## **The Overseas Trade Of Boston In The Reign Of Richard II:**

**The Overseas Trade of Boston, 1279-1548** Stephen H. Rigby, Robert C. Nash, 2022-11-14 At the start of the fourteenth century Boston Lincolnshire was one of England's largest and wealthiest towns and played a leading role in the country's overseas trade attracting merchants and commodities from as far afield as Italy Gascony the Low Countries Germany and Scandinavia and was second only to London in many branches of trade Yet two centuries later as the accounts of the royal customs reveal Boston's overseas trade was of minor significance as the capital came to dominate the nation's commerce at the expense of its provincial ports This book offers a comprehensive guide to the evolution of the medieval English customs system and discusses the reliability of the sources which it generated It brings together all the statistical data from Boston's enrolled customs accounts for the period from 1279 to 1548 concerning the fluctuations in volume of the port's trade the transformation in the nature of its imports and exports and the changes in the origins of the merchants whether English or alien who traded there It will be of interest to all scholars and students of medieval English towns and in particular to those concerned with Anglo-Hanseatic trade in the later Middle Ages

**Creativity, Contradictions and Commemoration in the Reign of Richard II** Jessica Lutkin, J. S. Hamilton, 2022 Aspects of the turbulent rule of Richard II freshly examined The reign of Richard II is well known for its political turmoil as well as its literary and artistic innovations all areas explored by Professor Nigel Saul during his distinguished career The present volume interrogates many familiar literary and narrative sources including works by Froissart Gower Chaucer Clanvow and the Continuation of the Eulogium Historiarum along with those less well known such as coroners' inquests and gaol delivery proceedings The reign is also notorious for its larger than life personalities not least Richard himself But how was he shaped by other personalities A prosopographical study of Richard's bishops a comparison of the literary biographies of his father the Black Prince and Bertrand du Guesclin and a reconsideration of Plantagenet family politics all shed light on this question Meanwhile Richard II's tomb reflects his desire to shape a new vision of kingship Commemoration more broadly was changing in the late fourteenth century and this volume includes several studies of both individual and communal memorials of various types that illustrate this trend again

appropriately for an area Professor Saul has made his own Contributors Mark Arvanigian Caroline Barron Michael Bennett Jerome Bertram David Carpenter Chris Given Wilson Jill Havens Claire Kennan Hannes Kleineke John Leland Joel Rosenthal Christian Steer George Stow Jenny Stratford Kelcey Wilson Lee

**Silver, Butter, Cloth** Jane Kershaw, Gareth Williams, Søren Sindbæk, Søren M. Sindbæk, James Graham-Campbell, 2019 Silver Butter Cloth discusses what constituted money in the Viking Age and how money was used It is widely accepted that silver constituted the main form of currency Silver Butter Cloth examines how silver functioned as payment but also explores the monetary role of non-silver currencies in the Viking economy

**Medieval Statistics** Mark Casson, John S. Lee, 2024-12-26 This book is the first to systematically examine the sources of medieval statistics It will be useful as a handbook for researchers in financial and cultural history as a history of

financial record keeping and as a review of recent research into medieval finance and accounting based on statistical sources Medieval statistics provide a unique window on the past Medieval documents produced by royal governments monastic and ecclesiastical institutions urban boroughs and legal cases for debt recovery provide a mine of useful information on economic life and financial affairs They show that medieval administration was far more numerate and far more sophisticated than is usually recognized This book provides a comprehensive review of the key sources written by leading experts in the field The strengths and weaknesses of each source are reviewed using original documents for illustration and discussing examples from the recent literature The book is mainly concerned with English statistics as they have survived particularly well in both state and private records but which showcase the potential of digital technology in enabling systematic study of medieval primary sources where large databases can now be compiled from original manuscripts This edited volume will be a valuable tool for those working in financial cultural and political history as it seeks to analyse the various ways in which medieval life was documented numerically and the ways in which this information was used within existing power structures

