## **The Outward Bound Caravaning As The Style Of The Church:**

*The Outward Bound* Vernard Eller, 2003-07-21 Here is what may well be the most readable and yet the most radically thought provoking critique of the contemporary church available today To put the matter simply as Vernard Eller invariably succeeds in doing the problem with today's congregations is that they are usually far more concerned to be somewhere than to get somewhere to establish and consolidate a secure position rather than to push on toward a goal But according to the New Testament observes Eller stability and security are precisely not what God intended for the church Instead Eller believes the church should be a do it yourself de institutionalized de professionalized people in a caravan a community of the outward bound Eller devotes most of his time in this volume to providing concrete guidelines for achieving that goal Addressing individual members and congregations rather than church hierarchies *The Outward Bound* is a lively and challenging summons to a richer and more biblical community life

**The Outward Bound** Vernard Eller, 1980

**The House Church** Del Birkey, 2019-04-15 In this book the author proposes the house church structure as a key to continuing renewal in the church today After a biblical and historical look at the significance of the house church the author looks at a model of ministry appropriate to that structure In light of this model the author develops a theology of renewal through the servant leadership of both women and men personal and corporate giftedness participatory worship and community commitment

**Church Planting Movements** V. David Garrison, 2007 David Garrison PhD University of Chicago defines Church Planting Movements as rapidly multiplying indigenous churches planting churches that sweep across a people group or population segment Garrison's Church Planting Movements How God Is Redeeming a Lost World signaled a breakthrough in missionary church planting After the publication of Garrison's book in 2004 it became impossible to talk about missions without referencing Church Planting Movements Church Planting Movements examines more than two dozen movements of multiplying churches on five continents After presenting these case studies Garrison identifies ten universal elements present in each movement He then broadens the circle of examination to identify a further ten common characteristics factors identified in most but not all of the movements He concludes his examination with a list of Seven Deadly Sins i.e. harmful practices that stifle or impede Church Planting Movements Important for evangelical readers the author returns to his findings to see how they stand up to the light of Scripture What he discovers is that Church Planting Movements are much more consistent with the New Testament lay led house church movements that swept rapidly through the Mediterranean world in the face of hostile opposition than today's more sedentary professional institutionalized Christianity Learn more about Church Planting Movements from the book's website [www.ChurchPlantingMovements.com](http://www.ChurchPlantingMovements.com)

**The Complete Book of Everyday Christianity** R. Paul Stevens, Robert Banks, 2018-12-01 I am thrilled to know that *The Complete Book of Everyday Christianity* is being relaunched A well worn first edition of this book sits next to my office desk and I consult it often There is no better collection of everyday issues examined from a Christian perspective A wide variety of topics are

addressed with a cleverly balanced combination of academic and practical perspectives informed by thoughtful biblical and theological reflection This is a wonderfully useful tool I am pleased that it will be available to resource a new generation of Christians who are eager to understand more about what it means to follow Christ in every aspect of life Alistair Mackenzie Senior Lecturer School of Theology Mission and Ministry Laidlaw College Christchurch New Zealand Also Director of Faith at Work NZ

**Biblical Foundations for Small Group Ministry** Gareth Weldon Icenogle,1994-03-01 Drawing on biblical teaching and the ministry of the early church Gareth Weldon Icenogle offers guidance for setting up and running a biblically based small group ministry program

**God the Worker** Robert Banks,2008-12-24 Here is an invitation to embark on a journey of discovery that marshals our imagination and emotions our intellect and will God the Worker seeks to answer the ultimate questions What is God really like Can we know God intimately Where do we fit into the overall scheme of things In his quest for answers Robert Banks opens up the world of the Bible and everyday life as he explores dynamic images of God at work as composer and performer as metalworker and potter as garmentmaker and dresser as gardener and orchardist as farmer and winemaker as shepherd and pastoralist as tentmaker and camper as builder and architect He shows how through the language and idea of work the divine hand is revealed This book offers us the opportunity to encounter God in a way that is mind expanding life changing work transforming taking us to the very edges of human understanding The author sees the Bible as a guidebook and source of insight that is completely fresh but paradoxically as old as the book itself

**Revelation** John M. Miller,2009-01-01

**Spiritual Entrepreneurs** Rev. Dr. Mike Slaughter,2011-12-01 Spiritual Entrepreneurs tells the story of an innovative pastor and leadership team who intentionally led their church to take spiritual risks By using six principles renewal can come to any church These six principles are focus on 1 Jesus Christ 2 the Bible 3 new forms of worship 4 a commitment to membership 5 equipping lay people for ministry and 6 spiritual leadership Slaughter believes that church leaders are inspired to work tirelessly when they hear or learn of good news stories He also believes that covenants Christianity training and an innovative small group structure are vital in producing high commitment members

**The God of the Fairy Tale** Jim Ware,2009-02-04 What Treasures Are Hidden in the Enchanted Woods More than just bedtime traditions more than simple children s literature the most enduring stories are echoes of the greatest of all stories the Gospel God of the Fairy Tale is a collection of spiritual reflections on the truths found in classic fairy tales truths that point us to the ultimate Truth about God redemption and ourselves Delving into twenty classic folk and fairy tales God of the Fairy Tale leads us into the mystical landscape of elves goblins and talking animals to reveal the jewels of truth that hide inside these most simple of stories Through the fables of Snow White Cinderella Hansel and Gretel and many others we discover a perspective not unlike that of the Bible a world of people trying to be something more questing to do good in a realm fraught with evil where a turn of the tables leaves the strong defeated and the weak victorious Each tale is presented along with a meditation on the spiritual and theological themes present God of the Fairy Tale will warm your heart with a world of

characters creatures and circumstances that spin an entertaining yarn and affirm the most essential Christian worldviews
