THE PARABLES OF THE LORD JESUS CHRIST John Sandbek, 2018-06-12 The parables of Jesus should not be studied as individual homilies or proverbs but instead as a series of prophetic installments wherein each parable reveals an aspect of his coming millennial kingdom The focus of all his parables was the kingdom and encompassed four areas of revelation Jesus was sent by his Father to reveal to man eternal truths to redeem the lost sheep of the house of Israel to expound on the prophets and the Law and to preach of the gospel of the Kingdom With these four anointings Jesus assumed the three offices of Prophet Priest and King and used parables to conceal his message from those who would not listen or sought to destroy his ministry As Prophet he foretold of events imminent to his time and the destruction of Jerusalem He became our High Priest to redeem his people and instruct them in righteousness As King his parables reveal to us the grandeur of his coming kingdom heretofore kept secret from man and set the metrics for ruling and reigning with him

The Parables of the Lord Jesus Christ Prophet Priest King examines Jesus's parabolic teaching from these three ordinations and how each relates to Christ's future kingdom Each parable is placed in context with surrounding events and the customs of the day and its imagery and symbolism explained using Scripture to deduce and interpret its meaning

The Parables of Jesus James Montgomery Boice, 2015-12-15 Some sections of the Bible give us grand theology Some move us to grateful responses to God But the parables break through mere words and make us ask whether there has indeed been any real difference in our lives In this beloved classic James Boice takes us systematically through the parables of Jesus grouping them into five categories parables of the kingdom salvation wisdom and folly the Christian life and judgment In each section Boice brings Jesus words to bear on life today Through his careful study and clear explanation of each parable born from a

Done Into Familiar Verse ... for the Use and Improvement of Younger Minds** Christopher Smart,1768 *Tell Me the Stories of Jesus* R. Albert Mohler, Jr.,2022-06-14 In *Tell Me the Stories of Jesus* pastor and theologian R Albert Mohler Jr reveals the unique power of Jesus parables for today s readers showing how they announce the kingdom communicate both judgment and grace and call every human heart toward transformation in the light of God s love He who has ears let him hear The Prodigal Son The Good Samaritan The parable of the mustard seed The stories Jesus told during his earthly ministry are packed with such memorable images and characters that they now permeate our culture s popular imagination But what if their familiarity has muted their powerful message causing today s readers to miss their ability to shock and transform In *Tell Me the Stories of Jesus* renowned pastor and theologian R Albert Mohler Jr unlocks the power of Jesus parables for readers today Jesus perfected the art of telling parables short stories with a surprising twist and an explosive message that confronted his listeners with surprising and often uncomfortable truths about the human heart and the kingdom of heaven But two thousand years later modern readers may not grasp the cultural and historical context that made these stories so compelling for Jesus original audience Mohler brings Jesus stories to life uncovering the context and allowing readers to hear these stories in all their shocking paradigm shifting power Readers will feel a deeper connection with Jesus by stepping into the shoes of his first century followers and hearing with fresh ears the stories he shared with his closest followers gain a deeper understanding of the gospel through Jesus own words and see the parables in a new light experiencing perhaps for the first time their ability to draw people into Jesus kingdom Every parable Jesus told contains judgment and grace They hold up a mirror that reveals the human heart and invites everyone to welcome Jesus kingdom and reign Will you have ears to hear their vital message **Parables of Jesus** Timothy Maurice Pianzin,2008 Over 2000 years ago Jesus invited his followers to a new life empowered by the saving grace of God Jesus in filled them with spiritual knowledge and asked them to develop certain attitudes and life styles so that they may possess this new life Do you want to be blessed by this new life but unsure of how to achieve it Dr Timothy Maurice Pianzin s spirit filled book entitled *Discovering the Truth of Jesus Parables in the light of its Historical Geographical and Socio cultural Setting* uncovers the hidden meanings contained in Jesus parables and gives you understanding on how to live life that will qualify you to claim your inheritance in heaven Don t hesitate read Dr Timothy Maurice Pianzin s excellent guidebook to the parables of Jesus now If you read *Discovering the Truth of Jesus Parables* with a receptive heart and mind the life saving Words of Jesus will comes alive and transforms your life to live it in the fullness of God s grace Dr Timothy Maurice Pianzin has doctorates in Biblical Theology and Sustainable Development For the last thirty years he has been a devoted Bible scholar and has participated in many Bible courses and seminars He has also traveled

