Social Change In Soviet Russia:

Social Change in Soviet Russia Alex Inkeles, 1952

Health and Social Change in Russia and Eastern Europe

William C. Cockerham, 2002-05-03 Examines the social causes of the decline in life expectancy in Russia and Eastern Europe. Countries discussed include Russia, Poland, Hungary, Romania, Bulgaria, the Czech Republic, and East Germany. Social Change and Social Issues in the Former USSR Walter Joyce, 2016-07-27 Perestroika has led to more openness than ever before about Soviet social problems and it has accelerated the processes of demographic and social change. In this collection a group of leading British, European, and North American specialists analyse the central features of a changing society concentrating upon mortality patterns in the population itself and upon the social problems that have been brought to the fore by glasnost such as drugs and alcohol abuse.

Youth and Social Change in Eastern Europe and the Former

Soviet Union Charles Walker, Svetlana Stephenson, 2013-09-13 Two decades have now passed since the revolutions of 1989 swept through Eastern Europe and precipitated the collapse of state socialism across the region, engendering a period of massive social, economic, and political transformation. This book explores the ways in which young people growing up in post-socialist Eastern Europe and the former Soviet Union negotiate a range of identities and transitions in their personal lives against a backdrop of thoroughgoing transformation in their societies. Drawing upon original empirical research in a range of countries, the book's contributors explore the various freedoms and insecurities that have accompanied neo-liberal transformation in post-socialist countries in spheres as diverse as consumption, migration, political participation, volunteering, employment, and family formation, and examine the ways in which they have begun to re-shape different aspects of young people's lives. In addition, while social change is a central theme of the issue, all of the chapters in the collection indicate that the new opportunities and risks faced by young people continue both to underpin and to be shaped by familiar social and spatial divisions, not only within and between the countries addressed but also between East and West. This book was originally published as a special issue of *Journal of Youth Studies*.

The Transformation of Russian Society Joint Committee on Slavic Studies (U.S.), 1960 Scholarly papers by 38 contributors on changes in Russian society since 1861 presented at a conference of the Joint Committee on Slavic Studies.

Civil Society, Social Change, and a New Popular Education in

Russia W. John Morgan, Irina N. Trofimova, Grigori A. Kliucharev, 2018-10-03 *Civil Society, Social Change, and a New Popular Education in Russia* is a detailed account of contemporary issues that draws upon recent survey research conducted by the Institute of Sociology, Russian Academy of Sciences, as well as from secondary published work in both Russian and English. The book explores how social change and developments in civil society are occurring in Russia and the role played by a new popular education. The right to lifelong learning is guaranteed by the Russian state as it was by the Soviet Union, where formal education based on communist ideology emphasised the needs of the state over those of individuals. In practice, a wide range of educational needs, many of which relate to coping with changing economic, social, and technological circumstances,

are being met by non governmental providers including commercial companies self help groups and community and neighbourhood clubs This book discusses how this new popular education is both an example of developing civil society and stimulates its further development However as the book points out it is also part of a growing educational divide where motivated articulate people take advantage of new opportunities while disadvantaged groups such as the unemployed and the rural poor continue to be excluded

The Ussr Darrell P. Hammer,2019-07-11 In this text Dr Hammer presents an analytical model of the Soviet political system and its process of political decisionmaking based on the theory of bureaucratic pluralism He interprets the Soviet regime as a product of three different influences the Tsarist tradition of nondemocratic rule the revolutionary movement that overthrew Tsarism and the Stalinism of 1924 1953 Since the death of Stalin the Soviet regime has slowly evolved from a personal dictatorship into an oligarchical system According to the author this transformation has permitted the great Soviet bureaucracies such as the military high command and the economic managers to increase their power and influence over policymaking and to pursue their own interests in addition to those of the regime From this perspective the role of party leaders in the Politburo appears to be that of political brokers among conflicting interests allocating resources among the various bureaucracies This second edition has been completely revised and updated to reflect the realities of the Soviet system through the 27th Party Congress which met in February 1986 Dr Hammer applies the model of bureaucratic pluralism in the areas of public policy and economic planning illustrating the theme that the evolution of a powerful bureaucratic organization has prevented the achievement of the original Leninist vision He discusses specific features of the Soviet society that deviate from original principles often based on dissident sources from within the USSR and examines the role of party leaders in this ideological transition Finally he analyzes the rise of Gorbachev to power and the first steps taken under his leadership such as the anti alcohol campaign and efforts at economic reform Because Dr Hammer s analysis is particularly valuable for understanding the Gorbachev regime and the future of the Soviet system this text is essential reading for all students of Soviet politics

Political and Social Thought in Post-Communist Russia Axel Kaehne,2007-11-13 This is the first comprehensive study of Russian political and social thought in the post Communist era The book portrays and critically examines the conceptual and theoretical attempts by Russian scholars and political thinkers to make sense of the challenges of post communism and the trials of economic political and social transformation It brings together the various strands of political thought that have been formulated in the wake of the collapsed communist doctrine It engages constructively with the numerous attempts by Russian political theorists and social scientists to articulate a coherent model of liberal democracy in their country The book investigates critical as well as favourable voices in the Russian debate on liberal democracy a debate often marked by eclecticism and at times little conceptual discipline As such the book will be of great interest both to Russian specialists and to all those interested in political and social thought more widely

The Psychology of Radical Social Change Brady Wagoner,Fathali M. Moghaddam,Jaan Valsiner,2018-04-03

Since 2011 the world has experienced an explosion of popular uprisings that began in the Middle East and quickly spread to other regions What are the different social psychological conditions for these events to emerge what different trajectories do they take and how are they are represented to the public To answer these questions this book applies the latest social psychological theories to contextualized cases of revolutions and uprisings from the eighteenth to the twenty first century in countries around the world In so doing it explores continuities and discontinuities between past and present uprisings and foregrounds such issues as the crowds collective action identity changes globalization radicalization the plasticity of political behaviour and public communication

The analysis of social change reconsidered J. A. Ponsioen, 2019-03-18 No detailed description available for The analysis of social change reconsidered

The book delves into Social Change In Soviet Russia. Social Change In Soviet Russia is an essential topic that must be grasped by everyone, ranging from students and scholars to the general public. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Social Change In Soviet Russia eBooks, including some popular titles.

FAQs About Social Change In Soviet Russia Books

What is a Social Change In Soviet Russia PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Social Change In Soviet Russia PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Social Change In Soviet Russia PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Social Change In Soviet Russia PDF to another file format?**

There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Social Change In Soviet Russia PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
