Sturgill, 1986 *Hearings, Reports and Prints of the Senate Committee on the Judiciary* United States. Congress. Senate. Committee on the Judiciary, 1977 **Congressional Record** United States. Congress, 1985 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 **A Selected Bibliography on the United States Army in Latin America, 1945-1985: From the beginnings to 1945** US Army Military History Institute, Claude C. Sturgill, 1986 **Warfare in a Fragile World** Sipri, 2021-05-30 This book first published in 1980 examines the extent to which warfare and other military activities contribute to environmental degradation The military capability to damage the environment has escalated The military use and abuse of each of the several major global habitats temperate tropical desert arctic insular and oceanic are evaluated separately in the light of the civil use and abuse of that habitat Congressional Record Index , 1973 Includes history of bills and resolutions **Confronting Threats to Security in the Americas** United States. Congress. Senate. Committee on Foreign Relations. Subcommittee on Western Hemisphere, Peace Corps, Narcotics, and Terrorism, 1999 **106-1 Hearing: Confronting Threats to Security in The Americas, S. Hrg. 106-234, June 22, 1999** , 1999 **Panama Canal** Alvin G. Rowe, 1973 United States authority to construct the Panama Canal and to subsequently operate maintain and defend it is based on a 1903 treaty Panamanians have objected to many of the basic provisions of this treaty since the day it was signed Although the US agreed in 1965 to negotiate new arrangements efforts to date have not resulted in agreement This study identifies the issues concerned and assesses their relative importance to each side and to the overall situation Abstract **National Security and Core Values in American History** William O. Walker III, William O. Walker, 2009-04-06 Drawing upon themes from the nation s past William O Walker III presents a new interpretation of the history of American exceptionalism Prize Possession John Major, 2003-10-30 Prize Possession is a history of United States policy towards the Panama Canal focusing principally on the first two generations of American tenure of the Canal Zone between 1904 and 1955 John Major also provides an extensive look at the nineteenth century background the making of the 1903 canal treaty with Panama the move after 1955 towards the new treaty settlement of 1977 and the crucial significance of the Canal to American

policy makers and their public The book is based for the most part on the hitherto largely untapped sources of US government agencies namely the State War and Navy Department and the Canal Zone administration as well as on the papers of notable dramatis personae such as Theodore and Franklin Roosevelt and Philippe Bunau Varilla As such it makes an important and original contribution to our knowledge and understanding of a subject which has not yet received its due from historians

The Geopolitics of Security in the Americas Martin Sicker, 2001-11-30 Sicker examines the role of the United States within the Western Hemisphere and the geopolitical and geostrategic factors that have helped shape its policies in the region He demonstrates that such factors have contributed heavily to establishing the patterns of state development and interstate relations in the Western Hemisphere throughout its modern history The prevailing geopolitical environment has been conditioned to a large extent by the emergence of the United States as the unquestionably dominant power in the extensive region However that status did not exist at the time it achieved its independence It was brought about through almost incessant conflict with and expansion at the expense of other states nations and peoples over more than a century As a result the concerns and interests of the dominant power became and remain of necessity factors that states beyond the borders of the United States must take into consideration when pursuing their own national interests and policies As Sicker amply demonstrates failure to do so will often produce undesirable consequences for the offending state As is clear however the states of the hemisphere have their own geopolitical interests and concerns independent of and sometimes conflicting with those of the United States As Sicker shows throughout the volume and especially in his analysis of inter American conflicts many of the nations of Latin America have unresolved territorial controversies with their neighbors that date to their origins as independent states Because of this troubled geopolitical legacy there have been numerous conflicts among the states of Latin America some of which the United States has attempted to mediate or arbitrate and some that seem impervious to a permanent negotiated settlement This is a provocative analysis that will be of interest to scholars students researchers and policymakers involved with inter American relations and U S diplomacy
