### **The Outside Girl Perception Is Reality:**

**The Outside Girl** Jennifer Cunningham, 2005-03 All Ophelia ever wanted when she was a child was to belong to a family. The orphan finally got her wish but bliss soon turned to terror as she saw behind the masks her foster parents had worn to be able to adopt her. Living in fear of them, Ophelia's only friend was the outside girl who made promises of freedom and happiness. However, Ophelia soon felt the sting of betrayal for the second time as she realized that the outside girl wasn't a friend at all but a manipulative enemy. After finding out that she was truly alone, her goal was to live a normal life that was all she wanted. For some people, though, normalcy is far away and nothing can bring it closer. Even after finally achieving her goal, it was once again shattered and taken away by herself.

**Feminist Utopian Novels of the 1970s** Tatiana Teslenko, 2003-08-19 This book presents an exploration of the reinvented utopia that provided second wave feminists of the 1970s with a conceptual space to articulate the politics of change. Tatiana Teslenko argues that utopian fiction of this decade offered a means of validating the personal as well as the political and of criticizing a patriarchal social order. Teslenko reveals feminists attempt through fiction to envision a new political order.

**Rib the Truth, the Story, the Reality of Women** Artorius Rex, 2009-12 One in every three women has been beaten, coerced into sex, date raped, murdered, or otherwise abused by a man. There are more than 150 million women in the United States and at least one out of every three wants to know why they are abused by a man. RIB scripturally and secularly provides plausible answers to the reasons why man has been set up to abuse and destroy who a woman was created to be. After reading RIB, women will see how they lower themselves in character, spiritual standing, rank, and reputation. This book is a depiction of behaviors that are seen practiced and accepted by women on a daily basis without any regards to the degradation it produces for all women. RIB leads you step by step into understandings who women are, what man has caused them to be, and the purpose they have been misled to serve. The wisdom contained in RIB has never been told or linked from so many perspectives. RIB is written with biblical and secular definitions defining the actions of women who conduct themselves under the constructs of man. Artorius Rex is a 44-year-old African American male and single parent to one son. Artorius has multiple college degrees including an MBA. He is a retired United States Marine who has been a federal employee for the past twenty years. For the last ten years, Artorius has been examining why detrimental things occur in relationships between men and women. RIB represents his divine discovery.
