Why Grandmothers Matter Naomi Stadlen, 2023-06-22 Grandmothers are coming into their own There have never been so many of them As Naomi Stadlen explains they have always mattered especially in helping their families to survive Drawing on grandmothers own words Why Grandmothers Matter describes the experience of having grandchildren across many cultures and discusses the sometimes delicate relationships between grandmother parent child and grandchild This warm and thoughtful book has much to teach us about family dynamics and the role grandmothers play in wider society and will be valuable for parents as well as grandmothers when they enter into a new phase of family life

Know Me 100 Years From Now Stacie-Lynne Graham, 2020-10-20 We all grieve when our loved ones die and we so often wish we had talked to them more and learned more about them when we had them with us You can use this book as a gift for your loved ones to help them through their grief after you die With this book you are the author Use this book to write those things you wish you had told the most important people in your life and perhaps leave letters to show your love for them at their future big events weddings births and so on Record your wishes for your last days nursing home care final medical care and organ donation and for your funeral memorials and burial or cremation Include stories about your parents and brothers and sisters Your family is likely to be very curious about these people and will be thrilled to read your stories and see their photos Be remembered the way you want to be remembered Provide your story in a way that provides a legacy and that can be enjoyed by your grandchildren great grandchildren and beyond **Grandparents/Grandchildren** Arthur Kornhaber, Kenneth L. Woodward, 2019-11-20 In this book Kornhaber and Woodward explore the vital connections which link generations to each other and expose a new social contract that destroys the emotional bonds between grandparents and

grandchildren This is the first book which reviews in a careful ethnographic manner the relationship of grandchildren to grandparents and the place of love at one end and abandonment at the other by grandparents The authors probe the deep unexplored emotional histories of hundreds of grandparents how they feel about themselves their grandchildren and their loss of function within today's nuclear family With sharp increases in the number of broken families and working mothers grandparents are more vital than ever and also more available than ever This basic research document shows how grandparents recover their natural role as elders of the family and of society The author's basic premise is that to exist is to be connected and that no matter how grandparents act they affect the emotional well being of their grandchildren for better or for worse simply because they exist In an age when mounting economic and social pressures make it increasingly easier to split a family than to sustain one the authors alert us to a forgotten source of family strength the power of grandparents to enrich the lives as a whole The case studies reported in this volume represent a first effort in an area left unexplored by developmental researchers There are lessons here for social scientists but even more for our alienated society Urie Bronfenbrenner Cornell University

Lucy Maria Abby Morton Diaz, 1874 *Against Authenticity* Simon Feldman, 2014-12-11 Be true to yourself it is a dictum so ubiquitous that it can seem like both philosophical wisdom and an empty truism Should we aspire to an ideal of living authentically What does it mean to be true to yourself *Against Authenticity* Why You Shouldn't Be Yourself is a philosophical exploration and critique of the ideal of authenticity Simon Feldman argues that if being true to ourselves is a matter of maintaining a strong will being psychologically independent achieving self knowledge or being morally conscientious then the best lives we can lead should be expected to involve substantial inauthenticity Feldman suggests that various construals of the ideal of authenticity presuppose metaphysically confused notions of the self for example that there is a determinate true self and that under the guise of indisputable wisdom the ideal perpetuates both objectionably relativistic as well as reactionary moral thinking Feldman concludes that the ideal of authenticity is one that we would be better off abandoning independent of our other moral or ethical commitments With implications for every reader's conception of authenticity and identity *Against Authenticity* is an exciting challenge for students and scholars of ethics metaethics metaphysics and moral psychology

grandmothers alike A book to warm your heart about being a grandparent and also one to reassure you that you re not alone when you experience new relationships and complex family patterns Virginia Ironside agony aunt and novelist Confirms in a direct and delightful way just how special the grandmother grandchild relationship is Very interesting and heart warming Jane Fearnley Whittingstall author of The Good Granny Guide **So Close, I Can Feel God's Breath** Beverly Rose,2006 Ten chapters packed with biblical reflection inspiration and encouragement guide readers who are seeking to transform their lives and find God in the thin places

So This Is How Being A Grandmother Feels: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels enthralling the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the captivating narratives that have charmed audiences this year. So This Is How Being A Grandmother Feels : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
