Herbert Lockyer

The Parable Of Fire:

The Parables Brad H. Young, 2008-03 Young focuses on the historical development and theological significance of parables in the Jewish and Christian traditions examining parallels between the rabbinic and Gospel parables **Notes and Illustrations of the Parables of the New Testament** Thomas Whittemore, 1832 **THE PARABLES OF THE LORD JESUS CHRIST** John Sandbek, 2018-06-12 The parables of Jesus should not be studied as individual homilies or proverbs but instead as a series of prophetic installments wherein each parable reveals an aspect of his coming millennial kingdom The focus of all his parables was the kingdom and encompassed four areas of revelation Jesus was sent by his Father to reveal to man eternal truths to redeem the lost sheep of the house of Israel to expound on the prophets and the Law and to preach of the gospel of the Kingdom With these four anointings Jesus assumed the three offices of Prophet Priest and King and used parables to conceal his message from those who would not listen or sought to destroy his ministry As Prophet he foretold of events imminent to his time and the destruction of Jerusalem He became our High Priest to redeem his people and instruct them in righteousness As King his parables reveal to us the grandeur of his coming kingdom heretofore kept secret from man and set the metrics for ruling and reigning with him The Parables of the Lord Jesus Christ Prophet Priest King examines Jesus's parabolic teaching from these three ordinations and how each relates to Christ's future kingdom Each parable is placed in context with surrounding events and the customs of the day and its imagery and symbolism explained using Scripture to deduce and interpret its meaning **The Refiner's Fire** John L. Brooke, 1996-05-31 This 1995 book presents an alternative and comprehensive understanding of the roots of Mormon religion *An exposition of the Parables* Benjamin Keach, 1856 Notes and Illustrations of the Parables of the New Testament ... Revised edition Thomas WHITTEMORE (Universalist Minister.), 1834 The Fundamental Doctrines of the Christian Faith Reuben Archer Torrey, 1918 The author of these sermons has had a feeling for a long time that the great need in our churches in this day is systematic indoctrination He put his theory into practice last winter in his own church and these sermons are the result We were having a great many accessions to our church In the two years of the church's history we had had something like six hundred accessions to the church and every month considerable numbers of new members were being added While many of these came by letter from other churches many of them were new converts and had had practically no systematic instruction in the fundamental truths of the Christian faith so we announced a series of sermons on The Fundamental Doctrines of the Christian Faith There was immediately a large increase in the attendance at the services where these addresses were given and this increase has kept up until on the last Lord's Day we had much the largest attendance we have ever had excepting on Easter Sunday Many have testified to the blessing received from these sermons and there has been a great demand that the sermons be printed for general circulation This request has come from ministers of various denominations Episcopalians Presbyterians Methodists Baptists and others It is hoped that this volume will be useful to other pastors in suggesting lines of teaching in their regular

pastoral work and also that it may be used widely by pastors and others for circulation among Christians We live in a day in which many of our church members are all at sea as to what they believe on the fundamental doctrines of the Christian faith These sermons have already helped many through their delivery It is hoped they will reach and help far more in the printed form

Matthew's Parable of the Royal Wedding Feast Ruth Christa Mathieson,2023-06-02 Ruth Christa Mathieson s unique reading of Matthew s parable of the royal wedding feast Matt 22 1 14 which concludes with the king s demand that one of the guests be bound and cast out into the outer darkness focuses on the means of the underdressed guest s expulsion Using sociorhetorical interpretation Mathieson draws the parable into conversation with early Jewish narratives of the angel Raphael binding hands and feet 1 Enoch Tobit and the protocol for expelling individuals from the community in Matt 18 She asserts that readers are invited to consider if the person who is bound and cast out is a danger to the little ones of the community of faith unless removed and restrained

E. Goud,J.R.C. Cousland,John P. Harrison,2022-08-25 The contributors to this book pursue three important lines of inquiry into parable study in order to illustrate how these lessons have been received throughout the millennia The contributors consider not only the historical and material world of the parables composition and focusing on the social political economic and material reality of that world but also seek to connect how the parables may have been seen and heard in ancient contexts with how they have been and continue to be seen and heard Intentionally allowing for a bounded openness of approach and interpretation these essays explore numerous contexts encounters and responses Examining topics ranging from ancient harvest imagery and dependency relations to contemporary experience with the narratives and lessons of the parables this volume seeks to link those very real ancient contexts with our own varied modern contexts *The Parables of Our Lord* Henry Calderwood,1880 An Exposition of the Parables of Our Lord ...