Layman's (Laywoman's) Study of the Parables of Jesus Christ Mary Bullock Carter,2011-02-10 The Parables are indeed a good way to know Jesus on a more personal level By doing more than just reading them STUDYING THEM you can learn the thoughts that were close to His heart You can become more familiar with the things He thought were important You can realize that He not only expects you to walk in God's will but you will learn that He has told you how to do that He never expected you to live to a certain standard without telling you how to accomplish it All we have to do is study His word It is His promise that all things are possible even walking in His will

The Parables of Jesus Richard Gribble,1998 Narrative or story preaching has called attention to Jesus parables since many of those parables are stories Is there a preacher especially one who uses the lectionary who does not preach on a parable from time to time This book conducts an exegesis of scripture provides context for each passage suggests contemporary applications with questions that challenge and gives preachers sample openings for the composition of a sermon homily Richard Gribble CSC the author of six books and over 100 articles is an assistant professor of history at Stonehill College in North Easton Massachusetts He has earned degrees from the United States Naval Academy the University of Southern California and the Jesuit School of Theology at Berkeley In 1995 he earned his Ph D from The Catholic University of America A Roman Catholic priest Gribble served at St John Vianney Parish in Goodyear Arizona from 1988 through 1991

The Parables of Jesus Christ Explained John Clowes,2010-01-04 The parables of Jesus Christ in the New Testament are explained and for each a spiritual sense is given It is said in Matthew and Mark that Jesus Christ spoke nothing without a parable from which we are plainly taught how important it is to understand the language of the parables in the Bible The object of this book is that devout readers of the Holy Word may have an enlightened and spiritual discernment of the divine things contained in the parables of our Saviour God in order that their minds may be more opened to receive and to love the things of heaven and eternal life Indeed when viewed in a connected series the gospel parables express and describe the whole process of regeneration commencing with the first reception of Heavenly Truth from the Word and advancing through all gradations of its growth to the full maturity of heavenly love and life

Understanding the 40 Parables of Jesus Christ K. E. Cornerstone,2015-05-15 A Unique Approach Genre Context and Culture Understanding the 40 Parables of Jesus Christ takes the approach of understanding Jesus parables by examining the genre scriptural context and historical culture The goal of this approach is to reveal theology from the Bible as opposed to trying to find verses to support a belief This is the difference between letting the Bible tell us what is true versus someone trying to find evidence for what

they want to believe When we allow the Bible to teach us what to believe we can better set aside our own biases and become more receptive to God's truths Importance of Context and Culture Parables are a particular genre of literature that are characterized by typically having only one meaning The meaning of Jesus parables can generally be determined by the point Jesus makes to introduce or end them However sometimes the point is obscure due to culture or the meaning is missed due to a failure to carefully consider the context Learn From the Greatest Teacher This book lists all the parables of Jesus Christ including supplemental information necessary for understanding them Each parable has a summary of what is being said along with the meaning Jesus Christ is teaching Some of the questions that this book will answer include Why does Jesus speak in parables What is the meaning of the talents in the talents pounds parable What is the real focus of the prodigal son What did Jesus mean by treasures new and old Who is the man without a wedding robe in the wedding banquet parable Why is the dishonest manager praised for his shrewdness What does Jesus really mean by counting the costs The answers to these questions and more are answered by carefully examining the contextual and historical evidence Also included is a chapter revealing scriptural evidence that proves that Jesus Christ is God as well as important supplementary material for understanding these parables