**Arrowstorm** Richard Wadge,2009-03-10 This book chronicles the overwhelming importance of the military archer in the late medieval period The longbow played a central role in the English victory at the battles of Crecy and Agincourt Completely undermining the supremacy of heavy cavalry the longbow forced a wholesale reassessment of battlefield tactics Richard Wadge explains what made England's longbow archers so devastating detailing the process by which their formidable armament was manufactured and the conditions that produced men capable of continually drawing a bow under a tension of 100 pounds Uniquely Wadge looks at the economics behind the supply of longbows to the English army and the social history of the military archer Crucially what were the advantages of joining the first professional standing army in England since the days of the Roman conquest Was it the pay the booty or the glory With its painstaking analysis of contemporary records Arrowstorm paints a vivid portrait of the life of a professional soldier in the war which forged the English national consciousness

**King's Lynn and the Fens** John McNeill,2017-07-05 The fourteen papers collected in this volume explore the medieval art architecture and archaeology of King's Lynn and the Fens They arise out of the Association's 2005 conference and reflect its concern to engage with a broad range of monuments and themes rather than focusing on a single major building Within King's Lynn contributors consider the superb 14th century enamelled drinking vessel popularly known as King John's Cup the former Hanseatic Steelyard the Red Mount Chapel and the oak furnishings of the chapel of St Nicholas while the pine standard chest from St Margaret's church is assessed in terms of the importation and distribution of similar chest across England as a whole Outside King's Lynn there are articles on the historical manipulation of landscapes and buildings at Kirkstead the 13th century architecture and sculpture of Croyland Abbey the 14th century parish church of St Mary at Snettisham the tomb of Sir Humphrey de Littlebury at All Saints Holbeach the overlooked medieval wall paintings in the Prior's Chapel at Castle Acre and the late medieval stained glass at Wiggenhall St

Mary Magdalen Finally there are three papers that look at particular aspects of the ways in which parish churches were financed embellished and used across the region in terms of late 12th and early 13th century patronage their 12th century deployment of architectural sculpture and the types and arrangements of choir stalls that appeared at a parochial level during the later Middle Ages

**Credit and Trade in Later Medieval England, 1353-1532** Richard Goddard, 2016-06-21 This book challenges the notion that economic crises are modern phenomena through its exploration of the tumultuous credit crunch of the later Middle Ages It illustrates clearly how influences such as the Black Death inter European warfare climate change and a bullion famine occasioned severe and prolonged economic decline across fifteenth century England Early chapters discuss trends in lending and borrowing and the use of credit to fund domestic trade through detailed analysis of the Statute Staple and rich primary sources The author then adopts a broad based geographic lens to examine provincial credit before focusing on London s development as the commercial powerhouse in late medieval business Academics and students of modern economic change and historic financial revolutions alike will see that the years from 1353 to 1532 encompassed immense upheaval and change reminiscent of modern recessions The author carefully guides the reader to see that these shifts are the precursors of economic change in the early modern period laying the foundations for the financial world as we know it today

**Studies in the Age of Chaucer** David Matthews, 2012-01-15 Studies in the Age of Chaucer is the annual yearbook of the New Chaucer Society publishing articles on the writing of Chaucer and his contemporaries their antecedents and successors and their intellectual and social contexts More generally articles explore the culture and writing of later medieval Britain 1200 1500 Each SAC volume also includes an annotated bibliography and reviews of Chaucer related publications

**The Story of Boston** Richard Gurnham, 2014-03-03 Founded shortly after the Conquest of 1066 Boston rapidly grew to become the most successful English port outside of London The growth of the wool trade in the thirteenth and fourteenth centuries led to the building of St Botolph s the largest parish church in the country During the seventeenth century the town was strongly Puritan causing some inhabitants to emigrate to America to found the new city of Boston Massachusetts Some of the Pilgrim Fathers were imprisoned in the medieval Guildhall which survives to this day Boston s story is brought right up to date celebrating the complete history of this fabulous Lincolnshire town in a volume that will delight locals and visitors alike

