## **The Parables And Other Stories A Commentary:**

**The Parables and Other Stories** Styianos Atteschlis,1991\* **The Language of the Kingdom and Jesus** Jacobus Liebenberg,2011-05-02 This study interprets Jesus parables and the sayings tradition regarding the Kingdom of God from a cognitive linguistic understanding of metaphor It also shows what contribution the theory of metaphor can make when the parables and aphorisms are studied in research on the historical Jesus The metaphoric nature and polyvalency of the parables and aphorisms of the Jesus tradition undermine their value for research on the historical Jesus The author doubts whether the parables and sayings of the Jesus tradition can be employed to reconstruct the historical Jesus **All the**

**Parables of Jesus** David M. Brown,2012-07-31 Like yeast parables are explosive stories of Jesus that invade our lives and transform us into citizens of the kingdom of God But they are also cryptic and thats where this book is useful More than an explanation or interpretation of each parable this definitive work is primarily an exercise in hermeneutics In it readers are taken through a process of discovering which sayings of Jesus are parables problematic questions related to counting and categorizing them and Jesus rationale for speaking in parables The work then analyzes four distinct ways that parables are structured and three levels at which they do their work in us The final chapter presents parable related hermeneutical guidelines and the book ends with seven extensive Appendices and two Indexes It is a must read for every biblical scholar

want to rightly understand the Bible you must begin by recognizing what it is a composite of literary styles It is meant to be read not just interpreted The Bible s truths are embedded like jewels in the rich strata of story and poetry metaphor and proverb parable and letter satire and symbolism Paying attention to the literary form of a passage will help you understand the meaning and truth of that passage How to Read the Bible as Literature takes you through the various literary forms used by the biblical authors This book will help you read the Bible with renewed appreciation and excitement and gain a more profound grasp of its truths Designed for maximum clarity and usefulness How to Read the Bible as Literature includes sidebar captions to enhance organization wide margins ideal for note taking suggestions for further reading appendix The Allegorical Nature of the Parables indexes of persons and subjects [Luke: The Christian Standard Commentary](#) Gregory R

Lanier,2025-08-01 Luke The Christian Standard Commentary is part of The Christian Standard Commentary CSC series This commentary series focuses on the theological and exegetical concerns of each biblical book thoughtfully balancing rigorous scholarship with practical application **The Erothetical Value of Jesus' Parables** Bucevschi Eduard-Iulian,2016-04-25

By this book I tried to find answers to the questions which don t appear directly in the Gospels In fact erothetics is the way of finding the question from the given answer We have the Gospels where the writers presented to us what Jesus did But what if

there where some questions which were common for that time and un common for our time reality Then was the sermons when I was astonished by the ministers which proclaimed that Jesus began story telling because He didn t knew what to say to the listeners Or worse even some ministers corrected Jesus parables by this distorting the whole truth This is why I alone searched some answers and by this I provide You what I did found

**Quest for the Kingdom** John M. Newman, 2011 A fascinating analysis that blends world history Western religion and Eastern mysticism Quest for the Kingdom by Dr John M Newman examines the kingdom of God as the historical Jesus describes it The book's premise holds that Jesus teachings include specific instructions for the quest to find and live in God's kingdom before death This powerful work favors fact and readers can revel in Jesus authentic teachings that describe the quest both as internal spiritual cultivation and the way to live in the world It is rare for a book on Christian theology to break new ground but Newman does this on two fronts the striking parallel of Jesus teachings with the ancient mysticism of yoga and the equally fascinating parallel between Jesus healing techniques and the practices of modern psychotherapists like Freud Newman is meticulous in drawing these original and unique parallels and they lift this work's premise to a non generic level that speaks to several

audiences an accomplishment that sets the work apart from the pack In twenty accessible and engaging chapters like The Kingdom of God The War of the Houses The Kingdom Is Like a Woman Spiritual Cultivation and The Exorcisms and Healings of Jesus the reader watches Jesus at work healing and offering his parables at a communal meal In addition to elucidating the path to the kingdom that Jesus shared with his followers Newman explains and illustrates the voice print of Jesus his sage rhetorical strategies and distinctive discourse Newman brings Jesus parables to life with a penetrating analysis that enables the reader to experience Jesus mastery of metaphor and management of the unconscious trajectory of thought in the minds of his listeners A commanding new breakthrough in the understanding of the teachings and works of Jesus this book is a must read for academics and laypersons alike     *An Introduction to the Critical Study and Knowledge of the Holy Scriptures ...
