Sketches From A Hunters Album

Anthony S. Fauci

Sketches From A Hunters Album:

Sketches from a Hunter's Album Ivan Turgenev, 1990-08-30 Turgenev's first major prose work is a series of twenty-five sketches: the observations and anecdotes of the author during his travels through Russia satisfying his passion for hunting. His album is filled with moving insights into the lives of those he encounters: peasants and landowners, doctors and bailiffs, neglected wives and bereft mothers, each providing a glimpse of love, tragedy, courage and loss, and anticipating Turgenev's great later works such as *First Love* and *Fathers and Sons*. His depiction of the cruelty and arrogance of the ruling classes was considered subversive and led to his arrest and confinement to his estate, but these sketches opened the minds of contemporary readers to the plight of the peasantry and were even said to have led Tsar Alexander II to abolish serfdom.

Sketches from A Hunter's Album : the Complete and Uncensored Edition Ivan Turgenev, 2008-12-22

Sketches from a Hunter's Album, also known as *The Hunting Sketches* and *A Sportsman's Sketches*, was an 1852 collection of short stories by Ivan Turgenev. It was the first major writing that gained him recognition. He wrote this collection of short stories based on his own observations while hunting at his mother's estate at Spasskoye, where he learned of the abuse of the peasants and the injustices of the Russian system that constrained them. The work as a whole actually led to Turgenev's house arrest at Spasskoye. It was also partially responsible for the abolishment of serfdom in Russia.

Sketches from a Hunter's Album (a Sportsman's Sketches) Ivan Sergeevich Turgenev, 2010-01-01 Generally thought to be the work that led to the abolishment of serfdom in Russia, *Sketches from a Hunter's Album* (a *Sportsman's Sketches*) is a series of short stories written in 1852 that gained Turgenev widespread recognition for his unique writing style. These stories were the result of Turgenev's observations while hunting all over Russia, particularly on his abusive mother's estate at Spasskoye. A definitive work of the Russian Realist tradition, this collection of sketches unveils the author's insights on the lives of everyday Russians, from landowners and their peasants to bailiffs and mournful doctors to unhappy wives and mothers. Turgenev captures their tragedies and triumphs, losses and love in a set of stories that condemned the behavior of the ruling class. Considered subversive writing, Turgenev was confined to his mother's estate, yet his *Sketches* opened the eyes of many people of his time, proving him not only an artist but also a social reformer whose abilities ultimately affected the lives of countless Russians.