**Understanding Medieval Primary Sources** Joel T. Rosenthal, 2014-06-03 Medieval society created many kinds of records and written material which differ considerably giving us such sources as last wills sermons manorial accounts or royal biographies Primary sources are an exciting way for students to engage with the past and draw their own ideas about life in the medieval period Understanding Medieval Primary Sources is a collection of essays that will introduce students to the key primary sources that are essential to studying medieval Europe The sources are divided into two categories the first part treats some of the many generic sources that have been preserved such as wills letters royal and secular narratives and sermons Chapter by chapter each expert author illustrates how they can be used to

reveal details about medieval history The second part focuses on areas of historical research that can only be fully discovered by using a combination of primary sources covering fields such as maritime history urban history women s history and medical history Understanding Medieval Primary Sources will be an invaluable resource for any student embarking on medieval historical research *History and Economic Life* Georg Christ,Philipp R. Rössner,2020-02-27 History and Economic Life offers students a wide ranging introduction to both quantitative and qualitative approaches to interpreting economic history sources from the Middle Ages to the Twentieth Century Having identified an ever widening gap between the use of qualitative sources by cultural historians and quantitative sources by economic historians the book aims to bridge the divide by making economic history sources more accessible to students and the wider public and highlighting the need for a complementary rather than exclusive approach Divided into two parts the book begins by equipping students with a toolbox to approach economic history sources considering the range of sources that might be of use and introducing different ways of approaching them The second part consists of case studies that examine how economic historians use such sources helping readers to gain a sense of context and understanding of how these sources can be used The book thereby sheds light on important debates both within and beyond the field and highlights the benefits gained when combining qualitative and quantitative approaches to source analysis Introducing sources often avoided in culturally minded history or statistically minded economic history courses respectively and advocating a combined quantitative and qualitative approach it is an essential resource for students undertaking source analysis within the field **Late Medieval Ipswich** Nicholas R. Amor,2011 A detailed study of Ipswich at a time of great growth and prosperity highlighting the activities of its industries merchants and craftsmen Ipswich in the late Middle Ages was a flourishing town A wide range of commodities passed through its port to and from far flung markets bought and sold by merchants from diverse backgrounds and carried in ships whose design evolved during the fourteenth and fifteenth centuries Its trading partners both domestic and overseas changed in response to developments in the international national and local economy as did the occupations of its craftsmen with textile leather and metal industries were of particular importance However despite its importance and the richness of its medieval archives the story of Ipswich at the time has been sadly neglected This is a gap which the author here aims to remedy His careful study allows a detailed picture of urban life to emerge shedding new light not only on the borough itself but on towns more generally at a crucial point in their development at a period of growing affluence when ordinary people enjoyed an unprecedented rise in standards of living and the benefits of what might be termed our first consumer revolution Nicholas Amor gained his doctorate from the University of East Anglia **The English Woollen Industry, c.1200-c.1560** John Oldland,2019-01-15 This is the first book to describe the early English woollens industry and its dominance of the trade in quality cloth across Europe by the mid sixteenth century as English trade was transformed from dependence on wool to value added woollen cloth It compares English and continental draperies weighs the advantages of urban and rural

production and examines both quality and coarse cloths Rural clothiers who made broadcloth to a consistent high quality at relatively low cost Merchant Adventurers who enjoyed a trade monopoly with the Low Countries and Antwerp s artisans who finished cloth to customers needs all eventually combined to make English woollens unbeatable on the continent

