Game Changers Molly Schiot, 2016-10-18

The embrace of women's sports sometimes feels almost like a political act. Molly Schiot's *Game Changers: The Unsung Heroines of Sports History* is so valuable. *The Wall Street Journal*: A thoughtful, exhaustively researched and long overdue tribute to the women who have paved the way for the likes of Serena Williams, Abby Wambach, Simone Biles, and more.

espnW: Based on the Instagram account *TheUnsungHeroines*, a celebration of the pioneering, forgotten female athletes of the twentieth century that features rarely seen photos and new interviews with past and present game changers, including Abby Wambach and Cari Champion. Two years ago, filmmaker Molly Schiot began the Instagram account *TheUnsungHeroines*, posting a photo each day of a female athlete who had changed the face of sports around the globe in the pre-Title IX age. These women paved the way for Serena Williams, Carli Lloyd, and Lindsey Vonn, yet few today know who they are. Slowly but surely, the account gained a following, and the result is *Game Changers*, a beautifully illustrated collection of these trailblazers, rarely before seen photos and stories. Featuring icons Althea Gibson and Wyomia Tyus, complete unknowns Trudy Beck and Conchita Cintron, policymaker Margaret Dunkle, sportswriter Lisa Olson, and many more, *Game Changers* gives these founding mothers the attention and recognition they deserve and features critical conversations between past and present game changers, including former US Women's National Soccer Team captain Abby Wambach and SportsCenter anchor Cari Champion, about what it means to be a woman on and off the field. Inspiring, empowering, and unforgettable, *Game Changers* is the perfect gift for anyone who has a love of the game.
