Steps to Self Love

1

Self Acceptance

Accepting yourself is foundational to Self Love. Accept yourself just as you are, your flaws, the good and bad. Replace self-judgment with self-acceptance. Mantra: "I accept myself completely."

2

Self Forgiveness

Forgive yourself for all the unkind thoughts you've had about yourself, every time you went against your instincts and betrayed yourself, and all else that is difficult to face. Forgiveness sets you free to live in the present moment without guilt or shame. Mantra: "I forgive myself completely. I am free."

3

Self Responsibility

Taking responsibility for your life means you no longer view yourself as a victim and that life is happening to you. Instead, take responsibility for your reality and realize you have the power to choose differently. Choose how you respond to life. Mantra: "I have the power to choose how I experience reality."

4

Self Care

Learn to listen to the cues of your body. Cultivating stillness and presence in your body so you can hear what your intuition is telling you. Caring for yourself on all levels, mind, body, and spirit is important. Writing your self-care activities in your calendar makes it easier to implement them. Mantra: "I pay attention to the signals of my body."

5

Self Compassion

Cultivating self-compassion is all about genuine kindness towards yourself. Treating yourself like a loving parent would treat a child. Understanding that we are all human, and we experience suffering and pain, and we make mistakes. You are not alone in what you are going through. Mantra: "I treat myself with loving compassion."