Historians on Chaucer Alastair Minnis, 2014-12-04 As literary scholars have long insisted an interdisciplinary approach is vital if modern readers are to make sense of works of medieval literature In particular rather than reading the works of medieval authors as addressing us across the centuries about some timeless or ahistorical human condition critics from a wide range of theoretical approaches have in recent years shown how the work of poets such as Chaucer constituted engagements with the power relations and social inequalities of their time Yet perhaps surprisingly medieval historians have played little part in this historical turn in the study of medieval literature The aim of this volume is to allow historians who are experts in the fields of economic social political religious and intellectual history the chance to interpret one of the most famous works of Middle English literature Geoffrey Chaucer s General Prologue to the Canterbury Tales in its contemporary context Rather than resorting to traditional historical attempts to see Chaucer s descriptions of the Canterbury pilgrims as immediate reflections of historical reality or as portraits of real life people whom Chaucer knew the contributors to this volume have sought to show what interpretive frameworks were available to Chaucer in order to make sense of reality and how he adapted his literary and ideological inheritance so as to engage with the controversies and conflicts of his own day Beginning with a survey of recent debates about the social meaning of Chaucer s work the volume then discusses each of the Canterbury pilgrims in turn Historians on Chaucer should be of interest to all scholars and students of medieval culture whether they are specialists in literature or history

**John Gower in England and Iberia** Ana Sáez-Hidalgo, R. F. Yeager, 2014 John Gower s great poem the *Confessio Amantis* was the first work of English literature translated into any European language Occasioned by the existence in Spain of fifteenth century Portuguese and Spanish manuscripts of the *Confessio* the nineteen essays brought together here represent new and original approaches to Gower s role in Anglo Iberian literary relations They include major studies of the palaeography of the Iberian manuscripts of the ownership history of the Portuguese *Confessio* manuscript of the glosses of Gowerian manuscripts and of the manuscript of the Yale *Confessio Amantis* Other essays situate the translations amidst Anglo Spanish relations generally in the fourteenth and fifteenth centuries examine possible Spanish influences on Gower s writing and speculate on possible providers of the *Confessio* to Philippa daughter of John of Gaunt and queen of Portugal Further chapters broaden the scope of the volume Amongst other topics they look at Gower s use of Virgilian Dantean models classical gestures in the Castilian translation Gower s conscious contrasting of epic ideals and courtly romance nuances of material goods and the idea of the good in the *Confessio* Marxian aesthetics Balzac and Gowerian narrative in late medieval trading culture between England and Iberia reading the *Confessio* through the lens of gift exchange literary form in Gower s later Latin poems Gower and Alain Chartier as international

initiators of a new public poetry and the modern sales history of manuscript and early printed copies of the *Confessio* and what it reveals about literary trends Ana S ez Hidalgo is Associate Professor at the University of Valladolid Spain R F Yeager is Professor of English and World Languages and chair of the department at the University of West Florida Contributors Mar a Bull n Fern ndez David R Carlson Si n Echard A S G Edwards Robert R Edwards Tiago Vi la de Faria Andrew Galloway Fernando Galv n Marta Mar a Guti rrez Rodr guez Mauricio Herrero Jim nez Ethan Knapp Roger A Ladd Alberto L zaro Mar a Luisa L pez Vidriero Abell Matthew McCabe Alastair J Minnis Clara Pascual Argente Tamara Para A Shailor Winthrop Wetherbee

*Wisdom and Chivalry* Stephen Henry Rigby, 2009 The Knight s Tale is one of the most controversial of all the Canterbury Tales Does Chaucer portray Theseus the duke of Athens whose actions dominate the tale as an ideal ruler one who is noble wise and chivalrous or does the duke s behaviour reveal him to be immoral self seeking and tyrannical This book assesses the duke s conduct and thought in terms of the ideals set out in medieval mirrors for princes particularly in Giles of Rome s *De Regimine Principum* It argues that when judged by the standards of these works Theseus can be seen as a model prince in terms of his self government ethics his rule of his household economics his governance of his realm politics and his cosmography and philosophy

