So Long Winter

Robert Silverberg

So Long Winter:

Long Winter Rachel Ember, 2021-02-19 It's been a long cold winter at Riverside Ranch where Robbie has lived alone since his brothers moved away. Alone that is except for his three devious cats, four saddle horses and the forty-eight mustangs that roam the ranch. Robbie is preparing for yet another snowfall when he gets the last call he expected: a plea to pick up Lance Taylor from the county jail. Lance wasn't just his little brother's best friend; he was a part of the family. Then one night after Lance asked Robbie for something Robbie couldn't give, he ran away and never came back. Lance was sixteen and heartbroken when he left his middle-of-nowhere hometown. Six years later he's at rock bottom with nowhere else to go and no one to turn to but Robbie, the man Lance has been inconveniently in love with for most of his life. When Robbie offers Lance a place to stay, Lance expects a guest bedroom and awkward silences. Instead, he finds himself sharing Robbie's one-room hayloft apartment and its single bed while realizing that the old flame he carries for Robbie might not be so hopeless after all. *Long Winter* is the first book in the Wild Ones series and has a happy-for-now ending. Robbie and Lance's story continues in *Signs of Spring*. Praise for *Long Winter*: What a beautifully written story this is! There is an effortless elegance to Rachel Ember's prose that I found myself sinking blissfully into like a relaxing Sunday drive or horseback ride as it were. Robbie and Lucas are perfectly imperfect; their past complicated and their desire a slow burn destined to ignite. They breathed from the page and the setting was so real I felt like I could go to the ranch right now and see all of them. I will definitely be reading more from this author. L.C. Chase, author of *Pickup Men*. *Long Winter* is a gorgeously detailed realistic contemporary drama full of angst and longing and set in the backdrop of a rural Nebraskan town in winter. A self-styled city boy, Lance, returns to his home town after the fallout from an abusive relationship with no one else to turn to other than his childhood crush, modern-day cowboy rancher Robbie. Hot enough to warm your cold winter's night and threaded through with tender and sometimes painful childhood memories. Recommended for people who like realistic character-driven stories with a heavy emotional current running throughout. KP Maxwell, author of *The Problem Client*. An enchanting and heartwarming novel with strong themes of family love and a long-overdue second chance for two flawed but utterly lovable men. The setting was beautifully evocative, from the winter scenes to life on the ranch to the wild horses that watch over it all. I sank totally into the read and can't wait for the next book from this author. Stella Shaw, author of *Dante*. **The Long Winter** Laura Ingalls Wilder, 2022-08-16 DigiCat Publishing presents to you this special edition of *The Long Winter* by Laura Ingalls Wilder. Over the course of our walk with the Lord, we inevitably experience many ups and downs. Eventually, there will come a time when we feel remote from the Lord, and even at times as if we have been abandoned by Him. This is far from the truth. As we struggle, walk, run, stumble, and fall, He is right there at our side. Even when the darkness surrounds us so completely that we can see nothing except the impending doom within the darkness, He is there. In those times, He carries us when we feel that we cannot endure anymore. He wraps us in His loving arms, showers us with His Shekinah glory, and bathes us in His compassion. This gives us renewed strength to continue to struggle on to the ultimate victory. These dark moments are not pleasant, but they are essential to our growth into what the Lord has planned for us to become. I, as the author of this book, hope that at least one or more of these short stories will touch you during one of the inevitable dark moments and remind you that you are a precious child of the Lord, and He has you firmly by the hand as He guides you forward to the fulfillment of your walk in Christ. **At Winter's End** Robert Silverberg, 2013-05-14

After seven hundred thousand years underground, a tribe emerges to a frozen Earth in this novel from the Hugo and Nebula Award-winning author. The time of falling death stars ushered in the Long Winter, eons of cold that caused plants and animals to vanish from Earth and drove people to take refuge in underground cocoons. Human ingenuity had never faced a greater challenge. For seven hundred thousand years, generation after generation was born and died below the Earth's surface. But now, one small tribe is sensing change. Chieftain Koshmar is sure that the New Springtime is near, so she leads her people above ground to explore the new world that awaits. The unfamiliar Earth, still a frozen shell of its former self, will test their mettle in every way, leading the people of the tribe to the brink of their destiny or to their doom. **At Winter's End** is the first book of the New Springtime series, which continues with *The Queen of Springtime*. This ebook features an illustrated biography of Robert Silverberg, including rare images and never-before-seen documents from the author's personal collection.
