous people and those of the new arrivals and the extent to which this affected the outcome of the expedition The book offers a reinterpretation of the literature surrounding Burke and Wills using official correspondence expedition journals and diaries visual art and archaeological and linguistic research and then complements this with references to Aboriginal oral histories and social memory It highlights the interaction of expedition members with Aboriginal people and their subsequent contribution to Aboriginal studies The book also considers contemporary and multi disciplinary critiques that the expedition members were on the whole deficient in bush craft especially in light of the expedition's failure to use Aboriginal guides in any systematic way Generously illustrated with historical photographs and line drawings The Aboriginal Story of Burke and Wills is an important resource for Indigenous people Burke and Wills history enthusiasts and the wider community This book is the outcome of an Australian Research Council project

**Outline of a System of Legislation, for Securing Protection to the Aboriginal Inhabitants of All Countries Colonized by Great Britain ...**, 1840 **Tracts Relative to the Aborigines** London Yearly Meeting (Society of Friends). Meeting for Sufferings, 1843 *The American Numismatical Manual of the Currency Or Money of the Aborigines, and Colonial, State, and United States Coins* Montroville Wilson Dickeson, 1860

**The Aboriginal Tent Embassy** Gary Foley, Andrew Schaap, Edwina Howell, 2013-07-24 The 1972 Aboriginal Embassy was one of the most significant indigenous political demonstrations of the twentieth century What began as a simple response to a Prime Ministerial statement on Australia Day 1972 evolved into a six month political stand off between radical Aboriginal activists and a conservative Australian government The dramatic scenes in July 1972 when police forcibly removed the Embassy from the lawns of the

Australian Houses of Parliament were transmitted around the world The demonstration increased international awareness of the struggle for justice by Aboriginal people brought an end to the national government policy of assimilation and put Aboriginal issues firmly onto the national political agenda The Embassy remains today and on Australia Day 2012 was again the focal point for national and international attention demonstrating the intensity that the Embassy can still provoke after forty years of just sitting there If as some suggest the Embassy can only ever be removed by Aboriginal people achieving their goals of Land Rights Self Determination and economic independence then it is likely to remain for some time yet This book explores the context of this moment that captured the world s attention by using predominantly the voices of the people who were there More than a simple oral history some of the key players represented here bring with them the imprimatur of the education they were to gain in the era after the Tent Embassy This is an act of radicalisation The Aboriginal participants in subversive political action have now broken through the barriers of access to academia and write as both eye witnesses and also as trained historians lawyers film makers It is another act of subversion a continuing taunt to the entrenched institutions of the dominant culture part of a continuum of political thought and action Larissa Behrendt Professor of Law Jumbunna Indigenous House of Learning University of Technology Sydney *The Aborigine and the Drover* John P F Lynch,2018-10-01 In the 1860s in the Colony of Victoria Tabu an aborigine goes walkabout after a violent tribal fight during which his brother is killed He rescues the wife of a drover farmer Michael who is an escaped convict He hires Tabu to help him drove sheep into the mainly unexplored northern districts of Victoria to the Murray River Only a few hardy explorers and drovers had previously been through this country when bringing stock overland from Sydney to Melbourne Their droving encounters many difficulties crossing several rivers bushfires floods theft of sheep and aborigine conflict Parallel family stories involve an aboriginal battle wild dog attacks water rights and attempted piracy The novel also includes other tales involving their family s trials and tribulations bordering on truth and fiction The author s knowledge of Australian history has helped him interweave tales of early settlers and aboriginal lifestyles to bring together significant events that occurred within Michael s and Tabu s family The Colony s scenery and unique animals are also vividly described together with a surprising conclusion for Michael Collectively these descriptions have helped to complete an exciting must read story of days gone by and will be of interest to all readers and will increase the knowledge of students of Australian history **The Third Annual Report of the Aborigines' Protection Society** Aborigines Protection Society (Great Britain),1840 **The Prehistoric Arts, Manufactures, Works, Weapons, Etc., of the Aborigines of Australia** Thomas Worsnop,1897 Annual Report of the Aborigines Protection Society Aborigines Protection Society (Great Britain),1839 *The American Numismatic Manual of the Currency of Money of the Aborigines* Montroville Wilson Dickeson,1865