**Shipping the Medieval Military** Craig L. Lambert, 2011 Mariners made a major but neglected contribution to England s warfare in the middle ages Here their role is examined anew showing their importance During the fourteenth century England was scarred by famine plague and warfare Through such disasters however emerged great feats of human endurance Not only did the English population recover from starvation and disease but thousands of the kingdom s subjects went on to defeat the Scots and the French in several notable battles Victories such as Halidon Hill Neville s Cross Cr cy and Poitiers not only helped to recover the pride of the English chivalrous class but also secured the reputation of Edward III and the Black Prince Yet what has been underemphasized in this historical narrative is the role played by men of more humble origins none more so than the medieval mariner This is unfortunate because during the fourteenth century the manpower and ships provided by the English merchant fleet underpinned every military expedition The aim of this book is to address this gap Its fresh approach to the sources allows the enormous contribution of the English merchant fleet to the wars conducted by Edward II and Edward III to be revealed the author also explores the complex administrative process of raising a fleet and provides career profiles for many mariners examining the familial relationships that existed in port communities and the shipping resources of English ports Craig L Lambert is Research Assistant at the University of Hull

The Hanse in Medieval and Early Modern Europe Justyna Wubs-Mrozewicz, Stuart Jenks, 2012-12-07 The Hanse in Medieval and Early Modern Europe discusses new research on this unique organization of towns and traders and places the findings in the broader context of European economic legal and social history

English Church Monuments in the Middle Ages Nigel Saul, 2011-07-07 This is a comprehensive survey of English medieval church monuments It examines all types of monument cross slabs brasses incised slabs and sculpted effigies It analyzes them in an historical context to show

what they reveal of the self image and religious aspirations of those they commemorate Summary by the editor **The Culture of Food in England, 1200-1500** C. M. Woolgar, 2016-04-26 In this revelatory work of social history C M Woolgar shows that food in late medieval England was far more complex varied and more culturally significant than we imagine today Drawing on a vast range of sources he charts how emerging technologies as well as an influx of new flavors and trends from abroad had an impact on eating habits across the social spectrum From the pauper s bowl to elite tables from early fad diets to the perceived moral superiority of certain foods and from regional folk remedies to luxuries such as lampreys Woolgar illuminates desire necessity daily rituals and pleasure across four centuries

### **The Overseas Trade Of Boston In The Reign Of Richard Ii Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading The Overseas Trade Of Boston In The Reign Of Richard Ii free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading The Overseas Trade Of Boston In The Reign Of Richard Ii free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various

categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading The Overseas Trade Of Boston In The Reign Of Richard Ii free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading The Overseas Trade Of Boston In The Reign Of Richard Ii. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading The Overseas Trade Of Boston In The Reign Of Richard Ii any PDF files. With these platforms, the world of PDF downloads is just a click away.

### **FAQs About The Overseas Trade Of Boston In The Reign Of Richard Ii Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook's credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What's the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Overseas Trade Of Boston In The Reign Of Richard Ii is one of the best books in our library for free trial. We provide a copy of The Overseas Trade Of Boston In The Reign Of Richard Ii in digital format, so the resources that you find are reliable. There are also many eBooks of related works with The Overseas Trade Of Boston In The Reign Of Richard Ii. Where to download The Overseas Trade Of Boston In The Reign Of Richard Ii online for free? Are you looking for The Overseas Trade Of Boston In The Reign Of Richard Ii PDF? This is definitely going to save you time and cash in something you should think about. If you're trying to find then search around for

online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another The Overseas Trade Of Boston In The Reign Of Richard Ii. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of The Overseas Trade Of Boston In The Reign Of Richard Ii are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with The Overseas Trade Of Boston In The Reign Of Richard Ii. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with The Overseas Trade Of Boston In The Reign Of Richard Ii To get started finding The Overseas Trade Of Boston In The Reign Of Richard Ii, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with The Overseas Trade Of Boston In The Reign Of Richard Ii So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading The Overseas Trade Of Boston In The Reign Of Richard Ii. Maybe you have knowledge that, people have search numerous times for their favorite readings like this The Overseas Trade Of Boston In The Reign Of Richard Ii, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. The Overseas Trade Of Boston In The Reign Of Richard Ii is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, The Overseas Trade Of Boston In The Reign Of Richard Ii is universally compatible with any devices to read.
