The Social Construction of Difference and Inequality: Race, Class, Gender and Sexuality Tracy Ore, 2010-11-09

This anthology examines the social construction of race class gender and sexuality and the institutional bases for these relations While other texts discuss various forms of stratification and the impact of these on members of marginalized groups The Social Construction of Difference and Inequality provides a thorough discussion of how such systems of stratification are formed and perpetuated and how forms of stratification are interconnected Critical thinking questions at the end of each reading and part opening essays aid students in understanding how the material relates to their lives and how their own attitudes actions and perspectives may serve to perpetuate a stratified system **CBMCS Multicultural Training**

Program Aghop Der-Karabetian, Richard H. Dana, Glenn C. Gamst, 2008-02-21 CBMCS Participant s Workbook Includes exercises group activities and areas for reflection that follow along with the training modules Each workbook also includes the CBMCS Scale a 21 item practitioner self report empirically based scale which was honed from five respected assessment This unique scale provides the foundation for this extensive training program *Transformational Leadership for the Helping Professions* Jean F. East, 2018-09-03 Twenty first century challenges abound for people in leadership roles in the helping professions i e social work nursing teaching public health and social services It is the mission of these professionals to facilitate change not only for consumers of their work but also for organizations and communities While many books written for human services leaders focus on leadership roles and tasks Transformational Leadership for the Helping Professions explores growth in leadership coupled with key competencies The text also combines both classic and current theories on leadership with a philosophical lens on its meaning and practice in human services settings Social workers nurses teachers public health workers and community leaders will find the text to be a useful guide in strengthening their consideration of leadership theory while they practice in day to day work Additionally educators and students of leadership in the helping professions will gain a solid understanding of key facets of leadership practice within a framework that inspires a social justice empowerment and cultural humility perspective Global Sociology, Third Edition Robin Cohen, Paul Kennedy, 2013-03 The third edition explores global issues at the heart of sociological discussion with an updated focus on globalism social media migration and more The first pioneering editions of Global Sociology put global issues at the heart of sociological discussion Much has changed in the world since then recessions revolutions social media and new migration networks have developed as causes and symptoms of an increasingly global society This new edition is fully updated to explore just how these global issues can help us to understand sociology in our world today Making clear connections between everyday experiences and global processes at each step the third edition carefully guides readers through essential and cutting edge topics in the discipline from family and feminism to environment and economy Features such as biography boxes on key thinkers in the field a thorough glossary and review questions introduce and reinforce the book s core ideas

With clear writing and infectious enthusiasm for its topic Global Sociology remains the authority on global issues in sociology for students at a variety of skill levels

The Ocean in the School Rick Bonus, 2020-02-07 In The Ocean in the School Rick Bonus tells the stories of Pacific Islander students as they and their allies struggled to transform a university they believed did not value their presence Drawing on dozens of interviews with students he taught advised and mentored between 2004 and 2018 at the University of Washington Bonus outlines how despite the university's promotion of diversity and student success programs these students often did not find their education to be meaningful leading some to leave the university As these students note they weren't failing school the school was failing them Bonus shows how students employed the ocean as a metaphor as a way to foster community and to transform the university into a space that valued meaningfulness respect and critical thinking In sharing these students' insights and experiences Bonus opens up questions about measuring student success the centrality of antiracism and social justice to structurally reshaping universities and the purpose of higher education

The American Middle Class Robert S. Rycroft, 2017-05-12 What is the American Dream This book's author argues that contrary to what many believe it is not achieving the wealth necessary to enter the top one percent but rather becoming members of the great middle class by dint of hard work and self discipline Americans of all classes consider themselves to be middle class There are Americans who by any objective standard should be considered poor who would insist they are middle class just as other Americans who should be considered wealthy also insist they are middle class Thinking of yourself and being thought of by others as middle class is the American Dream for tens of millions of people But an enduring problem of the American middle

class is the worry that the Dream is coming apart that forces are lurking in the shadows waiting to steal their progress and throw them back into poverty This thought provoking reference explores a disparate multitude of issues associated with being middle class in America It addresses a range of questions and subtopics including the meaning of the term middle class how middle class status is expressed by both the majority and the various minorities that make up the American mosaic what economic pressures are bearing down on the middle class and how economists and others attempt to make sense of the economic issues of the day Readers will also better understand how political institutions and public policies are shaping the way the middle class views the world how labor housing education and crime related issues have influenced the development and growth of the middle class the norms of the middle class versus those of other classes in society and the role of culture and media in shaping how members of the middle class view themselves and how they are viewed by others This two volume set provides a comprehensive look at the American middle class that supports student research in economics social studies cultural studies and political history The content supports teachers in their development of lesson plans and assignments that directly align with the Common Core State Standards and the recommendations of the National Curriculum Standards for Social Studies NCSS with respect to all ten NCSS themes

The Social Construction of Difference and Inequality Tracy E. Ore, 2022 The Social Construction of Difference and Inequality Race Class Gender and Sexuality Eighth Edition surveys how and why the categories of race class gender and sexuality are constructed maintained experienced and transformed This popular anthology moves beyond simply discussing various forms of stratification and the impact on members of marginalized groups by providing a thorough discussion of how such systems of stratification are formed perpetuated and interconnected Each reading ends with critical thinking questions to help students relate content to their own lives and understand how their attitudes actions and perspectives may serve to perpetuate a stratified system
