So What Do I Do Now:

So What Do I Do Now? Jeanne Taylor McClellan, 2021-02-22 It all began with a conversation It was a lovely late spring evening and my husband and I were considering where our life together was going The kids were well on their own Our grandchildren were in college and or on their way We were settled comfortably into a life of part time work and travel and expectations of new adventures On the other hand we realized that the house was now too big for just the two of us and its upkeep was taking more time and energy than we wanted to expend We began to explore our possibilities We needed to make decisions Do we move or stay put What do we tell the family Can we afford to retire now And most importantly what will we do So What Do I Do Now is a collection of personal stories and practical advice for those of you who are loving your retirement experience for those of you who are dreading this next phase of your life and for those of you just beginning to consider retirement As you read these thoughts on retirement you will be guided to make the decisions that will help you navigate this next adventure and to find your own answers to What Do I Do Now **So What Do I Do? Griffiths, 2015-06-08 I enjoyed the slow pace as it built up steam towards a rewarding climax that left me in thought for longer than most best selling thrillers The reader is plunged into some very difficult times and throughout we laugh rarely and cry often as the story unfolds In So What Do I Do police constable Nigel Shantra has been promoted and returns as a detective He is determined to bring to justice a serious adversary of his a school bully from the first novel When a conspiracy to defraud the local populace devised by two apparently respectable but unscrupulous pillars of the community goes disastrously wrong it results in an intriguing case for detective Shantra to solve The traumatic events that follow will prove to affect the incompetent pair of criminals who were hired by the swindling conspirators as well as the teachers and pupils of Birch Green High School And just what does a class of cheeky chimps and a large black spider monkey have to do with the traumatic events surrounding Hodgson s Hide the legacy of retired Technology teacher Gil Hodgson Recently promoted Molly discovers that the pressures of helping newly qualified teachers has no comparison to the eventual strain that she and her colleagues experience when an ex pupil of the school decides it s time for payback This man will prove to be far more ruthless and cruel than anyone could have imagined all in order to achieve his criminal ambitions But he is just as likely to turn his attention towards anyone who upsets his plans with terrifying consequences for those who won t comply with his wishes **So I Graduated, Now What Do I Do?
